LICENSING SUB COMMITTEE

HEARINGS PROCEDURE

AGENDA ITEM 4

General points

The following procedure is based on Regulations made by the Secretary of State under the Licensing Act 2003 (“the Hearings Regulations”) which may be viewed or downloaded from the website of the Department for Culture, Media and Sport by following links from www.culture.gov.uk

The procedure is intended as a general framework to ensure natural justice and a fair hearing. The conduct of individual hearings may vary slightly according to circumstances and the discretion of the Chairman. In all cases, however, this general framework will be followed.

The procedure allows each party a maximum period of 5 minutes in which to present their case (Regulations 16 & 24). At the end of the time allowed, the Chairman will terminate the presentation and the hearing will proceed in the form of a discussion led by the authority to explore points of dispute. The discussion will not be timed.

The procedure is subject to periodic review and amendment to reflect best practice and relevant legislative changes. An updated version of this procedure is published as soon as possible following any such amendments.

Chairman

- Introduces him/herself and Members of the Committee, and outlines their roles.
- Introduces Licensing, Legal and Governance Officer.
- Explains that Legal and Governance Officers will be present during the Committee’s deliberations to advise only, and that the Licensing Officer will be excluded from deliberations.
- Asks parties present to introduce themselves.
- Outlines procedure to be followed (Regulation 22).
- Asks all parties to confirm their understanding of the procedure.
- Clarifies any aspect(s) of the procedure where any parties are uncertain or asks Legal or Governance Officer as appropriate to clarify.

Governance Officer

- Informs Committee of absent parties.
- Details persons whom a party is seeking permission to represent them at hearing.
- Panel confer regarding permission.
- Chairman announces decision regarding permission.

Licensing Officer presents the report to the Committee

- Is a statement of the facts including details of the application and operating schedule, relevant policy details, detail representations made, a chronology of events and highlights the points on which the Authority requires clarification.

Applicant

- Presents opening submissions and clarifies points raised by Authority in notice of hearing. Time allowed 5 mins.

Other parties

- Presents opening submissions either in person or by spokes person Time allowed 5 mins per interested party.

Note regarding use of video evidence

Video evidence must be in DVD format and will form part of the relevant party's five minutes opening submission. Any party wishing to use video evidence must submit a copy to the Authority along with sufficient, identical extra copies to serve on all the opposing parties – i.e. if the applicant is submitting it, there must be enough copies for all parties making representations and if a party making representations is submitting it there must be a copy for the applicant. The recording must be edited down to the highlights, containing only relevant matter which relates to the written representation previously submitted. In addition, a description of how, when and where the video was recorded and what it contains must be submitted. These must be supplied to the Authority at least five working days before the hearing.

Members question Licensing Officer on Policy

Discussion

Chairman leads a discussion concentrating on points of dispute:

Chairman asks Applicant what he disputes in other parties' submissions, and asks other parties to comment.

Chairman proceeds through all objectors dealing with all matters of contention.

When Chairman feels all matters have been thoroughly discussed and all parties have been given a fair and equal opportunity to comment and make representations, she/he closes discussion.

Determination

There are two procedures depending on whether or not determination is to be made at the end of the Hearing or within five working days of the Hearing. This later announcement of determination is permitted in terms of the Legislation for certain types of applications.

Chairman informs all present that the Committee will deliberate, that Legal and Governance Officer will remain to advise but will not be part of decision-making process, and that all others must leave (under Regulation 14).

- Parties, apart from Legal and Governance Officer, leave the room.
- The Committee deliberates, with advice as required from Legal and Governance Officer, and reaches a conclusion. The Legal officer may assist, as required, in formulating the wording of the determination.
- Parties return.

- Chairman reads out determination, and advises it will be sent in writing to all parties.
- Opportunity for determination to be clarified by any interested party who is unclear.
- Chairman gives advice about appealing against the determination.
- Chairman thanks all for attending and closes the meeting.

...Within five working days of the hearing

- Chairman explains requirement to determine the Hearing within five working days, and advises that the Committee will proceed to deliberate and announce the determination within that time.
- During deliberations, Legal and Governance Officers remain to advise on law and procedure as required. The Legal Officer may assist, as required, in formulating the wording of the determination. The Licensing Officer plays no part in the determination and withdraws for this part of the proceedings.
- Chairman advises all parties that they will receive written notification of the determination within five working days of the Hearing date, together with general information on how to appeal against the determination.
- Chairman thanks all parties for attending and invites the applicant, objector(s), other party(ies) and the Licensing Officer to leave.

Information on Appealing against the decision

You may at any time before the expiration of a period of 21 days from notification appeal to Willesden Magistrates' Court, 448 High Road London England NW10 2DZ (Telephone 020 8955 0555, DX 110850 Willesden 2) by way of Complaint for an Order. The Court may either dismiss the appeal, substitute for the decision appealed against any other decision which could have been made by the Licensing Authority or remit the case to the Licensing Authority to dispose of it in accordance with the directions of the court, and can make such order as to costs as it thinks fit.

6. Attaching conditions

The operating schedule, which is part of the application, includes certain additional steps that the applicant will take to protect the licensing objectives. These will become enforceable conditions, should the licence be granted. Additional conditions may be attached to the licence if the committee thinks it appropriate.

The Committee must have regard to all of the representations made and the evidence it hears, and is asked to note that it may not attach conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must actually be appropriate in order to promote the licensing objectives.

In relation to conditions, the statutory guidance at chapter 10.8 states that “The licensing authority may not impose any conditions unless its discretion has been engaged following receipt of relevant representations and it is satisfied as a result of a hearing (unless all parties agree a hearing is not necessary) that it is appropriate to impose conditions to promote one or more of the four licensing objectives.

Full Copies of the Councils Statement of Licensing Policy, the Statutory Guidance to the Act and the Council’s Guide to Good Practice at Licensed Premises will be available at the Licensing Sub Committee hearing or in advance if required.

A map centrally locating the premises and a plan shall be made available at the hearing.

Subject: New Premises Licence - Hollywood, 246 Station Road, HA8

Dear Romina,

Thank you for taking the time to meet with myself and Vicky last week. As discussed, below are a list of proposed conditions that we think will assist you in promoting the licensing objectives:

- Digital recording colour CCTV comprising a multi camera system.
- The head unit (recorder) for storing the images will store such data on a hard drive or a similar quality medium.
- The CCTV system shall be capable of producing immediate copies of recordings on site. Copies of recordings will be capable of being recorded digitally on to CD/DVD/USB or other equivalent medium.
- If the head unit (recorder) is kept on the premises it must be located in a secure cabinet or other secure area, preferably out of the sight and reach of the public. The unit must be further secured by physical means to prevent anyone from merely picking up and removing the unit, e.g. a secure metal boot, or metal case strap, bolted to an immovable object like a wall or floor.
- The quality of the images must be of a sufficiently high standard to allow identification of the subject matter.
- Cameras will cover key areas identified by the operator and Police. These will include external cameras covering any outside area used by customers of the premises, the external entrance and exit doors, approach to the toilets, clear headshots of persons entering the premises, the till and bar areas and other areas not easily monitored by staff.
- Images must be retained for a period of 31 days before overwriting.
- The images will be made available in reasonable time on demand by the Police and authorised officers of the London Borough of Barnet.
- At all times when the premises are open there shall be at least one person who is capable of operating the CCTV system if required to do so by the Police or authorised officers of the London Borough of Barnet. This system will be fully maintained at all times to ensure correct operation
- All staff engaged in the sale of alcohol shall be trained to record refusals of sales of alcohol in a refusals book/register. The book/register will contain:
 - details of the time and date the refusal was made
 - the identity of the staff member refusing the sale
 - details of the alcohol the person attempted to purchase

This book/register will be available upon request to police and authorised officers of the London Borough of Barnet.

- An incident book/register shall be maintained to record:

- All incidents of crime and disorder
- Details of occasions when the police are called to the premises
- Details of ejections of patrons from the premises.

This book/register will be available upon request to police and authorised officer of the London Borough of Barnet.

- Challenge 25 age verification scheme to be operated at the venue and only acceptable forms of identification are (recognised photographic identification cards, such as a driving licence or passport / Holographically marked PASS scheme identification cards). A "No ID, No sale" policy will be operated.
- Staff will be trained in the above policy and training records will be available for inspection if requested by Police and authorised officers of the London Borough of Barnet. Refresher training will be provided at least once every 12 months and induction training provided for any new members of staff.
- No glassware is to be taken outside of the venue.
- Prominent signage reminding customers to leave quietly the premises will be displayed

Subject: Objection to license application for 'Hollywood'

To Whom It May Concern

Licence Application 31052016
'Hollywood', 246 Station Road, Edgware HA8 7AU

I am writing to express my opposition to the application to licence the above premises for both the sale of alcohol until 2am each and every night of the week as well as the provision of either live or recorded music until 2am on the weekends.

The decline of the high street is well documented in every town in the country and I know that the high street is changing from a place of retail to one of experiences.

There are a number of restaurants in the area which cause very little problem or disturbance.

However, walking down Station Road can often be very intimidating and my concern is that if this premise is licensed, to serve alcohol, it will only add to that problem.

There are often many people loitering outside the multiple betting establishments along that stretch of road. They are often drinking, smoking or doing both, whilst standing on the pavement.

It can be similarly problematic outside the fast food take away restaurants, on Station Road, when walking past in the early evening with my daughters.

1

If there is a premises licensed to serve alcohol and play music so close to a residential area, then what guarantees or safeguards do we have that not just my own children but all of the other children who live in the area will not be affected as they walk through Edgware? I do not think that any guarantees can be provided.

I cannot understand how permission can be contemplated for the playing of music at a location so close to homes.

The applicants for the license have the ability, if not responsibility, to locate their entertainment venue at a more appropriate location, to minimise the disruption and disturbance to others. For those who live in the surrounding areas, there should be no expectation that we or our children should have to put up with the disturbance that a licensed establishment would generate.

Whilst I am not familiar with the exact criteria that a location has to meet in order to be considered for licensing, but I urge you to visit the area to understand its true proximity to the neighbouring homes.

I would appreciate it if you could please acknowledge receipt of this email.

Kind regards,

E Donoff

Dear Sir / Madam,

Re: Licence Application # 31052016
Hollywood, 246 Station Road, Edgware, HA8 7AU

I am writing in response to the application for the sale of alcohol and the provision of live music at 'Hollywood', located at the above address.

I strongly **object** of the application based on a number of relevant concerns:

- First of all, the sale of alcohol until the early hours during both the week and the weekend will only have a strongly negative impact on the main high street as well as the surrounding residential roads.

Panshurst Gardens is already used as a cut through by inebriated pedestrians, who generate noise and disturbance along the road in the early hours. We have found beer cans and more problematic, smashed glass bottles on the pavement.

Thankfully this is not too significant a problem at the moment, but with the approval of an establishment selling alcohol at the bottom of the road, there would be far greater disruption in all the surrounding areas.

It would be a different case if the establishment were further away from a residential area, but Station Road, especially the corner location of 246 Station Road, is located right on the intersection of the high road with a residential road (Edgwarebury Lane and Panshurst Gardens).

- The corner location of 246 Station Road has especially problematic ramifications: There are already issues with people congregating in the dark corner on the edge of the property, off the high street.

If a drinking and entertainment venue were established there, then there would undoubtedly be a lot more people loitering around at all times of the night, not just the patrons. Whether it would be smokers unable to light up inside the establishment, or underage children unable to get into the establishment, there would be a large number of people attracted to what has always been a quiet and residential location.

There is a very clear correlation between these types of establishment and the increase of crime in the immediate vicinity. If the establishment were located in the middle of a parade of shops in the high street, it would be a different proposition.

Given the geography of the location, there is no way to prevent 'sprawl' around the corner.

Are there plans to introduce additional CCTV cameras for safety and protection? What about additional Police patrols?

- When I recently made a planning application for the installation of a domestic air conditioning unit within the Borough of Barnet, I had to carry out an environmental sound survey, document what sound prevention measures were going to be taken and the planning approval was subject to ratification by the environmental health agency.

This was all for a modern, efficient and quiet domestic air-conditioning unit which was to provide comfort cooling for a few days in the year, during the day.

What precautions are being made to ensure that there is no egress of noise from the establishment whilst the live or recorded music is being performed?

Having visited the premises in question whilst it was being occupied with a previous business, there does not seem to be any sound proofing at all and it would seem to be spectacularly unsuitable for a venue which generated any kind of noise.

Whilst I am aware that the provision of live music until 11pm may have been relaxed, I can see no justification for providing an extension of such provision until 2am.

If Barnet are going to impose industrial noise measurement and compliance requirements on domestic and residential plant and equipment, then it would seem even more pertinent that proper sound controls are in place for a commercial establishment which will generate significant amounts of noise: not just from the patrons, but through amplified music.

I would expect full details of how the current single glazed windows will be sound proofed to prevent disturbance to the surrounding residential homes. Will the current entrance to the establishment be replaced with a double door, to minimise the egress of noise?

2

If this were an application for alcohol to be served until 10.30pm at a restaurant or other kind of dining establishment where alcohol was an accompaniment to food, then I would have no substantial objection. Despite its proximity to residential homes, there are other restaurants on the high street and whatever disturbance they may generate would be considered tolerable.

However, this particular location seems very ill suited to the kind of establishment which the application indicates it will be.

Apart from the fact that no details have been provided as to how the disturbance to the neighbouring properties will be prevented - in terms of noise, I can see no way in which there will be any protection against not just the patrons, but others congregating around the premises, with all the disturbance and crime that inevitably results.

Even if the Council Tax ratings of the surrounding properties were lowered, that would be no compensation for the inevitable disturbance which would be created.

In summary:

- the licence does not contain any proposals for how the noise disturbance will be minimised or abated. The neighbouring properties will directly be affected.
- there will be no way to prevent the congregation of smokers around the corner to the premises: there will be no way to avoid the direct health hazard
- the corner location at the end of a quiet residential road will provide an unfortunate level of cover which will inevitably result in the congregation of people around the establishment, which will invariably lead to crime (at different levels), disorder as well as public nuisance.

Previous licenced establishments in Edgware did generate unwanted and unwelcome behaviour in the area. If there were a greater separation between the proposed premises and the surrounding residential area, then it would be less of a concern, but that is not the case here – it is located directly on the end of a quiet residential road.

I respectfully request that you take the immediate environment into account when considering this application and the impact it would have in terms of the noise, the disturbance and the nuisance it would cause.

Regards,

R. Donoff

I write in objection to Hollywood Cafe application.

Allowing such a place to open on a quiet residential road after the pub that was 2 doors down caused so much upset to the neighbourhood would be nothing but negative. Allowing the license for alcohol and late operating hours would go against the prevention of crime and disorder, public safety and prevention of public nuisance. Many times we've called the police about drunken disorderly people on our road at ridiculous hours in the morning when the pub existed; people shouting, swearing, littering, urinating on our driveways with total and utter disregard. this did not prevent our children from harm as they've witnessed such vile behaviour because they've woken from their beds.

Having Hollywood Cafes' alcohol and loud music late in the night would be ill-advised to Edgware - a quiet family orientated area of London.

Yours sincerely

Mrs Shakhani

Dear Sir or Madam

Reference LAPRE/16/53288.

I am writing to object to the Holywood Cafe on the corner of Penshurst Gardens and Station Road. I have a family of three young children that would be disturbed by music playing until 2 am. Also the alcohol licence would mean that people who are intoxicated will be congregating on this corner and this will intimidating families who live in the street as well as increasing the likely hood of crime in the area. The end of the road where the cafe is situated currently looks so unsightly due to shops dispensing of their rubbish in an unsightly way. This would also worsen with the granting of an alcohol licence.

In summary please do not grant the Holywood Cafe an alcohol licence. It will ruin the family atmosphere of the neighbourhood. Such an establishment would be better placed in an environment of pubs and clubs which these roads in Edgware are not.

Thank you for your understanding. Please let me know the outcome of this appeal.

Concerning the Hollywood Cafe, Station Road, Edgware

I am not happy about their application for an all day alcohol licence and a late night licence on weekends.

When there was a pub on that corner we had problems with noise late at night, waking us up, and empty cans and bottles in our front garden. Drunk people singing at the tops of their voices as they walked up the road late at night. We also had issues with cars being broken into and vandalised.

Also, I have young teenagers who walk home from the station in the evenings and I would be concerned for their safety. 1 of my sons has already been mugged twice, once on our road.

I was very happy when the pub closed a few years ago. I do not wish to have another drinking establishment on my doorstep and a resumption of all those previous problems

Yours faithfully

Hi

I would like object to the recent application by Café Hollywood to extend opening hours to 2am.

Café Hollywood is at the bottom of a residential road and very near a developed residential area. I would like to object as I believe the longer drinking hours could result in higher amount of public nuisance and an increase in crime and disorder.

Dear Sir/Madam,

Re: LAPRE/16/53288.

I am writing to object to the application for an alcohol license by the Hollywood Cafe on the corner of Penshurst gardens and Station Road in Edgware.

I am a resident of Penshurst gardens myself and mother of five young children. I believe that having an establishment with an alcohol license on the corner of the road will increase public nuisance, crime and disorder in this otherwise quiet residential neighbourhood. I believe that it will also contribute to higher rates of littering in what is already a heavily littered area near the Natwest bank and behind the parade of shops on Hale Lane (next to the Library on Hale Lane).

Many thanks.

To whom it may concern

I would like to raise my objections to this application on the following grounds

1/ Public nuisance

The applicant's premises are on the corner of a residential street which will become the main parking area for their clients. There will be significant noise made when the venue closes especially during late opening.

Additionally customers having consumed excessive amounts of alcohol are a potential noise nuisance again late at night

We are also concerned about the potential "mess" problem, people vomiting or urinating in the street

2/ Public safety

Clients of this establishment consuming alcohol will spill into the street tending to be aggressive to passers by. The bar's location is on the main access from Edgware station and shops to 100s of homes.

3/ Prevention of crime

9

As residents we are concerned about people being drunk and disorderly, potentially causing damage to property

This is very close to the residential part of the area and late night music and alcohol will only endanger the local residents - of which I and my family are part of.

Surely you understand that such a late license will significantly increase crime and disorder in the area and cannot be allowed to become a public nuisance.

Dear Sir/Madam ,

I have heard, and am greatly alarmed , about the application for a licence to serve alcohol and have live music at the 'Hollywood Cafe' on the corner of Penshurst Gardens and Station road Edgware.

The premises is on the border of roads which are quiet , mainly consisting of families with young children as well as the old. Penshurst is a wonderful street where people live together with tolerance, manners and dignity.

I live at number 10 Penshurst and I sometimes see and hear people shouting at in Penshurst Gardens . Friday and Saturday are the worst. We get litter thrown into our front garden from time to time. Some of the litter is vile, without going into detail. Granting the licence would only serve to make the noise even more disruptive by attracting more people, particularly young people, with awful consequences. Youths throwing up outside family homes? And the rest. I have three children who require a good nights' sleep to be fresh for school every morning. The high road suffers enough from betting shops and this will only make the high street worse .

The local police send us updates about crime in the local area. Currently they are working to stamp out disruptive and criminal activity towards the Station end. The grant of this licence would only result in shifting what is already accepted as a problem further down the road towards the residential end. This will result in more work for the police.

A number of people like to park their cars in Penshurst Gardens to walk down to restaurants in Edgware. I imagine they would feel unsafe and threatened walking past the premises late at night on the way back to their cars. This may well affect local restaurant business.

A grant of this license will affect house prices in the area. No-one want this.

The bottom line is that this licence will affect the atmosphere in this area which currently is relaxed and family friendly.

It is an appalling and threatening notion. Please do all you can to block this application.

Yours sincerely, *10 Penshurst Gardens

Dear whomever it may concern,

I am writing to voice my immense concern regarding the application for a licence to serve alcohol and have live music at the 'Hollywood Cafe' on the corner of Penshurst Gardens and Station road Edgware.

The premises is just a few meters away from residential blocks of flats and houses in Penshurst Gardens and St Margarets Road / Brook Avenue. These roads are quiet and respectful mainly consisting of families with young children as well as the old. Penshurst is a wonderful street where people live together with tolerance, manners and dignity.

I live at number 10 Penshurst and I sometimes hear youths shouting at night between my house and Station Road. We get litter thrown into our front garden from time to time. Granting the license would only serve to make the noise even more disruptive by attracting even more youths to the corner and added to it the issue of drunks.....I dread to imagine the consequences. Youths throwing up outside family homes? I have three children who require a good nights' sleep to be fresh for school every morning. Imagine what might greet them as they walk to school. Then there is the worry of drunks climbing walls, smashing windows, break ins etc. And all this going on until 2am? I am anxious just thinking about the ramifications!

The local police send us updates about crime in the local area. Currently they are working to stamp out disruptive and criminal activity towards the Station end. The grant of this license would only result in shifting what is already accepted as a problem further down the road towards the residential end. This will result in more work for the police.

A number of people like to park their cars in Penshurst Gardens to walk down to the lovely choice of restaurants in Edgware. I imagine they would feel unsafe and threatened walking past the premises late at night on the way back to their cars. This may well affect local restaurant business.

A grant of this license will affect house prices in the area. No-one want this.

The bottom line is that this licence will affect the atmosphere in this area which currently is relaxed and family friendly.

Dear Sir

I would like to raise an objection to the licencing application above, which is at the end of our street.

The main objections are that it would create social nuisance, being open until 2am. Midnight is more than plenty to have noise and revelry, without disturbing neighbours and residents, in our case with small children.

Secondly we feel that this will encourage criminality, and create a sense of anxiety in terms of drink related crime.

Dear Sir/Madame,

I write regarding the above reference regarding the Hollywood café on Edgware High Street application.

We object to this application which will change the nature of the high street and most importantly, the large immediate surrounding residential area. Such hours from early until the early wee hours of the morning offering music and alcohol are not in the spirit of an area that is quintessentially a residential neighbourhood with many children and are of great concern in terms of safety to those who live nearby.

We object strongly to an establishment of this nature that belongs in areas known for clubs and bars where children and families are not the majority population. We are deeply concerned about noise and the effects that alcohol can have and therefore endanger the safety of those residents living nearby.

It would be in line with the local area to grant licensing for regular restaurant hours and nothing additional.

We are grateful for your serious consideration.

Thank you very much.

Dear Sir / Madam

I am writing to object to the grant of an alcohol license for the Hollywood Café/Bar at 246 Station Road.

Penshurst Gardens is a quiet residential street a short distance away. We have already seen a noticeable increase in noise and nuisance from two nearby cafes frequented by large groups of young men especially at night. The area is becoming increasingly dangerous and less pleasant as a residential area, and recently there was a serious stabbing in Bakers Path (the shortcut to the station).

The last time a pub was located at a similar location, it was closed because of an increase in crime, disturbance and serious nuisance.

There is a real danger that if such a venue is opened at the quieter residential end of the Station Road, it will bring with it serious problems as it will attract even more young people late at night. We note that the plan is to allow very late opening which is out of keeping with most of the restaurants and food shops that close at 10 or 10.30pm.

There is also real concern that loud music will prove disturbing to local residents.

The profile of the two nearby cafes is that they are mostly frequented by large groups of Eastern European men who often cause disturbance when leaving, and congregate in groups which is intimidating for local residents. Our road already suffers from regular call outs by the police when rowdy groups of men are going to and from other areas, often late at night.

A late night alcohol license will prove a real detriment in terms of increasing public nuisance, increasing crime and disorder, making the area intimidating and dangerous and protecting local children/teenagers and will prove extremely detrimental to a quiet residential area.

In all the circumstances, I object in the strongest terms to the grant of this license. I am not aware of a single local resident who supports the opening of such a venue with music and alcohol. It is in the wrong place and is the wrong type of premises to be opening at the Station Road end of the High Street, which is away of the main centre of entertainment and shopping area, the other side of the station.

Yours faithfully

Dear Sir / Madam,

I am writing to object to the application requesting that the above premises be allowed to serve alcohol until 2:00am, and to play music on the weekends.

I am concerned on 4 main grounds:

1. That this will contribute to a significantly greater risk of public nuisance due to the loud noise and the possibility of overly-drunk clients leaving the premises and disturbing the peace
2. I am worried that, with inhibitions reduced, there is a likely risk of increased petty crime and vandalism
3. I also fear for the safety of members of the public walking the streets at night. Vulnerable people in particular may feel threatened and intimidated by this.
4. I also believe that the granting of this license will require greater policing of the high street, and at a time when budgets are being cut, I am not sure this is a sensible use of police overtime etc.

I hope my concerns are heard, and that the application will be refused.

As residents of 25 The Grove, Edgware, HA8 9QA, we feel our neighbourhood is one of peace and safety. A business such as Café Hollywood whom we understand are applying for an alcohol and music license until the early hours of 2am is out of the question for our community, especially as the surrounding roads are residential with many young families.

In the light of public safety, and prevention of public nuisance, crime and disorder, we strongly object to this license application.

To whoever it may concern,

I would like to register my opposition to the application made reference: LAPRE/16/53288

As a nearby resident, granting a late night license at that location will create potential issues of crime and disorder as well as creating the likelihood of a public nuisance being caused.

I fear a public nuisance is especially likely to be caused as the establishment is entirely likely to finish its nightly operations with large groups of people spilling onto the streets. This being an overwhelmingly residential area, it is obvious that a large disturbance is likely to be caused. I believe this is an entirely foreseeable outcome.

I oppose the application on behalf of myself, my wife and my 4 children all of whom are local residents

I am concerned to see that a licencing application has been made to extend the hours for this premises to 2am. I would encourage those considering the application to spend a day and evening on Edgware High Street as it is now and for them to consider whether they feel safe and have no fear over crime and disorder. I would then ask them to consider how this might be impacted by approving the proposed licencing application.

I have a genuine concern over public safety and the crime and disorder an application such as this may impact.

I would like to notify you of my objections to the late music and alcohol license. I feel that it will encourage antisocial behaviour and cause a public nuisance. Peshurst gardens is a quite residential street with family living in it and near by, I feel that it will disrupt the whole neighbourhood and upset many people.

I wish to object to the above licensing application.
It's not in keeping with the area – it's a residential area with young families. A 2am music and alcohol license is likely to be a public nuisance and lead to crime and late night disorder.

Dear Sir / Madam

We are writing to you regarding the request to extend until 2am the license for Cafe Hollywood, Edgware, ref LAPRE/16/53288.

We are most concerned that this request might be approved and object to it on the following grounds.

- There is already late night anti social behaviour in Edgware.
- Extending the hours will only encourage this and affect the safety and well-being of the residents.
- Edgware is primarily a residential area and patrons leaving at 2am will cause noise & nuisance to the residents.
- Inevitably, late night drinking will lead to increased crime and disorder affecting the residents and putting even more pressure on the local police.

Please do not approve this application and take into account the genuine concerns of the local residents.

We are objecting to Cafe Hollywood Panshurst Gardens Edgware and their proposed extended opening till 2am

This should not be allowed to go ahead due to:
Prevention of crime and disorder
Public safety
Prevention of public nuisance

There is already trouble in Edgware. This will encourage more Anti social behaviour, fights and street drinking.

Thank you
