## [Addendum to Appendix FBC Hendon Hub EqIA](#)

This Addendum modifies the Appendix FBC Hendon Hub EQIA, where and specifically it states the uses by the community of the Meritage Centre and the impact of relocations. This modification is to provide more detail in relation to the current occupancy of the Meritage Centre by the Hendon Scout Troop who prior to government restrictions were meeting one evening a week during term-time. This group will be engaged with at the earliest convenience to them and undergo a full needs-based assessment pertaining to the relocation and transition to a new space that will suit their needs. The relocations from the Meritage Centre will be provided close by, reducing any negative impact to young people and staff. Further to this, LBB will be in contact to support the Hendon Scouts Group and ensure that they are comfortable throughout the relocation process. Should temporary facilities be required, this will be managed with the service providers to ensure there is limited disruption.
