9 BACKGROUND INFORMATION

9.1 History

9.1.1 The Superannuation Act 1972 makes provision for local authorities to operate pension funds for their employees and employees of other employers who have either a statutory right or an admission agreement to participate in the funds. The London Borough of Barnet's Pension Scheme Fund (The Fund) is set up under the Local Government Pension Scheme (Administration) Regulations 2008 (SI 2008/239); (ii) the Local Government Pension Scheme (Benefits, Membership and Contributions) Regulations 2007 (SI 2007/1166); and (iii) The Local Government Pension Scheme (Transitional Provisions) Regulations 2008. The Regulations provide for retirement pensions, grants on age or ill-health retirement, short service grants, death grants, injury allowances and widows' pensions.

9.2 Tax Status

9.2.1 The Fund is an exempt approved fund under the Finance Act 1970, and is therefore exempt from Capital Gains Tax on its investments. At present all Value Added Tax is recoverable, but the fund is not able to reclaim the tax on UK dividends.

9.3 Operation and Administration

9.3.1 The Fund is operated and administered by the London Borough of Barnet. Day to day investment management of the Fund's assets is delegated to expert investment advisors in accordance with the Local Government Pension Scheme (Management and Investment of Funds) Regulations 1998 (as amended). The Fund is managed on a balanced (excluding property and cash) basis. The current fund managers are Schroder Investment Management Ltd and Newton Investment Management Limited.

9.3.2 At the Pension Fund Committee meeting held on the 4th of February 2010, the Committee agreed to implement a 70/30 diversified growth and bonds portfolio using the existing managers. Implementation of the new investment strategy commenced on Friday the 19th of November, with £70m transferred to the fund managers in accordance with the new strategy.

- 9.3.3 Work has also been underway on the split of Pension Fund cash from the rest of the Council's cash in the Council's accounting system. It is anticipated that this split will go live on 20th December 2010.
- 9.3.4 Following the successful transfer of funds to the managers, and split of the accounting system, a number of further developments are required in line with the new strategy. This includes a review of other elements of the fund, for example the property portfolio, and also a review of performance benchmarks. These will be reported back to the next Pensions Committee in the New Year.
- 9.3.5 Actuarial services are provided by Barnett Waddingham and the fund receives investment advice from an independent advisor.

9.4 Scheme Governance

- 9.4.1 The Council is statutorily responsible for the management of the Fund and for making strategic decisions that govern the way the Fund is invested. In this respect, the Council delegates responsibility for making investment decisions and monitoring arrangements to the Pension Fund Committee. The Pension Fund Committee's responsibilities include reviewing and monitoring the Fund's investments; selecting and deselecting investment managers and other relevant third parties; and establishing investment objectives and policies.

The Fund's investment objectives and policies are published in a Statement of Investment Principles, details of this statement can be found on the Council's Web Site (www.barnet.gov.uk/pensions/pensions-investments.htm).

9.5 Funding

- 9.5.1 The Fund is financed by employer and employee contributions and from income derived from investments. Every three years the Fund Actuary carries out a valuation, which determines the level of employer contributions. The last triennial valuation took place as at 31 March 2007 and was reported to this Committee.

9.6 Investment Performance & Benchmark

- 9.6.1 The performance of the pension fund is measured by using the WM Local Authority Universe. WM Company compile pension fund statistics from a total of 54 local authority pension funds.
