REVIEW OF THE LICENSING POLICY (Report of the Director of Environment & Operations – Agenda Item 5):

The Committee considered the report of the Director of Environment & Operations, conveying the draft Licensing Policy which had been circulated separately to members of the Council.

The deadline for receipt of responses to the public consultation on the draft policy had expired on 10 December after circulation of the report, and the Committee was informed that no responses had been received during that time.

For the reasons given in the report the Committee

RESOLVED TO RECOMMEND – That Council approve the Licensing Policy as submitted so it can be published on or before 7th January 2011 in accordance with the Licensing Act 2003

The meeting finished at 6.15pm.
