### **Summary**

Further to the decision taken by the Council on 3 March 2020 to transfer the administration of the Barnet Pension Fund from Capita to the West Yorkshire Pension Fund (WYPF). This paper updates the Board on progress against the transition plan.

### Recommendations

The Local Pension Board is asked to note progress against the plan.

#### 1. WHY THIS REPORT IS NEEDED

- 1.1 Further to the decision by the Council on 3 March 2020 to transfer the administration of the Barnet Pension Fund from Capita to the West Yorkshire Pension fund (under a Section 101 delegation to Bradford City Council (CBMDC)). This report updates the Board on progress with the transition.
- 1.2 The Project Board last met on 21 October, and the highlight report presented to the board is attached at Appendix 1.
- 1.3 As the highlight report notes, good progress was being made across all workstreams. No new risks were reported.
- 1.4 Since this last report, member/payroll data and work-in-progress has been transferred from Capita to WYPF, and they took over pensions administration duties with effect from 1 November as planned. The first pensioner payroll is due to run w/c 9 November.
- 1.5 Project managers from the Council, WYPF and Capita continue to meet weekly with the Project Director to ensure that the remaining transition tasks identified across the two project workstreams that remain live (Finance and Data Transition) are actioned in a timely manner.
- 1.6 Officers from the Council will be holding their second post-transition planning meeting with WYPF on 18 November to discuss "work-in-progress" handover priorities for the coming weeks. This will cover areas such as:
  - Data cleansing/updating: incomplete leaver information, incomplete starter information, missing pay data;
  - Incorrect Pensionable Pay reissuing ABS;
  - Deferred member records ABS for 2020 and 2021 planning
  - WIP backlog priorities and timelines
  - Reviewing for potential duplicate records active, deferred and pensioner
  - Resourcing and allocation of tasks
  - Lines of communication and working practices between the Council and WYPF

### 2. REASONS FOR RECOMMENDATIONS

2.1 Not applicable in the context of this report.

### 3. ALTERNATIVE OPTIONS CONSIDERED AND NOT RECOMMENDED

3.1 Not applicable in the context of this report.

### 4. POST DECISION IMPLEMENTATION

4.1 Officers will continue to monitor the progress of the transition and report back to the Board.

### 5. IMPLICATIONS OF DECISION

### 5.1 Corporate Priorities and Performance

5.1.1 The Local Pension Board supports the delivery of the Council's strategic objectives and priorities as expressed through the Corporate Plan, by assisting in maintaining the integrity of the pension Fund by monitoring the administration and compliance of the Fund.

## 5.2 Resources (Finance & Value for Money, Procurement, Staffing, IT, Property, Sustainability)

5.2.1 The costs of transition will be met by the Barnet Pension Fund. These are limited to a small contribution to costs incurred by WYPF – all other costs are being met from existing resources by the relevant parties. The Pension Fund has also agreed to meet any redundancy costs that might arise from the TUPE of staff from Capita to WYPF.

#### 5.3 Social Value

5.3.1 Not applicable in the context of this report.

### 5.4 Legal and Constitutional References

- 5.4.1 The LGPS Regulations 2013 place responsibility for the local administration of pensions and other benefits under these Regulations on the administering authority, which is the London Borough of Barnet. The Local Government (Amendment) (Governance) Pension Scheme Regulations 2015 inserts regulation 106 into the Local Government Pension Scheme Regulations 2013 which requires the Council to establish a Pension Board, whose role is to assist the Council in securing compliance with legislation, regulation and best practice, including as set out in the Pension Regulator's Code of Practice to ensure the effective and efficient governance and administration of the Scheme and any connected scheme.
- 5.4.2 The scope of the role of the Pensions Board is set out in full in the Board's Terms of Reference. In summary the role is to assist:
- o securing compliance with LGPS Government regulations and any other legislation relating to the governance and administration of the LGPS
- o securing compliance with the requirements imposed in relation to the PGPS by the Pensions Regulator.
- o such other matters as the LGPS regulations may specify

- ensure the effective and efficient governance and administration of the LGPS for the LBB Pension Fund.
- ensure the Pension Fund's strategy and policy documents are in place and have been maintained in accordance with the LGPS Regulations. These documents are: the communications policy statement; funding strategy statement; governance compliance statement; statement of investment principles; and the Pension Fund annual report and accounts.
- ensure the Pension Fund's internal Risk Register is in place and reviewed at least annually.
- review the Pension Fund's performance in complying with the requirements of the LGPS Regulations and any other legislation relating to the governance and administration of the LGPS.
- review the Pension Fund's performance in complying with the requirements of the Pension Regulator.
- annually submit a proposed work plan for the forthcoming financial year to the Pension Fund Committee.
- carry out any other activities relating to the efficient governance and administration of the Pension Fund.
- submit an annual budget to the Barnet Pension Fund Committee for approval.

### 5.5 Risk Management

5.5.1 Risk management is central to the LGPS. LGPS pension funds are in themselves risk management tools, managing the risk that future employer income streams will be able to meet future pensions liabilities by creating a reserve from which future liabilities will be met. Good governance is essential to managing the risks of the pension fund. This project forms part of that good governance.

### 5.6 **Equalities and Diversity**

5.6.1 Pursuant to the Equality Act 2010, the Council is under an obligation to have due regard to 1) eliminating unlawful discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Act; 2) advancing equality of opportunity between persons who share a relevant 'protected characteristic' and those who do not share it; and 3) fostering good relations between persons who share a relevant 'protected characteristic' and persons who do not share it. The 'protected characteristics' are: age, disability, gender reassignment, pregnancy, and maternity, race, religion or belief, sex and sexual orientation. The Council also has regard to the additional protected characteristic of marriage and civil partnership even though this does not apply to parts 2) and 3) (above) of the public-sector equality duty.

5.6.2 The rules governing admission to and participation in the Pension Fund are in keeping with the public-sector equality duty. The Public Sector Equality Duty requires public authorities in carrying out their functions, to have due regard to the need to achieve the objectives set out under s149 of the Equality Act 2010. Good governance arrangements will benefit everyone who contributes to the fund.

### **Summary**

The Pensions Administration Risk Register is a standing agenda item for the Local Pension Board.

### Recommendations

That the Local Pension Board are requested to note the most recent risk register

### 1. WHY THIS REPORT IS NEEDED

- 1.1 It is important that the Council maintain the Pensions Administration Risk Register to help protect members of the LGPS.
- 1.2 The most recent Pensions Administration Risk Register can be found in Appendix A.
- 1.3 The risk register has been updated to take into account to transfer of administration to the West Yorkshire Pension Fund (WYPF) from 1 November 2020.
- 1.4 Updates on other risks are as follows:
- 1.4.1 PB002 An employer forum was held on 24 September 2020, with both the actuary and WYPF in attendance. WYPF provided an update on the importance of correct and timely submission of data and subsequently in October 2020, WYPF ran employer sessions on both the processes for monthly contribution returns (which includes providing new joiners and updates to member records) and WYPF expectations for employers.

Officers will request that updated Common and Conditional tests are undertaken by WYPF to provide information on the quality of the fund data. The results will lead to an action plan being agreed between Officers and WYPF to eliminate any discrepancies. An update will be provided to the Board at the next meeting in February 2021.

Officers will review with WYPF that appropriate checks and controls to ensure checking and authorisations of system amendments to Civica (the WYPF administration system) are in place.

The risk score remains at 10 whilst WYPF analyse and report back on the quality of the data and the data scores,

1.4.2 **PB005** – From 1 November, employers will pay their monthly contribution payments into a bank account set up by LBB, with WYPF being sent the contribution schedules. Previously, both payment and schedules were sent to Capita. The new process should ensure that Officers can liaise with employers at an earlier stage, so that the correct contributions are paid and on time.

The risk score remains at 4, although we would anticipate once the new process for collection of contributions has been embedded, the risk score may reduce.

1.4.3 **PB010** – Issues with annual benefit statements have meant that the Capita have been delayed in providing the data to the actuary to continue work on admission agreements, cessation valuations and bond guarantees. The aim is to get this work completed by the end of the year. The Pension Fund Committee have been updated on this issue.

The risk score remains at 6, although once the historic employers has been completed by Capita, the process with WYPF may mean a reduction in this score.

1.4.4 **PB013** – this risk has been updated to include negative member experience from negative media exposure regarding the fund.

The risk score remains at 8, but may reduce following the transfer of ministration to WYPF.

1.4.5 PB014 – this risk focuses on the change of administrator. Although Officers will monitor the performance of WYPF going forward, as this change has been now implemented, the risk will no longer be included on future risk registers.

The risk score remains at 10, whilst the transition to WYPF completes and WYPF continue to action the issues passed from Capita. In the future, as Officers monitor WYPF performance, this risk will reduce and eventually cease.

### 2. REASONS FOR RECOMMENDATIONS

2.1 Management of risk is critical to avoiding unfavourable outcomes.

### 3. ALTERNATIVE OPTIONS CONSIDERED AND NOT RECOMMENDED

3.1 Not applicable in the context of this report.

### 4. POST DECISION IMPLEMENTATION

4.1 Not applicable in the context of this report.

### 5. IMPLICATIONS OF DECISION

### 5.1 Corporate Priorities and Performance

- 5.1.1 The Local Pension Board supports delivery of Council's strategic objectives and priorities as expressed through the Corporate Plan (Barnet 2024) by assisting in maintaining the integrity of the Pension Fund by monitoring the administration and compliance of the Fund.
- 5.2 Resources (Finance & Value for Money, Procurement, Staffing, IT, Property, Sustainability)
- 5.2.1 Risks that are not mitigated or managed can have a financial penalty to the Scheme.

### 5.3 Social Value

5.3.1 Not applicable in the context of this report.

### 5.4 Legal and Constitutional References

- 5.4.1 The LGPS Regulations 2013 place responsibility for the local administration of pensions and other benefits under these Regulations on the administering authority, which is LB Barnet. The Local Government Pension Scheme (Amendment) (Governance) Regulations 2015 inserts regulation 106 into the Local Government Pension Scheme Regulations 2013 which requires the Council to establish a Pension Board, whose role is to assist the Council in securing compliance with legislation, regulation and best practice, including as set out in the Pension Regulator's Code of Practice to ensure the effective and efficient governance and administration of the Scheme and any connected scheme.
- 5.4.2 According to the Best Value Authorities Staff Transfers (Pensions) Direction 2007 where the council enters into a contract for services with a provider the provider is required to provide equivalent pension protection in respect of employees that have transferred to the provider under the TUPE Regulations. Such Pension Protection includes either the same rights and benefits as under the LGPS or broadly similar rights and benefits. Similar protection is provided in respect of employees of Academies under the Fair Deal Guidance 2013. A common way of securing this protection is via an admission agreement whereby the provider becomes and admitted body to the LGPS.
- 5.4.3 The Risk Register is a tool that assists the Board in ensuring that the Scheme has a mechanism in place to identify and review at least annually, the pension scheme administration risks
- 5.4.4 Under the terms of reference for the Local Pension Board, the role of the Board is to assist with:
  - compliance with LGPS Government regulations;
  - compliance with the requirements imposed by the Pensions Regulator.
  - such other matters as the LGPS regulations may specify ensure the effective and efficient governance and administration
  - ensure the Pension Fund's strategy and policy documents are maintained in accordance with the LGPS Regulations.
  - ensure the Pension Fund's internal Risk Register is reviewed at least annually.
  - review the Pension Fund's performance in complying with the requirements of the LGPS Regulations

### 5.5 Risk Management

5.5.1 Risk management is central to the LGPS. LGPS pension funds are in themselves risk management tools, managing the risk that future employer

income streams will be able to meet future pensions liabilities by creating a reserve from which future liabilities will be met. Good governance is essential to managing the risks of the pension fund.

### 5.6 Equalities and Diversity

- 5.6.1 Pursuant to the Equalities Act 2010, the Council is under an obligation to have due regard to eliminating unlawful discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Act; advancing equality of opportunity between persons who share a relevant 'protected characteristic' and those who do not share it; and fostering good relations between persons who share a relevant 'protected characteristic' and persons who do not share it. The 'protected characteristics' are: age, disability, gender reassignment, pregnancy, and maternity, race, religion or belief, sex and sexual orientation, marriage and civil partnership.
- 5.6.2 The rules governing admission to and participation in the Pension Fund are in keeping with the public sector equality duty. The Public Sector Equality Duty requires public authorities in carrying out their functions, to have due regard to the need to achieve the objectives set out under s149 of the Equality Act 2010.
