1.	<p>Petition: To Install a traffic light or Zebra Crossing on Brunswick Park Road between Marshalls Close and Darwin Close (102 signatures)</p> <p>Lead petitioner Paola Dentamaora</p>	<p>This issue was referred to the Chipping Barnet Area Environment Sub-Committee, which was held immediately after the forum meeting. The Sub-Committee:</p> <p>RESOLVED – Subject to the overall costs being contained within available budgets, officers be instructed to investigate the feasibility of installing traffic lights or a Zebra crossing on Brunswick Park Road between Marshalls Close and Darwin Close and that a report on the outcome be brought to the next appropriate meeting of the Sub-Committee on actions taken.</p>
2.	<p>I am very unhappy that a series of proposals have been put forward to open up parks for private hire. Please can you tell me who came up with these proposals, what level of public opposition will cause the council to withdraw these proposals and what legal advice was taken to check the legality of these proposals.</p> <p>Mr John Dix</p>	<p>No further update.</p>
3.	<p>Can you will let me know when the Automatic Barrier in Netherlands Road will be repaired. I have tried to get an answer through the normal channels but nobody seems able, or wishes, to tell me. The lorries passing through the "Bus Only" gap are getting larger and more numerous daily as well as number of Barnet</p>	<p>No further update.</p>
