**Council Questions to the Leader – Amended responses to Questions 14 and 85**

**AGENDA ITEM 9**

**Question 14**

Grahame Park Way is a narrow road, cars are parked on both sides and there is already congestion during peak hours. What arrangements will be put in place to manage the traffic and parking chaos there at peak times?

**Answer from the Cllr Dean Cohen, Chairman of the Environment Committee**

I am aware Cllr Rayner previously raised the same issue and would advise councillors to bring a proposal forward to the next Area Committee.

**Question 85**

The Council has no jurisdiction over the parking signage for the parking space next to Sainsbury's in Grahame Park Way yet Barnet residents are regularly being fined for what they see as a public space. Why? Can this be sorted out please?

**Answer from the Cllr Dean Cohen, Chairman of the Environment Committee**

I note the member's concern and am looking into it.
