The procedure is intended as a general framework to ensure natural justice and a fair hearing. The conduct of individual hearings may vary slightly according to circumstances and the discretion of the Chairman. In all cases, however, this general framework will be followed.

The procedure allows each party a maximum period of 5 minutes in which to present their case (Regulations 16 & 24). At the end of the time allowed, the Chairman will terminate the presentation and the hearing will proceed in the form of a discussion led by the authority to explore points of dispute. The discussion will not be timed.

The procedure is subject to periodic review and amendment to reflect best practice and relevant legislative changes. An updated version of this procedure is published as soon as possible following any such amendments.

Chairman asks Applicant what he disputes in other parties' submissions, and asks other parties to comment.

Chairman proceeds through all objectors dealing with all matters of contention.

When Chairman feels all matters have been thoroughly discussed and all parties have been given a fair and equal opportunity to comment and make representations, she/he closes discussion.

Determination

There are two procedures depending on whether or not determination is to be made at the end of the Hearing or within five working days of the Hearing. This later announcement of determination is permitted in terms of the Legislation for certain types of applications.

Chairman informs all present that the Committee will deliberate, that Legal and Governance Officer will remain to advise but will not be part of decision-making process, and that all others must leave (under Regulation 14).

- During deliberations, Legal and Governance Officers remain to advise on law and procedure as required. The Legal Officer may assist, as required, in formulating the wording of the determination. The Licensing Officer plays no part in the determination and withdraws for this part of the proceedings.
- Chairman advises all parties that they will receive written notification of the determination within five working days of the Hearing date, together with general information on how to appeal against the determination.

4. Representations

The Licensing Team have received 4 valid representation from local residents. The Residents representation relates to all four of the licensing objectives in respect of the hours applied for.

We have also been in communication with the agent during the consultation period for the application, to inform them of the residents objections. We did not receive a response to these emails until the representation period was over.

The representation and emails of support can be seen attached to this report in **Annex 3**.

5. Licensing Policy and Guidance Notes.

In retaliation to the Amended guidance issued under section 182 of the Licensing Act section 9.34 In determining the application with a view to promoting the licensing objectives in the overall interests of the local community, the licensing authority must give appropriate weight to:

- the steps that are appropriate to promote the licensing objectives.
- the representations (including supporting information) presented by all the parties.
- the Guidance of the licensing Act 2003.
- its own statement of licensing policy.

The London Borough of Barnet policy states.

Barnet licensing policy states the following:

5.1 When exercising its licensing functions, the Licensing Authority will not be influenced by the question of need. The question of whether or not there is a need for any particular premises is a commercial matter which is not relevant to the Licensing Authority's considerations. The issue of need may be a matter for planning consideration or for the market to decide and does not form part of this licensing policy statement.

6. Attaching conditions

The operating schedule, which is part of the application, includes certain additional steps that the applicant will take to protect the licensing objectives. These will become enforceable conditions, should the licence be granted. Additional conditions may be attached to the licence if the committee thinks it appropriate.

The Committee must have regard to all of the representations made and the evidence it hears, and is asked to note that it may not attach conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must actually be appropriate in order to promote the licensing objectives.

In relation to conditions, the statutory guidance at chapter 10.8 states that "The licensing authority may not impose any conditions unless its discretion has been engaged following receipt of relevant representations and it is satisfied as a result of a hearing (unless all parties agree a hearing is not necessary) that it is appropriate to impose conditions to promote one or more of the four licensing objectives.

Full Copies of the Councils Statement of Licensing Policy, the Statutory Guidance to the Act and the Council's Guide to Good Practice at Licensed Premises will be available at the Licensing Sub Committee hearing or in advance if required.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].
- An expired or current passport or national identity card showing the holder, or a person named in the passport as the child of the holder, is a national of a European Economic Area country or Switzerland.
- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A **current** passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A **current** Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A **current** passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A **current** Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A **current** Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A **current** Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity **when produced in combination with** an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
 - evidence of the applicant's own identity – such as a passport,
 - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
 - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
 - (i) working e.g. employment contract, wage slips, letter from the employer,
 - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
 - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
 - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Subject: Representation/Objection of King Street Food & Wine

Dear Sir/Madam,

I am writing in regards of the application for a premises licence for Mr Emra BORA for King Street Food & Wine located on 42 Church Lane, London N2 8DT.

I would kindly like to make a representation/objection due to the overprovision and prevention of public nuisance to the East Finchley community. I, Mrs Sivatharsiny Ramesh, is currently an owner of a small off licence business called Apiavi Store located on XXX long lane, east Finchley N2 XXX. The premises applying for the licence is located thirty seconds away from my convenience store. Me and the general public including the neighbours on king street do not require another off-licence store situated extremely close to Apiavi Store and Longlane supermarket. Due to 42 Church Lane being opposite the Pub The windsor Castle, the public community does not want another store causing disturbance to the peaceful neighbourhood. It is unsuitable for other premises to be selling alcohol due to the massive, constantly busy pub and the stores situated on the road. The safety of the public is important as a Pub and my small business is already maximum capacity for selling alcohol.

Another Off-Licence will increase tension in the community and the noises of the pub and a store will be unacceptable from me and the public. As a small business who is struggling through Covid-19, my store and restaurants situated on my road will be affected hugely including the Pub. The crimes have recently decreased in my area and with another premises, this will unfortunately change due to the location. You can see from the location that it is not appropriate to add another store. As the public supports the already present and struggling stores, they do not see a reason for another.

I have attached the objectors with their name, address and signature from the public with many more adding their details. Neighbours on the king street have signed the petition form and many are coming to sign. However due to the blue slip not placed on the window sooner and the Barnet website not being up to date I had an extremely short amount of time.

You will be hearing from the public very soon through their own independent representation.

I hope you understand the unsuitability for this application and it can be rejected.

Kind Regards,
Mrs Sivatharsiny Ramesh

Hi Zekiel,

An off-license that is open till 11pm will attract miscreants that will disrupt the peace and quiet of the area as there will be more drunk people on the streets causing anti-social behaviour.

This in-turn will affect the public's safety as we would not feel safe to walk the street knowing there might be drunk people around causing anti-social behaviour.

There are already enough drunk people disrupting people's peace and quiet using portable speakers and blaring loud music on the move, this will increase. As will the litter with empty drink cans and cigarette butts, etc.

This would obviously affect the children from the neighbourhood morally and psychologically as they will grow up watching these people around their streets.

Thanks,

Rudro

To whom this may concern,

I would like to oppose the proposed application for Kings street food and wine, 42 church lane N28DT.

There're enough shops selling alcohol in the vicinity and it will impact our peace and quiet if a licensed premises is added till 11 pm.

I would like you to consider declining this application.

The Church Lane/King St area has been a quiet neighbourhood in the five years that I have lived here but crime is rising noticeably and anti social behaviour is becoming more and more common. Recently we have had car thefts, car vandalism and break ins, home break ins, drugs and muggings within the radius of the proposed site. The presence of an off license will only serve to make all of this worse.

Subject: EMRE BORA for a Premises Licence Certificate under the Licensing Act 2003 at 42 Church Lane N2 8DT.

Dear Barnet Council,

I am writing to object to the application by EMRE BORA for a Premises Licence Certificate under the Licensing Act 2003 at 42 Church Lane N2 8DT.

Firstly and importantly the E-mail address on the poster seems to be incorrect, therefore any communication from local residents will not be received and taken into account by Barnet Council. (see attached image)

Can you confirm that Barnet Council are receiving E-mails on the E-mail address written on the poster?

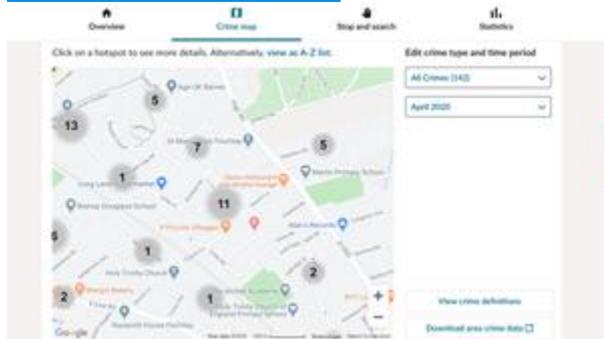

If Barnet has not been receiving communication on the advertised E-mail it seems that a new poster should go up and another 28 days notice should be given.

The grounds of my objection are as follows:

1. I am concerned for my own and neighbours safety with alcohol being served so late on a quiet and dark street corner, which is already a hot spot for crime. Crime in east Finchley is already up by approximately 50% in comparison to the same time last year. (<https://www.police.uk/pu/your-area/metropolitan-police-service/east-finchley/?tab=Overview>) The connection between crime rates and areas serving alcohol have been well documented. Our local community are trying to prevent crime, e.g. the teenage muggings happening very often along our roads.

The Church Lane and King Street area is already a hotbed of crime which can be seen on Police website, for example in March 2020 11 crime reports were made in the intersection of these two roads including 7 anti-social behaviour orders. An unusually high number for the area, highlighting this area is already a danger to local residents. (see image and link)

<https://www.police.uk/pu/your-area/metropolitan-police-service/east-finchley/?tab=CrimeMap>

2. The application for the Premises Licence Certificate states that the sale of alcohol would be permitted between 07:00 - 23:00 Monday to Sunday. I'm concerned about the sale of alcohol in such close proximity to the students/children at St Martins and other local schools.

3. I'm concerned about increased noise in the area as well as public safety which could be compromised as a result of the sale of alcohol at such late hours. This is a quiet residential area with families and older residents.

4. I purchased my property, also above an A1/shop just a few doors down, in the knowledge that these shops would not become late night establishments, betting shops or serve alcohol. This was on the lease from the freeholder (The Labour Party). I am concerned that the opening of this late night establishment could have a knock on effect

to mine and other properties in the area. Making our homes not suitable for family living due to noise and disturbance and making them impossible to sell if we try and move.

Please let me know the result of this Premises Licence Certificate application and confirm the extension of the notice period so I can alert neighbours to get in touch again.

Many thanks,

Alex Ingram
