The proposal would be contrary to Policies CS NPPF, CS1 and CS5 of the Local Plan Core Strategy (adopted September 2012), and Policy DM01 of the Development Management Policies DPD (adopted September 2012).

2. The proposed development would provide insufficient car parking on site to serve the proposed development meaning that there would be additional pressure for vehicles to park on street. As a result, the proposal would be likely to result in a harmful impact on highway and pedestrian safety and be detrimental to the free-flow of traffic, contrary to policy 6.13 of the London Plan and policies CS9 and CS15 of the Local Plan Core Strategy (adopted September 2012), and Policy DM17 of the Local Plan Development Management Policies DPD (adopted September 2012).
