The procedure allows each party a maximum period of 5 minutes in which to present their case (Regulations 16 & 24). At the end of the time allowed, the Chairman will terminate the presentation and the hearing will proceed in the form of a discussion led by the authority to explore points of dispute. **Subject:** Late Night Refreshment Premises Licence, Pizza Gogo, N12 0NB

Dear Madam or Sir,

Re Late Night Refreshment Premises Licence, Pizza Gogo, 12 Halliwick Court Parade, Woodhouse Road, LONDON N12 0NB -LAPRE1/22/65450

I am the owner of Flat XX Halliwick Court, Woodhouse Road, London N12 XXX and make representations to oppose the granting of a late night refreshment licence to Pizza Gogo on the following grounds.

### **The prevention of public nuisance**

1. Flat 21 is directly above Pizza Gogo. Presently, the noise coming from the extractor fan and the vents means that there is no chance of sleeping before these are turned off. The previous owners of Pizza Gogo were mindful of this and the extractor fans and vents were turned off and the shop closed by the very latest at midnight. Now the new owner is already operating outside of their current licence and they leave the fans on, make noise in the shop, bring up and down the metal shutters and do not leave the shop until 4.30am. They show no respect for people trying to sleep and rest. They leave the shop and get in the car speaking to each other loudly. No one is able to sleep at Flat 21 Halliwick Court. This is a public nuisance. This is having an adverse effect on my mental health.
2. If the extended licence is granted, customers and delivery drivers will be outside our flats and will not respect the need we all have to rest and to sleep so that we are able to go to work. The increase in customers and delivery drivers including cars and motorbikes will create a further public nuisance.
3. If this licence is granted, which it really should not be, then other fast food businesses will follow suit which means that there will be a further increase in noise and activity in the vicinity. More residents will be disturbed by the noise from extractor fans, customers and delivery drivers and the constant activity that this will bring to the area. This too is a further public nuisance.

### **Prevention of crime and disorder**

1. The area in which Pizza Gogo is situated is quiet and dead when the fast food outlets close. This is a suburban family area. There are many schools within the area. There are no nightclubs and none of the other fast food outlets are open past midnight. There is no need for a pizza shop to be open until 5am in this area. However, even without an extended licence Pizza Gogo, seems to be operating until

4.30am. I have no idea what the workers are doing in the shop until 4.30am currently but there is a huge amount of noise. As residents we are concerned that this request for an extended licence *could* be a front for something else and we are concerned that there *could* be links to crime and disorder including money laundering.

2. A late night refreshment licence means that people may attend the premises inebriated or under the influence of other substances and this could lead to an increase in crime in the area and to disorder outside our bedroom windows.

3. These flats above Pizza Gogo are homes. We do not want our homes to be in an area where there could be an increase in crime and disorder and where people intent on causing criminal damage or disorder may try to enter our block of flats.

### **Public safety**

1. An increase in activity means more rubbish. Since the current owners have taken over, I have noticed more rubbish outside the shop. The outside space at the back of the shop is being used as a dumping ground for pizza boxes and old lights. The previous owner had grown plants there and nurtured the plants. These are now all dead.

2. An increase in activity means a potential for more vermin particularly when rubbish seems to be accumulating in the back yard.

### **The protection of children from harm**

1. There are many schools in the area and there are many children and young people living in the vicinity of Pizza Gogo. With an increase in commercial activity and public nuisance, this alone means that children will ne disturbed in their sleep. This lack of sleep will have an adverse effect on their emotional well being and performance at school. The potential for an increase in crime and disorder that an extended licence could bring also means that more children may become involved in criminal activities. We owe to the children of our community to protect them from harm. This means that all children are able to get a good night's night and that they are not being exposed directly or indirectly to potential criminal activities.

I ask that our need for privacy, for rest and sleep and to be able to enjoy a modicum of peace within our homes that this extended licence is not granted on the basis of public safety, the prevention of crime and disorder, the prevention of public nuisance and the protection of children from harm.

Please do not hesitate to contact me should you have any further questions.

Yours faithfully,

Chloe MALAKI

Dear Zekiel,

With regards to this licensing for the premises to be open for takeaway until 5am , I have read the conditions put forward by the police. However, this extension will regardless of conditions, have a detrimental effect on the quality of life for the resident's living this parade of shops.

Even if mopeds / cars wait with engines off this does not cancel the noise of their arrival or of their leaving.

Having dealt with previous complaints of noise , rubbish, and vermin at the back of this parade, and knowing that some of the residents are vulnerable I do not consider it desirable for the peace and quality of life for the residents living above to be plagued with any disruption to their sleep.

Please acknowledge receipt

Kind regards

I wish to lodge an objection to the application for Pizza Gogo to extend their opening hours to 5am.

I am a resident of Halliwick Court and wish to object on the grounds of '**prevention of public nuisance**' due to the following reasons:

- : Extended noise from the industrial extractor fans during sleeping hours.
- : Lack of faith in the proprietor to adhere to Licensing regulations, as current regulations (particularly concerning times of extractor fan) is continuously ignored.
- : Extended noise from delivery drivers on their mobile phones and their motorbikes.
- : Extended noise from customers
- : Increased litter - exacerbating our current vermin infestation (rats)
- : The extended hours to 5am are often linked to alcohol-fuelled crime and disorder in the night time economy such as fast food takeaways.

All the above will seriously impact our quality of life, particularly our already impaired ability to sleep, and I object very strongly.

Comments:	<p>16/02/2022 11:32 AM As a resident of XX, Halliwick Court, N12 XXX, I object against the application for late-night licensing from Pizza Go-Go at number 12, Halliwick Court, N12 0NB. The business is located on the ground floor of a residential building, as are two other take-aways, currently licensed until 11 pm. The Council has been informed in the past of the nuisance caused by the food shops in terms of noise, rubbish, and vermin (Ref. SSCP/21/09802). The noise of a flue being used late at night is particularly disturbing.</p> <p>In addition to more noise and rubbish, a late-night license, 7 days a week, for Pizza Go-Go would cause further environmental disturbance from an increase in</p>

traffic caused by delivery drivers (cars and motorbikes) and from late-night customers. There is no late-night social activity in this part of Barnet, and potential customers would have to wait around the shop. The risk of a gathering at night in London resulting in violence is real and should be avoided.

It is well known that fast food and sugary drinks, the commodities sold by the take-away, increase the risk of obesity, especially when consumed late at night. The NHS is conducting a nationwide campaign against obesity as a cause of heart disease, hypertension, stroke, and kidney failure. Promoting the late-night sale of fast food goes directly against the current public health policy in this country.

REF: LAPRE1/22/65450 12 Halliwick Court Parade.

I wish to place an objection to the application for Pizza GoGo to extend their opening hours to 05a.m. I am a resident of Halliwick Court and wish to object on the grounds of 'prevention of public nuisance' due to the following reasons:

The very loud noise from the industrial extractor Fan/s during the night and the early hours of the morning. This will be increased 5 fold. The noise and disturbance already has a huge impact on my quality of life. This is mainly due to sleep deprivation and mental well-being.

Delivery drivers often cause obstructions along the pavement and block the entrance to the residential flats above the Pizza GoGo. This obstruction, in all probability, will increase. The noise of engines and the revving of the engines causes pollution. With the increased hours this will increase harmful particles detrimental to people living in their homes in the residential flats. Noisy horns tooting and drivers on their phones and gathering outside PizzaGoGo are a public nuisance as shooting occurs. Extended hours will increase this

Customers gathering and queuing up outside Pizza GoGo can cause anti social behaviour and disorder linked to alcohol fuelled crime and disorder in the night time economy such as fast food takeaways.

Increased litter and overflowing bins will increase the vermin problem. Finally the trustworthiness of the licence holder to adhere to the licensing laws needs to be considered. Despite the current licence being effective until 11p.m. the premises regularly do not switch off the industrial fan which disturbs the local residents.

**\*\* Warning External Email \*\***

To whom it may concern,

My name is Yucef Hezili and I live at flat XX Halliwick Court, Woodhouse Road, Friern Barnet, N12 XXX with my partner Serene Antony.

We would like to oppose the new premises licence application that is currently pending for the Pizza Gogo, 12 Halliwick Court Parade, Woodhouse Road, Friern Barnet N12 0NB business that our flat directly sits on top of, based on the extractor fan being already extremely noisy and the new current owners have been keeping the fan on way past the official opening hours since they took over, just recently. The extractor fans runs up the back of our property (20-23 Halliwick Court, four flats) and is obviously already a bane to us and our sleep and the other tenants of the building, two of the flats being owned by 60+ year old's who are not quite computer-literate, also do not want the hours to be extended to 5am.

The stores official opening hours on the pizza gogo website are listed as 11:30am-1am, but the recent new owners in the weekdays have regularly been leaving the extractor fan on until 2:30-3:00am Monday-Thursday and switching it off at almost precisely 4am Friday-Sunday. I have noted the times and recorded video

where possible. As far as I am aware, they are breaking the law by currently operating the business outside of the current licence regulations.

The previous manager who ran the shop himself left about a month or so ago I believe and he made sure that the business closed down accordingly and was respectful of the tenants of the building. After enquiring at the store about the recent change in the fan being left on late recently and the business being open until 4am, one of the staff became very hostile and refused to answer any of my queries. He pointed at the blue paper new premises application that was hung up in the window, so I took a picture of it to gather the details. When returning from my work the next day I discovered that they had removed the application notice from display. The new people currently working are doing as they please and we are all perturbed by this change in the extractor fan being left on longer recently and our worst nightmare is for the extension of the hours of the business for even more noise and more blatant disregard of the law from the people who have applied for the licence.

Tonight or this morning I should say, they switched off the fan and closed down the business at 2.58am (Weds 2nd Feb). I and many of us here have early starts in the morning for work leaving at 6am etc. Its already very hard to sleep with the noise and we would like to request that the licence to extend the hours to be with withdrawn please. A potential fear is that they will turn the premises into selling other items or foods in staying open until 5am such as kebabs etc, which in turn may require more staff, a bigger, noisier extraction fan and more noise from the staff outside, not to mention noise from the public coming in the early hours of the morning dwelling outside of our property, as all the other shops around here are closed by 12am.

I have attached two videos and two stills with audio of the extractor being fan being used way beyond what the current licence permits. One was taken on the 16th January 3:41am and the other video is last sunday/monday morning 31st Jan 3:48am. I apologise if the videos are not as clear as they could be.

Any additional information needed please let me know,

Thanks for your time,

Yucef Hezili.
