12	Tony Allan	<p>Serious Violence Strategic Needs Assessment November 2023 report paints a very disturbing picture of crime in Barnet. In it the new council 'plans a safe,attractive neighbourhood and town centre. How does this square with having a new self contained Town centre within the centre of Edgware increasing the community by 50% and all within one third of the area?</p>	<p>It is not within the remit of the Safer Communities Partnership Board (SCPB) to comment on regeneration plans. The Strategic Needs Assessment (SNA) will inform the development of a local partnership strategy to tackle violence in the community, including town centres, neighbourhoods, and parks. Police 'Design Out Crime' teams continue to engage and support our regeneration colleagues.</p>
