### HEARINGS PROCEDURE

### AGENDA ITEM 3

#### *General points*

The following procedure is based on Regulations made by the Secretary of State under the Licensing Act 2003 (“the Hearings Regulations”) which may be viewed or downloaded from the website of the Department for Culture, Media and Sport by following links from [www.culture.gov.uk](http://www.culture.gov.uk)

The procedure is intended as a general framework to ensure natural justice and a fair hearing. The conduct of individual hearings may vary slightly according to circumstances and the discretion of the Chairman. In all cases, however, this general framework will be followed.

The procedure allows each party a maximum period of 5 minutes in which to present their case (Regulations 16 & 24). At the end of the time allowed, the Chairman will terminate the presentation and the hearing will proceed in the form of a discussion led by the authority to explore points of dispute. The discussion will not be timed.

The procedure is subject to periodic review and amendment to reflect best practice and relevant legislative changes. An updated version of this procedure is published as soon as possible following any such amendments.

The recording must be edited down to the highlights, containing only relevant matter which relates to the written representation previously submitted. ### NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

#### **Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:**

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

#### **Documents which demonstrate entitlement to work in the UK**

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

*Continued from previous page...*

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

#### **Home Office online right to work checking service**

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Dear Barnet Council,

I am writing to you to oppose the application of Papa John's pizza outlet to extend its opening hours with a premises licence.

I live in one of the flats above Papa John's and the additional noise and disturbance would have a great and bad effect on our family life.

We have two teenage daughters who need to go to bed early - by 10.30pm at the latest. They need to be up at 6.30am. My husband and I have to be up very early in the morning too and need to get a good night's sleep and be asleep by 11pm. In addition my husband works on Saturdays as well and sometimes Sundays.

If Papa John's is allowed to stay open until midnight Sunday to Thursday and until 0130 on Friday and Saturday we are very worried that there will be people hanging around at all hours, quite likely they will have been drinking and will be noisy. People come along, order a pizza, and then hang around while it is being made. They talk outside loudly. Sometimes they are playing loud music with their car windows open. Imagine this happening at midnight, or 0130 in the morning! How will we be able to sleep?

There is also a big problem with the enormous white lorry that brings supplies to Papa John's. Sometimes it comes when Papa John's is already shut. It's noisy. And sometimes the delivery man can't even turn off the alarm and the shop alarm goes on for 15 minutes minimum and it is very loud and wakes us all up. With the proposed later closing, there are going to be even more deliveries by this big lorry at anti-social hours.

We moved here one year ago because it is a friendly, mainly residential, area, with not many shops. Extending the opening hours of Papa John's will mean we might have to move. We pay our council tax and we deserve to have a reasonably quiet place to live. Papa John's has been making profits all these years here, so it doesn't need to stay open any longer to make money.

I don't understand why Barnet Council did not warn us about this application. There is just one notice in Papa John's window. And it was lucky that a neighbour saw it. Otherwise we wouldn't have known about it.

East End Road  
London N2  
23.9.2019

Dear Barnet Council Licensing Team,

I am writing to you to object to the plans to extend the opening hours of Papa John's pizza outlet at 150, East End Road, N2 0RY.

I, and my neighbours and people living across the road, believe this will be a public nuisance and will cause harm to children.

There will be more noise and disturbance affecting people living in the flats above the shops and across the road.

**NOISE:** By being open beyond 11pm, Papa John's will attract people who have been drinking late in pubs. People who have been drinking are most likely going to be noisier than earlier customers. They are likely to wait outside on the pavement for their food or - as sometimes happens now - wait around the side or the back of the flats. Loud talk and laughter from the street during daytime is one thing. But loud talk and laughter when people are trying to sleep is a big problem. Drivers also sometimes wait in their cars playing loud music on their stereos. This is likely to happen at highly anti-social hours. All of this is likely to disturb the sleep of hard-working residents, including school children, living in the flats above, most of whom have to get up very early. If school children cannot sleep properly, this will harm them.

**BACK DOOR SHUTTERS:** The back door shutters are noisy. They are normally closed at around 11.20 pm to 11.30pm. This loud noise can be heard in the flat above even though it had secondary glazing to reduce noise. Other neighbours who need to be asleep before 11pm say they find this noise very disturbing. If Papa John's stays open later residents will be subject to this noise well past midnight and are thus likely to be woken up by it.

**EXTRACTOR FAN:** The relatively new extractor fan at the back of the premises is noisy. It is only open during opening hours. Some neighbours who need to go to sleep before 11pm say it hampers their sleep. Under the proposed change, this noise would carry on for much longer and could affect people going to sleep before midnight, which is most people.

**DELIVERY LORRY:** There is a very large delivery lorry that parks on the main road. Normally it either delivers as the shop is closing up, or in the early hours. In the latter case, there have been numerous occasions when the delivery man has set off the very loud alarm at anti-social hours and does not know how to turn it off. This particularly affects people above sleeping in rooms overlooking the main road. Longer opening hours will mean more deliveries at anti-social hours.

**LITTER:** Longer opening hours is bound to lead to more littering by customers.

The above points are the main reasons why I oppose this application on the grounds of public nuisance and harm to children.

I look forward to your reply,

LETTER OF COMPLAINT RE PUBLIC NUISANCE OF LATE OPENING HOURS.

Carol and John Field  
[REDACTED] East End Road  
London N2 [REDACTED]  
22.09.19

Dear Sirs,

We live directly opposite Papa John's Takeaway Pizza behind the 143 Bus Stop known as the Ossulton Way stop.

We thoroughly oppose and object to the proposal by Papa John's for longer opening hours for the following reasons:-

This is a residential area and we are already affected by the noise that comes with late night deliveries for Papa John offloaded from noisy, screeching internal articulated pallets within a juggernaut larger than our flat. The deliverer has activated the shop alarm on more than one occasion, the last time being a couple of weeks ago when he was unable to switch it off and the alarm just kept going from 1 a.m. The continuous noise is unbearable and magnified by the fact that this IS a residential neighbourhood and there's little else going on externally!

Extending opening hours will mean more rubbish for us to collect. People waiting for late night buses already leave half eaten pizzas in boxes either on the seats within the bus stop or on the pavement or in our front or side garden.

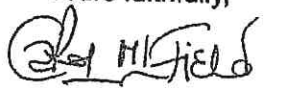

Unsurprisingly, this encourages rodents so we are having to clear up as soon as possible.

The extension will not be for the benefit of the surrounding residents. It will encourage people exiting pubs and clubs to come for fast food to this location and we will suffer more than we already do. Looking out of my sitting room window I am often treated to the sight of vomiting or urinating ,intoxicated people waiting at the bus stop late at night waiting for the bus.

Papa John has many profit making outlets which they can use to benefit from late opening hours. But this one is rather oddly positioned in a road with a few local shops and as already stated is mainly residential.

Please do not allow this extension as it will affect everyone in the vicinity in a most detrimental way.

Yours faithfully,

  
Carol and Jon Field

12<sup>th</sup> September 2019

Dear London Borough of Barnet, Licensing Team

**Re: OBJECTION PUBLIC NUISANCE to Papa John's Pizza "Late night refreshment license"**

As residents living in the vicinity of Papa John's Pizza at 152 East End Road (we live two doors away in the flats above the shop), we are writing with our objections to their application for a late-night licence and proposed extended opening hours. We are greatly concerned that if the proposal goes ahead, it will have significant detrimental effects on the environment and the local community. This is a matter of concern which affects us and other residents in the area.

Our grounds for objection are as follows:

**Noise pollution**

Customers visiting the Papa John's pizzeria don't seem to have any consideration that they are visiting a residential area and often voices are raised late at night. This causes a disturbance and will be even more disruptive to people's sleep patterns if the shop is allowed to open until midnight, 1:30am and even worse 3:00am. Most of us are working people or school pupils and need a decent amount of rest/sleep. Additionally, Kevin Grayson (resident at this address) is a renal patient who has serious health problems. He is on a home dialysis scheme and his treatment, which occurs four days a week, is lengthy and intense. He often feels exhausted and completely washed out when he is finished. Kevin especially needs rest/sleep to recover from each of these treatments and certainly doesn't want to be disturbed by noise generated by Papa John's at all hours.

There is also the noise created by the delivery drivers' mopeds. They are constantly revving their engines and speeding off throughout the times that Papa John's is open. If the opening hours are extended and the same behaviour is taking place between 11pm and 3am, this level of noise will be unbearable and totally unacceptable. In addition, the staff at Papa John's are continually talking and laughing at an increased volume outside the front and back of the shop (in the service road) throughout their opening hours. Once again, this will only get worse if the opening hours are extended.

There is currently a large lorry that makes deliveries to the shop after 11pm. This generates a lot of noise, in particular the squealing of brakes and a loud whirring noise when they raise and lower the back platform to unload the food. I understand that this can only take place outside of the shop's opening hours, however, if the shop's opening hours are extended, this will mean that the delivery will then have to take place after 1:30am or worse still at 3:00am, creating even more of a disturbance at an unacceptable time.

When the staff at Papa John's shut up shop and close the shutter at the back, there is a loud clattering noise which often wakes us up at around 11:15pm if we have an earlyish night. It will be totally unacceptable if they are doing the same thing at midnight, 1:30am or 3am. Sleep deprivation will be detrimental to our livelihoods and education, as well as our mental and physical well-being.

#### **An increase in the level of rubbish and refuse**

There has been an increased amount of rubbish outside the shops since Papa John's has opened. The staff who work there cannot be bothered to clear the rubbish from the forecourt of the shop and it collects in the gutters, only to be compressed and ground into the tarmac by the tyres of cars parking in the slip road.

I also happen to know that the people living on the opposite side of East End Road at ~~Carol and John Bellingham~~, are constantly having to clear pizza boxes from their front garden, an annoyance which will hopefully prompt them to raise their own objections to the proposals.

There are often piles of rubbish out the back in the service road, including towers of green crates with residue of unbaked pizza dough on them. This type of open refuse only encourages rats and other vermin to ransack the bins overnight. This is not a problem we encountered very often before Papa John's opened and I can only see it getting worse if the shop opens longer hours as there can only be extra rubbish resulting from the extra trade.

#### **Anti-social behaviour of clientele**

Papa John's has a tendency to attract undesirable people to the area. In addition to the noise created by these people, they also have a tendency to display anti-social behaviour. There have been a number of occasions recently when I have walked down the steps that lead to our flats and people have been sitting on them, particularly two alcoholics who were drinking alcohol from a bottle concealed in a brown paper bag and eating fast food, which appeared to be from Papa John's. We have been living here for 24 years and this certainly didn't happen before Papa John's opened. As mentioned, there are people with young families living here, who definitely don't need to be exposed to this kind of thing. If the proposed extended opening hours are allowed, then this problem will only get worse as the shop will then be open to serve pub leavers and late-night drinkers.

In conclusion, these proposed extended opening hours may be fine for a busy high street but they are totally unacceptable for a shop in the heart of a residential area, where families and children are living. Allowing companies like Papa John's to extend their trading hours and maximise their profits at the expense of the neighbourhood will be a grave injustice for

the East Finchley community as a whole and for our local close knit community on the outskirts of Hampstead Garden Suburb, itself a conservation area. If allowed, the resulting disturbances, which can only be classed as a public nuisance, will be detrimental to our community.

It is your responsibility to uphold, maintain and protect the wishes of loyal residents and I hope, with this in mind, you see fit to reject the proposal for Papa John's to extend their opening hours.

Yours sincerely,

Tuesday 24th September 2019

To whom it may concern,

Please accept this letter as an objection against the proposed Extended Opening hours of Papa Johns Pizza at 152 East End Road, London N2 0RY.

Please note that I am objecting on grounds of Public Nuisance.

Firstly, the proposed extended hours will undoubtedly increase **Noise Pollution**. The clientele that would be using these services at those hours will have most likely been in bars and pubs, and therefore have little consideration for the residential area that we live in. We live two doors along from the commercial premises, and already with the current opening hours we have experienced drunk and disorderly public behaviour from customers of Papa Johns. The extended hours would only exasperate that behaviour. We have two young children and this behaviour can be extremely disruptive during late night hours.

Furthermore there is the noise of the delivery driver mopeds and the closing down of the premises; the shutters are extremely loud and disruptive. In addition to this the delivery trucks already deliver goods at very early hours, and this is a great concern that between closing of the premises and early morning deliveries that will be less than 4-5 hours without noise pollution in the area from Papa Johns.

The area is predominantly a residential area with a handful of commercial premises in the locality. All other commercial premises are businesses that respect and value the residential nature of the neighbourhood.

Secondly, with extended opening hours and expected clientele that have been drinking in bars in the area, this will bring an extra amount of refuse and rubbish to our immediate area. The access to our property is via external stairs, to the side of the commercial premises. It is often that pizza boxes are found as well as beer cans, cigarette stubbings and other alcoholic beverage containers that Papa Johns customers have consumed whilst using our external

staircase as place to eat their pizzas. Again, this can be intimidating to either return home or want to leave the house and have to navigate through Papa Johns customers on our only access point to our property.

We feel lucky to live in an area that truly has a sense of community, but the extended hours of Papa Johns will likely bring anti-social behaviour to the area with the proposed extended hours. This we strongly believe will have a detrimental effect to the quality of life for us and the other residents in the immediate neighbourhood. The area is not a main high street and therefore we strongly believe that the extended proposed hours are completely unnecessary and unacceptable for the quiet residential area that we live in.

Thank you for your time in reading our objection, and we very much look forward to hearing from you.

Yours faithfully,

**Re: PAPA JOHN'S PIZZA – 152 EAST END ROAD, LONDON, N2 0RY**

I write with regard to the above application and would like you to note my objection to this application. I live opposite this property and feel that to have the times extended would cause excessive noise, people hanging around outside the shop, noise from bikes and cars delivering pizzas. Also on top of this I have already made a complaint about the constant alarm going off in the early hours of the morning, normally caused by delivery drivers attempting to deliver goods to the property.

I also feel that it's a shame that we have had to find out about this application via Facebook as no letters were received via the postal service. There are a lot of residents along East End Road who would oppose this application but have not been notified. I thought it was law that residents had to be notified of applications.....

Please ensure that my objection is put forward to the relevant department.

Yours faithfully,

Dyan King
