AGENDA ITEM 4

General points

The following procedure is based on Regulations made by the Secretary of State under the Licensing Act 2003 (“the Hearings Regulations”) which may be viewed or downloaded from the website of the Department for Culture, Media and Sport by following links from www.culture.gov.uk

The procedure is intended as a general framework to ensure natural justice and a fair hearing. The conduct of individual hearings may vary slightly according to circumstances and the discretion of the Chairman. In all cases, however, this general framework will be followed.

The procedure allows each party a maximum period of 5 minutes in which to present their case (Regulations 16 & 24). At the end of the time allowed, the Chairman will terminate the presentation and the hearing will proceed in the form of a discussion led by the authority to explore points of dispute. The discussion will not be timed.

The procedure is subject to periodic review and amendment to reflect best practice and relevant legislative changes. An updated version of this procedure is published as soon as possible following any such amendments.

Any party wishing to use video evidence must submit a copy to the Authority along with sufficient, identical extra copies to serve on all the opposing parties – i.e. if the applicant is submitting it, there must be enough copies for all parties making representations and if a party making representations is submitting it there must be a copy for the applicant. The recording must be edited down to the highlights, containing only relevant matter which relates to the written representation previously submitted. In addition, a description of how, when and where the video was recorded and what it contains must be submitted. These must be supplied to the Authority at least five working days before the hearing.

Members question Licensing Officer on Policy

Discussion

Chairman leads a discussion concentrating on points of dispute:

Chairman asks Applicant what he disputes in other parties' submissions, and asks other parties to comment.

Chairman proceeds through all objectors dealing with all matters of contention.

When Chairman feels all matters have been thoroughly discussed and all parties have been given a fair and equal opportunity to comment and make representations, she/he closes discussion.

Determination

There are two procedures depending on whether or not determination is to be made at the end of the Hearing or within five working days of the Hearing. This later announcement of determination is permitted in terms of the Legislation for certain types of applications.

Chairman informs all present that the Committee will deliberate, that Legal and Governance Officer will remain to advise but will not be part of decision-making process, and that all others must leave (under Regulation 14).

- Parties, apart from Legal and Governance Officer, leave the room.
- The Committee deliberates, with advice as required from Legal and Governance Officer, and reaches a conclusion. The Legal officer may assist, as required, in formulating the wording of the determination.
- Parties return.

- Chairman reads out determination, and advises it will be sent in writing to all parties.
- Opportunity for determination to be clarified by any interested party who is unclear.
- Chairman gives advice about appealing against the determination.
- Chairman thanks all for attending and closes the meeting.

...Within five working days of the hearing

- Chairman explains requirement to determine the Hearing within five working days, and advises that the Committee will proceed to deliberate and announce the determination within that time.
- During deliberations, Legal and Governance Officers remain to advise on law and procedure as required. The Legal Officer may assist, as required, in formulating the wording of the determination. The Licensing Officer plays no part in the determination and withdraws for this part of the proceedings.
- Chairman advises all parties that they will receive written notification of the determination within five working days of the Hearing date, together with general information on how to appeal against the determination.
- Chairman thanks all parties for attending and invites the applicant, objector(s), other party(ies) and the Licensing Officer to leave.

The Court may either dismiss the appeal, substitute for the decision appealed against any other decision which could have been made by the Licensing Authority or remit the case to the Licensing Authority to dispose of it in accordance with the directions of the court, and can make such order as to costs as it thinks fit.

The Licensing Team have received one valid representation from a member of the public. The representation relates to a number of the licensing objectives in terms of public safety and prevention of public nuisance.

The representation also makes mention that there are other licensed premises in the vicinity. The Licensing Sub-Committee are reminded that the application should be determined under its own merit.

The representation also alludes to parking concerns, which is not something that the Licensing Sub-Committee can consider in terms of this application.

In addition to the representation, during the consultation period the applicant and Police agreed upon conditions which, should the licence be deemed granted by the Licensing Sub-Committee, will be attached to the premises licence.

The agreement with the Police can be seen attached to this report in **Annex 2** and the representation can be seen in **Annex 3**.

4. Attaching conditions

The operating schedule, which is part of the application, includes certain additional steps that the applicant will take to protect the licensing objectives. These will become enforceable conditions, should the licence be granted. Additional conditions may be attached to the licence if the committee thinks it appropriate.

The Committee must have regard to all of the representations made and the evidence it hears, and is asked to note that it may not attach conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must actually be appropriate in order to promote the licensing objectives.

In relation to conditions, the statutory guidance at chapter 10.8 states that “The licensing authority may not impose any conditions unless its discretion has been engaged following receipt of relevant representations and it is satisfied as a result of a hearing (unless all parties agree a hearing is not necessary) that it is appropriate to impose conditions to promote one or more of the four licensing objectives.

Full Copies of the Councils Statement of Licensing Policy, the Statutory Guidance to the Act and the Council’s Guide to Good Practice at Licensed Premises will be available at the Licensing Sub Committee hearing or in advance if required.

15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:

- (i) any page containing the holder’s personal details including nationality;
- (ii) any page containing the holder’s photograph;
- (iii) any page containing the holder’s signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant’s date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant’s right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Good Afternoon,

We have just received your application Way 2 Save 254 - 258 West Hendon Broadway NW9 6AG. I have put together a list of conditions I feel are suitable to assist in promoting the licensing objectives:

1. Digital recording colour CCTV comprising of a multi camera system
 - a) The head unit (recorder) for storing the images will store such data on a hard drive or a similar quality medium
 - b) If the head unit (recorder) is kept on the premises it must be located in a secure cabinet or other secure area, preferably out of the sight and reach of the public.
 - c) A CD, DVD burner or USB type device will also form part of the system to facilitate making copies of the footage

 - e) Cameras will cover key areas identified by the operator and Police. These will include clear headshots of persons entering the shop area, the till area and areas where alcohol are displayed for sale
 - f) Images must be retained for a minimum period of 30 days before overwriting

g) The images will be made available in reasonable time on demand by the Police and authorised officers of the London Borough of Barnet.

h) At all times when the premises are open there shall be at least one person who is capable of operating the CCTV system if required to do so by the Police or authorised officers of the London Borough of Barnet

i) This system will be fully maintained at all times to ensure correct operation

2. A refusals / incidents register shall be maintained at the premises recording

a) All known incidents of crime and disorder occurring at the premises with dates and times

b) Details of occasions when the emergency services are called to the premises

c) All refusals of alcohol sales and ejections from the premises.

d) This register will be available for inspection by a police officer or other authorised officer on request

3. The premises shall operate a challenge 25 policy. Anyone attempting to purchase alcohol who appears under the age of 25 years shall be required to produce valid photo ID (such as a photo card driving licence, passport or PASS accredited age verification card) to prove they are 18 years or older. Failure to produce acceptable ID shall result in a refusal of the sale. This refusal shall be documented in the refusals / incident log.

4. Any spirits sold on the premises will be kept behind the counter

5. A 'please leave the premises quietly' notice will be displayed at the premises

In our experience alcohol sold in quantities of 1-2 are often consumed on the street, not taken home. A condition around the products often abused by habitual alcoholics is something we have been steadily introducing for the last few years now and the response has been quite positive. As most licence holders want to be responsible and help curb the problems associated with excess consumption of cheap alcohol we have seen a steady uptake of a voluntary condition relating to these products. While a call on police may not be made directly to the shop who sold the alcohol, plenty of police resources are called to other locations to clear up the aftermath away from the venue. Putting these products within a higher price bracket (i.e. buying in X4) or removing the high ABV from sale has proved to be effective.

Could you kindly ask your client if they could consider adopting ONE of the following as number 6:

- *The premises will not sell any beer, lager or cider that exceeds the strength of 6.5% ABV or higher unless 3 or more bottles/cans are purchased together.*
- *The premises licence holder shall not sell super strength beer, lager or cider with an alcohol content of 6.5% ABV (alcohol by volume) or greater. This restriction shall not apply in respect of the specialist branded, premium priced, products - for example craft ales, local or microbrewery specialist products, boxed gifts or national celebratory/commemorative beer, lager or cider with an alcohol content of 6.5% ABV or greater.*
- *All beers, ales, lagers and ciders and anything similar that are sold/ supplied in a can to be sold in packs of four (4) minimum at all times.*
- *There will be no sales/ supplies of beers, ales, lagers or ciders or anything similar of 6.5% ABV or above.*

ALSO- will you putting produce on the street? Are you applying for a pavement license?

If you have any questions or wish to discuss anything please do not hesitate to contact me.

Kind Regards

Pc Beresford

Dear Mrs Yaqub

Thank you for your email in relation to the premises licence application for Way 2 Save 254 - 258 West Hendon Broadway NW9 6AG. Please can I ask for your full name so we can make a note of this on our system?

Unfortunately, issues relating to the number of premises within a certain area can only be considered where there is a Cumulative Impact Zone (CIZ) in place. I can confirm that West Hendon Broadway does not have a CIZ, therefore issues relating to the number of licensed premises in this area cannot be considered when determining the outcome of this premises licence application.

The legislation asks that any representation made to a licence application, should relate specifically to the premises for which the application is being made. It therefore may be beneficial to provide the Licensing Sub-Committee with information/evidence as to why you believe this specific premises would have a negative effect on one or more of the licensing objectives.

Within the application, the applicant has outlined in their operating schedule their considerations made in promoting the four licensing objectives. These would, if the licence is granted, automatically be converted into enforceable conditions and placed on their licence. In addition to these, the applicant has agreed with the Police to add further conditions to their application which too would form part of the licence should it be granted. Details of these are provided below.

 3. The system shall record in real time and recordings will be date and time stamped;

Subject: application NUMBER 16022021, referring to Way 2 Save 254 - 258 West Hendon Broadway NW9 6AG.

14th March 2021

Dear Licencing TEAM

I **STRONGLY OBJECT TO TH GRANTING OF AN ALCOHOL LICENCE** TO the attached application NUMBER 16022021, referring to

Way 2 Save 254 - 258 West Hendon Broadway NW9 6AG.

We at xxxxxxxxxxxx/xxxxxxxxxxxxx, xxx West Hendon Broadway, NW9 xxx have a current alcohol licence.

From the Co-operative, which has an alcohol licence to the Star Supermarket, which also has an alcohol licence is a distance of less than 100 meters. Within this distance the following have alcohol licences:

Co-operative Supermarket

Ria Newsagent

La Brasiliana

Star Supermarket.

THERE are at present FOUR ALCOHOL LICENCE HOLDERS IN THIS SMALL STRETCH OF ROAD.

My reasons for the objection is the following:

- a. The increase in the opportunity for excessive irresponsible alcohol sales.
- b. This will lead to increase in anti-social behaviour
- c. The increase in alcohol sales will lead to a deterioration in the health of the drinkers and burden the NHS with alcohol related conditions and behaviours.
- d. The increase in alcohol sales will lead to a possible increase in drug usage leading to further anti social behaviour.
- e. The increase opportunity for linked tobacco sales with further deteriorate the health of the drinkers and burden the NHS and Police.
- f. The location is extremely close to quiet residential housing. A business whose principle hours of business are late at night is not compatible with this location.
Where alcohol is involved, the possibility for inappropriate behaviour is increased.

There will be increase in new families in the area as the West Hendon area is developed.

g . As there are residential properties and gardens in the immediate vicinity with gardens, will lead to the inevitable opportunities that stored rubbish and materials present to persons that are, possibly not in total control of all their faculties. Urination and its associated odour is not acceptable.

h. As there is limited parking on West Hendon Broadway, a number of residents park on the Broadway and side roads.

Parking ones vehicle on the street at night has its inevitable risks attached. If that risk of possible damage is increased by introducing a considerable number of people, late at night and having been in an environment where alcohol and possibly other substances are involved. then this is not an acceptable risk to have placed on existing residents. Generally any activity involving increased numbers of people, vehicles, music and alcohol after 10:30 at night is not appropriate for a residential area and it increases the possibility of becoming a public nuisance and significantly raises the risk of criminal and disorderly behaviour. This has had the effect of disturbing people generally and especially the children, who have been unable to sleep because of the noise.

i .The increase in alcohol sales and consumption may cause residents being kept awake at night, the vandalism to vehicles and property every weekend and the drunk people leaving and making noise and causing damage. The huge expense involved in constantly having to repair property and cars. I really fail to see why extra late night drinking is required given the **number of FOUR retailers, in the close vicinity existing businesses selling alcohol currently exist**. Also especially so close to residential housing.

j The increase in alcohol sales will cause an increase in cleaning up damage, litter and vomit that seems to get left . This will further burden the services of Barnet Council and Police.

I trust the alcohol licencing team will consider these points carefully and OBJECT to the application of the alcohol licence to Mango Beans trading as Wave to Save 254 - 258 West Hendon Broadway NW9 6AG, application number 16022021.

Yours Sincerely

Mrs Yaqub
