AGENDA ITEM 12

The Committee are requested to note the following wording in the 'issue identified' column which should replace that in the published agenda. The wording in the published agenda was incorrectly transposed from an earlier draft of the report. The amendments in paragraph 8.4 of Appendices N and M is correct.

In paragraph 8.4, it currently says CSG Procurement will undertake financial assessments for Procurements valued under the Find a Tender thresholds of £189,330 for goods and services and £4,733,252 for works. Under the Public Contract Regulations 2015 there is no requirement for financial assessments at these lower values with the aim being to encourage small and medium size enterprises to bid for public contracts.
