Planning policy section of all reports to be updated in relation to Local Plan as follows:

Barnet's Draft Local Plan on 26th November 2021 was submitted to the Planning Inspectorate for independent examination which will be carried out on behalf of the Secretary of State for the Department of Levelling Up, Housing and Communities. This is in accordance with Regulation 22 of the Town and Country Planning (Local Planning) (England) Regulations 2021 (as amended).

The Regulation 22 Local Plan sets out the Council's draft planning policy framework together with draft development proposals for 65 sites. The Local Plan 2012 remains the statutory development plan for Barnet until such stage as the replacement plan is adopted and as such applications should continue to be determined in accordance with the 2012 Local Plan, while noting that account needs to be taken of the policies and site proposals in the draft Local Plan and the stage that it has reached.
