The procedure is intended as a general framework to ensure natural justice and a fair hearing. The conduct of individual hearings may vary slightly according to circumstances and the discretion of the Chairman. In all cases, however, this general framework will be followed.

The procedure allows each party a maximum period of 5 minutes in which to present their case (Regulations 16 & 24). At the end of the time allowed, the Chairman will terminate the presentation and the hearing will proceed in the form of a discussion led by the authority to explore points of dispute. The discussion will not be timed.

The procedure is subject to periodic review and amendment to reflect best practice and relevant legislative changes. An updated version of this procedure is published as soon as possible following any such amendments.

It must actually be appropriate in order to promote the licensing objectives.

In relation to conditions, the statutory guidance at chapter 10.8 states that “The licensing authority may not impose any conditions unless its discretion has been engaged following receipt of relevant representations and it is satisfied as a result of a hearing (unless all parties agree a hearing is not necessary) that it is appropriate to impose conditions to promote one or more of the four licensing objectives.

Full Copies of the Councils Statement of Licensing Policy, the Statutory Guidance to the Act and the Council's Guide to Good Practice at Licensed Premises will be available at the Licensing Sub Committee hearing or in advance if required.

Dear Sirs

**Premises – Premier Inn (Proposed), Chipping Close/St Albans Road,
Barnet, EN5 4LP
Applicant – Whitbread Group PLC**

As you know we act for the applicant in relation to the application for grant of Premises Licence for the above site.

Following discussions with our client, our client is aware of some concerns which have been raised by residents in relation to this proposal.

As you know from the application itself it is clear that these premises are to be a Premier Inn Hotel with food and beverages. In the application itself the premises are described as follows:

"The premises will have at ground level an hotel entrance lobby, hotel reception and restaurant entrance lobby and separate food and beverage area. The bedrooms (which will be unlicensed) will comprise in all some 100 rooms and will be located on the ground and upper floors."

It has come to our clients attention that there have been some concerns raised in relation to the type of operation for this site and the request for hours in relation to sale of alcohol to non residents and also for certain regulated entertainment which in the application is requested for a terminal hour which is the same as for the sale of alcohol to non residents being 00:30 hours.

Our clients operate many similar premises around the country without particular issue.

However in this instance having considered matters further the applicant is willing to further restrict the application. As such please take this letter as notice of the following restrictions:-

1. Request to restrict sale of alcohol to non residents so that the request is from Monday to Sunday 10:00 to 23:00 hours seven days a week.
2. Non standard timings will remain as requested in the application.

4. At present the provision of late night refreshment is requested with a terminal hour of 00:30 hours to non residents. This is also requested to be removed.

In all other respects the application remains as lodged with you.

In particular please note:-

- The request that as the premises are a hotel and remain open to residents 24 hours a day with the ability to serve alcohol to residents 24 hours a day.

Dear Sirs

I wish to object to the application from Premier Inn for the following reasons:-

Providing a license to sell drinks up until 00.30am will encourage excessive consumption that will certainly increase the possibility of disorder spilling onto the local streets. That will also increase the possibility of crime, for example damage to property and street furniture.

Loud groups leaving the premises will create a public nuisance, especially as the proposed hotel development is extremely close to local residents in Chipping Close and all the other streets nearby.

Parking problems would be further exasperated by allowing music and other forms of entertainment at this venue which will increase the numbers of visitors to the hotel.

I can see no good reason to allow such a license to be granted.

Yours sincerely

Dear Sir

Premier Inn, Chipping Close, Barnet, EN5 4LP

It has been drawn to my attention that John Gaunt & Partners on behalf of the Whitbread Group PLC have applied for an application to allow the hotel to remain open to the public from 06.00hrs until 01.00hrs Monday to Sunday.

Additionally, the application seeks to allow the sale and supply of alcohol both on and off the premises from 10.00hrs until 00.30hrs Monday to Sunday; together with the exhibition of films and performance of live and recorded music between the same hours.

I have already submitted my objections to the planning application to allow this development because of the effect this hotel will have on the residents of Chipping Close. This is a narrow street and guests arriving at all times of the day and night will cause noise and congestion.

If the Licensing Committee allow this application, this will aggravate the noise and disturbance to my constituents with non-residents leaving the hotel at the end of the evening and possibly congregating outside.

I would be grateful if the Licensing Committee would carefully review this application and take into account the impact allowing it will have on the residents of this area.

Re Licence Application 19062018 – proposed hotel, restaurant and bar on the Marketplace, Chipping Close, Chipping Barnet.

I write to oppose the Licence Application.

The applicant has admitted to stakeholders that it is a “maxi application”, it clearly having everything in it they can think of or could possibly get away with. This could reasonably be said to demonstrate an irresponsible approach to the management of a licensed hotel, restaurant and bar.

I am particularly concerned that this seems not to have been appreciated in detail or implication by the official bodies with input to licensing procedure I have been in contact with. Having heard some of the comments inside local residents groups I am not really expecting a more proactive input from them. I have yet to encounter any of the fierce organised push back by local bodies on this project that similar proposals have solicited in other communities.

However numerous Individual residents have voiced strong and well thought out objections to both the planning and licence applications and have been supported in their objections by our MP Theresa Villiers. With all due respect (barring unexpected traction from recent lobbying) I fear those involved in considering the matter as public bodies and residents groups prior to the meeting of the Licensing Committee appear to be out of their depth.

I therefore respond to the application in detail and some depth as no established body seems to be doing so.

People consulted prior to the the planning application being submitted recall the restaurant and bar were not supposed to be open to the public. This application reveals it is. The proposed hotel, restaurant and bar is of too large a scale to be operated at all or as the licensed premises proposed in a tiny residential street in a residential area in a conservation area. Also serving transient residents as well as attracting passing trade specifically to the restaurant and bar it will produce more noise and disturbance than acceptable.

Operating with overheads shared with the hotel the bar and restaurant would achieve maximum profitability through cutting prices through marginal costing. This would undercut existing local responsibly operated licensed premises threatening their continued good management to stay competitive and threatening their commercial viability. The potential to offer bar service at particularly low prices and on a 24 hour basis for residents and any number of people they say are their guests also promotes irresponsible drinking and the associated anti-social behaviour.

NB I note the details of the application originally published on the council website excluded the clause for the sale of alcohol to residents 24 hours a day. To have presented this license application for public consultation without including this clause seriously weakened the consultation exercise.

This 24 hour residents' facility has been specifically removed from standard licensing for new hotels. That it has been applied for here without any limitations is extremely disturbing. Without the strictest conditions this permission is open to grave misuse which is why it is no longer automatically included in licences for new hotels. Without the imposition of strict conditions (enforced as opposed to merely existing on paper) a bona fide resident may declare any number of people to be his guests and buy drink for them through the night. Alternatively a group of drinkers may nominate one of their number to pay for a room for the night and then buy drinks for the rest of their party. To say this will not be allowed by current management policy even if taken at face value is no restriction on its future use.

While the proposed hotel operator Premier Inn makes much of behaviour in its properties being regulated due to its guaranteed good night's sleep policy it should be noted in modern hotels this can largely be achieved by soundproofing. Again management and/or its policy can be changed at anytime and the appropriate operation of the licensed premises must be specified in the licence.

Every element of the the planning and licence applications show any possible opportunity is being taken to gloss out the project. It demonstrates a literally "pile them high, sell them cheap" approach to the future operation of the hotel, restaurant and bar – sadly something that is in danger of coming to define the town centre.

The revised plans of the hotel building as published on the planning portal on July 4, 2018 now show the its only 24 hour entrance to be in the middle of Chipping Close, less than ten metres from the frontage of the row of victorian cottages in that street. The opportunity for a smokers' refuge adjacent to the hotel's vestigial parking area in Bruce Road has hence been lost. Smokers will gather in the vicinity of the hotel entrance as a more sheltered alternative to the restaurant entrance in St Albans Road. This will be yet another outrageous and unacceptable imposition on the residents of Chipping Close. The only provision for smokers will be the window boxes and planters added to the new plans, thoughtfully provided as receptacles for discarded cigarette butts.

The submitted application should have been limited to what are operational needs for the responsible management of the hotel. The final impact of the proposed development in such a compromised location is down to management policy mitigating its impact on its neighbours. This applications shows the implementation and maintenance of mitigating factors by the proposed operators of the premises simple can not be relied on.

As a matter of acceptable policy all licences should be issued on the basis they, and the capability to enforce them, define and limit the operation of the licensed premises, the declared intentions of the present management can not be relied on to do that, those intentions and the management itself being subject to change at anytime. This application is not a fit place to start to produce such a licence.

Suggestions of clauses the Licence Application should have contained, replacing or augmenting previous clauses where appropriate:

- 1) Sale of alcohol to non-residents should be limited to the hours between 11:30 and 23:30 hours only for consumption in the restaurant and bar areas of the hotel to be ancillary to the consumption of food from lunch to evening meals.
- 2) Sale of alcohol to residents outside the hours of 11:30 and 23:30 hours should only be for consumption in residents' own rooms and should be limited to one pint of beer or a standard double spirit or the equivalent or less per resident. Sales should be limited to and for a maximum of two bona fide residents per room.
- 3) Guests of hotel residents should vacate the premises by 23:30 hours.
- 4) The supply of alcohol to non-residents shall be by waiter/waitress service only.
- 5) An offer of food and non-alcoholic drinks, including free potable water, should be made between 11:30 and 23:30 hours and during the time the restaurant is open for breakfast prior to 11:30.
- 6) There shall be no sale of alcohol for consumption by non-residents except in the restaurant.

7) Patrons permitted to temporarily leave and then re-enter the premises, e.g to smoke, shall not be permitted to take drinks with them.

8) Live and recorded music should cease by 23:30 hours and should not be audible outside the premises.

9) No variation of licensing hours for special events or celebrations should be allowed.

10) No deliveries to the premises shall take place between 22:00 and 08:00 hours on the following day.

This is not an exhaustive list and is intended to show what would have been part of a realistic approach to seeking a licence for the proposed development.

It could and should simply be decided the site is just not suitable for a new licensed premises.

Your faithfully,

Nick Saul.

Dear Sir/Madam

I am submitting this representation on behalf of the Barnet Society, which has a membership of some 500 local residents.

We object to the application by the Whitbread Group on grounds of (1) prevention of crime and disorder, (2) public safety, (3) prevention of public nuisance, and (4) protection of children from harm.

We believe that its approval would enable noisy, anti-social and drunken behaviour by substantial gatherings of people in what is currently a quiet residential neighbourhood. There are other existing licensed premises within a short distance of the Premier Inn that are situated more appropriately for the purposes applied for.

The application is also quite contrary to the assurances given to us in a meeting with the hotels' agent on 13 April and confirmed in planning application 18/2591/FUL, which states unambiguously (Planning Statement paragraphs 5.17 & 5.19) that the hotel would have 'limited service' and 'no facilities for conferences or events', and would encourage guests in 'making use of the shops, restaurants and services' of the local area.

Yours faithfully

Dear Sir/Madam,

I wish to object to this application in the strongest possible terms. It threatens to bring disturbance to the residents of

Chipping Close and to streets in the immediate neighbourhood with noisy party goers dispersing and slamming car doors well into the early

hours of the morning seven days a week. A modest licence providing for hotel residents during the evening is one thing, but what is

proposed in this application is on an entirely different scale. Were the licence to be granted for live music, recorded music, films, and

alcohol sale, all until 00.30, the ground would be laid for the creation of a large hospitality and entertainment centre threatening deleterious

effects for the local community. One wonders why this application was not made openly at the start of the planning process.

My address is Strafford Road, High Barnet, . My name is Mrs Cynthia Williams.

My objection to the extended alcohol licence for the Premier Inn hotel on the market site in St Albans Road is that it will result in an even greater amount of noise and rowdiness in the locality late at night. People will go there when the pubs have closed.

There has already been an increase in noise all through the day from the increasing numbers of alcohol drinkers who drink there 24hours in Stapylton Road next to the bus stop.

Please take this into account. Thank you.

Subject: Objection to alcohol/entertainment licence for proposed Premier Inn on St Albans Road, EN5 4LP

Good afternoon,

As a voting resident of St Albans Road, Barnet, I wish to state my strong objection to the application for an extended alcohol and entertainment licence at the proposed Premier Inn on the historic market site on St Albans Road.

There are already several pubs in the area and plenty of places where people can buy alcohol for consumption off-site.

In addition, St Albans Road is primarily residential - granting this licence would result in unacceptable noise and loss of privacy for nearby residents.

Thank you for your consideration.

Dear sir/madam,

I am writing to object to the application of an alcohol/live and recorded music licence in the proposed Premier Inn development on the Market Place in High Barnet (EN5 4LP). As a resident of the adjacent Chipping Close, I feel that the licence is completely unacceptable within this environment. We have a quite residential area that has no such venue within close distance at present. To have the potential for alcohol to be served and music to be played until 1am- as per what Premier Inn have applied for - is unacceptable to me as a local resident. Why so late? Why do they need music? We were assured at a consultation with Premier Inn a few months back that the restaurant area would be solely for breakfast and lunchtime guests. Now we get this. We've been lied to - which makes the whole thing more unpalatable - but even without that, a licence until that time is wholly unsuitable for such an area filled with families and residential houses.

Yours sincerely,

Steven Struthers
Chipping Close
High Barnet,

I wish to make the following representations based on the plans submitted for a Premier Inn, Chipping Close, Barnet, EN5 4LP.

As a resident of Chipping Close I strongly object to the late night refreshment and retail of alcohol on this site. The approval of this application would have a significant detrimental impact on the amenity of local residents.

The selling of alcohol to the public would further intensify the use of a hotel on what is a quiet residential street and due to the close proximity of local residents would result in a serious noise disturbance and public nuisance.

The bar would be open to members of the public and further noise would be created by people entering and exiting the hotel and associated traffic noise. Noise levels would be exacerbated for some residents, as their windows a mere 10 metres away would be located directly opposite the bar/restaurant.

The hours requested for the Supply of Alcohol 'On' and 'Off' the premises are simply outrageous, 10:00hrs until 00:30hrs Monday to Sunday to non-hotel patrons. This as well as "The performance of live music" will lead to an unaccepted level of noise and lead to an increase in Public Nuisance in the Area.

Given the proximity of windows (10.3m) from the bar to local residents this would lead to unexceptable levels of light pollution and given the bar area is to be open to guests 24hrs a day this would severely impinge on general amenity .

Entrance lobby supervision will only address external noise disturbances once they have occurred and will do nothing to monitor patrons when they disperse down Chipping Close.:

Smokers standing outside the premises who tend to be loud after having alcohol.

Taxi's and other vehicles coming in to Chipping Close, using their horns to alert customers they have arrived to collect passengers. Chipping Close is already congested due to its narrow width and parking will be further misappropriated.#

Noise and disorder from dissatisfied patrons ejected from the premises.

Noise from an increased demand for police and emergency services.

Approval of this application would have a significant detrimental impact on the residents and so it is requested that restrictions are imposed to prevent future applications to sell food and alcohol to the general public.
