### HEARINGS PROCEDURE

### AGENDA ITEM 4

#### *General points*

The following procedure is based on Regulations made by the Secretary of State under the Licensing Act 2003 (“the Hearings Regulations”) which may be viewed or downloaded from the website of the Department for Culture, Media and Sport by following links from [www.culture.gov.uk](http://www.culture.gov.uk)

The procedure is intended as a general framework to ensure natural justice and a fair hearing. The conduct of individual hearings may vary slightly according to circumstances and the discretion of the Chairman. In all cases, however, this general framework will be followed.

The procedure allows each party a maximum period of 5 minutes in which to present their case (Regulations 16 & 24). At the end of the time allowed, the Chairman will terminate the presentation and the hearing will proceed in the form of a discussion led by the authority to explore points of dispute. The discussion will not be timed.

The procedure is subject to periodic review and amendment to reflect best practice and relevant legislative changes. An updated version of this procedure is published as soon as possible following any such amendments.

During the consultation period, the applicant was in discussion with the Police regarding conditions to include on the amended licence. This communication can be found in **Annex 3**.

### **3. Representations**

The Licensing Team received 2 valid representations from local ward councilors. The representations cover matters relating to all four of the licensing objectives.

The representations and supporting information can be seen attached to this report in **Annex 4**.

### **4. Attaching conditions**

The operating schedule, which is part of the application, includes certain additional steps that the applicant will take to protect the licensing objectives. These will become enforceable conditions, should the licence be granted. Additional conditions may be attached to the licence if the committee thinks it appropriate.

The Committee must have regard to all of the representations made and the evidence it hears and is asked to note that it may not attach conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must actually be appropriate in order to promote the licensing objectives.

In relation to conditions, the statutory guidance at chapter 10.8 states that “The licensing authority may not impose any conditions unless its discretion has been engaged following receipt of relevant representations and it is satisfied as a result of a hearing (unless all parties agree a hearing is not necessary) that it is appropriate to impose conditions to promote one or more of the four licensing objectives.

Full Copies of the Councils Statement of Licensing Policy, the Statutory Guidance to the Act and the Council's Guide to Good Practice at Licensed Premises will be available at the Licensing Sub Committee hearing or in advance if required.

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

*Continued from previous page...*

We have a demand from our customers, who ask to have a beer with their fish and chips. Hereby, this application seeks permission for selling alcohol during opening hours. All necessary steps have been taken to ensure that the application and proposed operation will continue to promote the licensing objectives without adding any cumulative impact to the area.

b) The prevention of crime and disorder

The premises shall have sufficient cameras located within the premises to cover all public areas including outside of the premises covering the entrance and exit. The system will be able to cope with strobe lighting (where used) and all levels of illumination throughout the premises as well as outside area.

The CCTV system must be operating at all times whilst the premises are open for licensable activity. All equipment shall have a constant and accurate time and date generation. CCTV recorded footage must be securely retained for a minimum of 28 days. Images are kept to be made available to the Police, PCSO's, Licensing Authority Officers, and Trading Standards Officers on request. Images will have time and date recorded.

In the event of a technical failure resulting in the whole of the CCTV system being inoperable, the premises licence holder/DPS shall report the failure to the local Police Licensing department within 24 hours.

On all other occasions, proactive steps will be taken by the premises to rectify any technical failure of the CCTV system.

An incident log book shall be kept on the premises and made available on request to an authorised officer of the Council or Police which will record the following:

- any incident of disorder
- any seizures of drugs or offensive weapons
- any rejections of patrons
- any ID seizures

All front door refusals are to be recorded promptly, including the reason i.e. too intoxicated, barred suspicion of drugs etc. If a person is rejected from the premises by a member of staff, a record must be made of the incident including details of the staff members involved and a summary of the circumstances. This must be completed as soon as practicable but prior than the end of that persons shift. All staff will be trained in order to promote four licensing objectives, and comply with the premises licence fully.

All customers who want to buy alcohol shall be asked to produce photographic identification, such as a valid passport, valid driving licence, and international identity document or PASS card, by considering "Challenge 25", if they look under 25 years of age.

Alcohol shall not be taken off the premises in an open container.

c) Public safety

A minimum of two or three people will be present on the shop floor on Friday and Saturday which are busy days. Also the staff working in the premises will be a minimum of 21 years of age.

Customers, who are already drunk and may cause any problems, will be rejected to buy or to be served alcohol. Any customers or people who cause public disorder will be reported to the Police.

We also know that we have to show zero tolerance to any illegal activity, and seek for Police help in case.

d) The prevention of public nuisance

Reasonable steps will be taken to recognize the rights of local residents, and notices will be displayed at the premises exit requesting customers to leave quietly especially from 11 pm, and reminding them that they are in a residential area.

The premises will operate and enforce a 'Challenge 25' proof of age policy where by all persons appearing to be under the age of 25 will be required to provide proof of age. The only forms of ID accepted will be Passports and photographic ID cards such as Driving Licences and validated and approved hologram ID cards. Signage advertising the scheme must be prominently displayed.

e) The protection of children from harm

There will be no adult entertainment will take place within the premises.

We always will make sure that if any adult attempts to buy alcohol for someone who is under 18 years old of age, in order to refuse the sale. However, if parents allow their children, whose age fall between 16-18, to drink 1 unit of alcohol (e.g. 1

*Continued from previous page...*

beer/ cider) with a meal; we respect their choice, and cannot refuse the sale of alcohol, unless there is unexceptional consumption which might affect a person's health.

A minimum of two or three people will be present on the shop floor on Friday and Saturday which are busy days. Also the staff working in the premises will be a minimum of 21 years of age.

A log book shall be kept for any incident that may also affect children.

Challenge 25 Policy will take place in the premises.

All staff will be trained in order to promote all four licensing objectives fully to provide a good business in a safe manner, while meeting customers' expectations.

Prior to accepting a delivery order, the customer is asked to provide the name of the person accepting the delivery and is informed that on delivery an acceptable form of photographic ID proving that they are 18 years of age or over will be required. The only forms of ID that may be accepted at the time of delivery shall be proof of age bearing the PASS hologram logo, a passport, or U.K. photo driving licence.

At the time the order is placed, a declaration will be required from the person placing the order confirming that they are 18 years and older. Service will be declined to any person who does not complete the declaration.

Dilek,

We are in receipt of the application submitted on behalf of Gunay URAS.

We understand that the variation consists of the following to be in place;

**Opening hours**

Monday to Thursday-11:30 till 23:00

Friday to Saturday-11:30 till 23:00

Sunday -11:30 till 23:00

**Late night refreshment**

Friday Saturday- 23:00 till 23:30

**Sale of Alcohol on and off**

Monday -Sunday 12:00 till 23:00.

I have assessed the conditions already in place and feel that there is the need for slight amendments.

We request the following addition;

- There will be no alcohol consumed outside the premises. All on sales will be indoors only.

Also Condition 10 will need amending from

All alcohol will be sold in sealed containers.

To

All alcohol will be sold in sealed containers for takeaway and delivery.

I would also ask that the terminal time for the sale of alcohol on the premises be reduced by 30 minutes to 22:30hrs. This is to ensure that patrons have suitable 'drink up time' and refrain from buying and consuming alcohol quickly prior to the premises closing.

Therefore making the following applicable;

**Sale of alcohol (On Sales)**

Monday -Sunday 12:00 till 22:30.

**Sale of alcohol (Off Sales)**

Monday -Sunday 12:00 till 23:00.

Please advise if your client is in agreement.

This is a residential area with housing both above the premises and nearby it would be totally inappropriate to have such late night serving and sale of alcohol in the premises and would risk leading to lots of problems with antisocial behaviour. There have already been problems with antisocial behaviour from the pub opposite and this would just cause further issues in the area. It would be of great detriment to neighbouring residents and to the nursery just a few doors down. I am strongly opposed to this application to vary the licence to later hours and object.

Dear Zekiel,

We are elected representatives, representing our constituents. Alcohol which is sold as take away is always a risk that this will be consumed in the streets and then cause anti-social behaviour. If residents are concerned about this then we need to represent our residents concerns. As a Councillor, I have never had to complete any forms to formerly submit my comments. I believe I have made my views clear in my previous emails. If license is approved for this premises it will go against two of the licensing objectives - 'The Prevention of Crime and Disorder' and 'The prevention of Public Nuisance'

Please see a document attached, that will aid you with this, I have also attached some guidance that you may wish to read through.

Once this is received I will be able to confirm your representations and then organise a hearing for the licensing sub – committee.

Dear Zekiel,

Whilst the premises will put up notices saying that customers are not allowed to drink outside the premises and they therefore believe they have taken all appropriate steps to absolve their responsibilities, this does not stop customers from drinking in the streets. The premises is not going to follow the customers when they are out of the premises. The premises is pushing the problem on to the streets which may cause anti-social behaviour. For that reason, I am not happy.
