**Agenda item 15.1: Amendment in the name of Cllr Kath McGuirk** AGENDA ITEM 15.1

Condemnation of hate crime

Add at the end:

We condemn the recent rise in hate crime since the EU Referendum and welcome the measures to tackle hate crime announced by the Government including tougher sentences for perpetrators of hate crime, £2.4 million for protective security at places of worship and more work to prevent anti-semitism and Islamophobia.

Given the small recent local increase in hate crime, and increases last year, we believe we should remain vigilant and ask that the Community Leadership Committee monitors incidents of hate crime and our own local action plan to combat hate crime on a more regular basis.

Council also requests that the Community Leadership Committee receives an update on local police resources, workloads and the impact these are having on policing in the Borough.

**Substantive motion to read:**

**We are proud to live in a diverse and tolerant society. Racism, xenophobia and hate crimes have no place in our country.**

**We, the elected councillors of LB Barnet, condemn racism, xenophobia and hate crimes unequivocally. We will not allow hate to become acceptable.**

**We call on Barnet council to continue to work to ensure local bodies and programmes have the support and resources needed to fight and prevent racism and xenophobia.**

**We reassure all people living in Barnet, whatever their background, that they are valued members of our community.**

**Agenda item 15.6 - Amendment in the name of Cllr Barry Rawlings** AGENDA ITEM 15.6

Welcoming the new May Government

Delete all and replace with:

Council **notes** the Rt Hon Theresa May MP **is now** Prime Minister, and welcomes her pledge to lead a One Nation Government for the good of all the citizens of the United Kingdom.

Council welcomes the Prime Minister's statement, delivered in front of 10 Downing Street on the day she took office, that her Government will be driven not by the interests of the privileged few, but by the needs of ordinary, working-class families. She promised: "We will do everything we can to give you more control over your lives."

**Council notes, however, that Mrs May has been part of previous Conservative Government decisions to slash funding for public services, introduce the draconian bedroom tax causing misery to some of the most vulnerable people in our community, cut welfare to disabled people, impose billions of pounds of debt on the NHS, increase insecure employment / zero hours contracts, cut funding for affordable homes trapping low and middle income workers on housing benefit, and divide the country with the EU Referendum. Council notes that at the same time millionaires were given tax cuts.**

**Council believes that if the new Prime Minister wants to lead a One Nation Government, she needs to do a lot better.**

For Barnet, a top priority is the Government's ongoing review of the needs assessment formula which underpins central funding of local government. For example, Barnet receives less than half the funding per person that Camden does.

Council urges the new Government to usher in a new financial settlement for London that properly reflects the capital's changing landscape of need.

Council calls on the Leader to write to the new Chancellor of the Exchequer, the new Secretary of State for Communities and Local Government, and the Mayor of London, to make this positive case for Barnet's residents.

*Under Full Council Procedure Rule 23.5: if my item is not dealt with by the end of the meeting I ask that it be voted upon at the Council meeting.*
