1. WHY THIS REPORT IS NEEDED

- 1.1 The Clinical Commissioning Group (CCG) have previously requested the opportunity to present a report to the Barnet Health Overview and Scrutiny Committee in relation to options for the continuation of services at Cricklewood GP Health Centre, following the expiration of the current service contract in June 2015. The CCG attended a meeting of the Committee on 9 February 2015.
- 1.2 At that meeting, the Committee requested to receive a further report on this matter. The report attached at Appendix A provides this update.

2. REASONS FOR RECOMMENDATIONS

- 2.1 The report provides the Committee with the opportunity to be updated on this matter and provide the CCG with their views on this issue.

3. ALTERNATIVE OPTIONS CONSIDERED AND NOT RECOMMENDED

- 3.1 Not applicable.

4. POST DECISION IMPLEMENTATION

- 4.1 The views of the Committee in relation to this matter will be considered by the CCG.

5. IMPLICATIONS OF DECISION

5.1 Corporate Priorities and Performance

- 5.2 The Overview and Scrutiny Committee must ensure that the work of Scrutiny is reflective of the Council's principles and strategic objectives set out in the Corporate Plan 2015 – 2020.

- 5.3 The strategic objectives set out in the 2015 – 2020 Corporate Plan are: –

The Council, working with local, regional and national partners, will strive to ensure that Barnet is the place:

- Of opportunity, where people can further their quality of life
- Where people are helped to help themselves
- Where responsibility is shared, fairly
- Where services are delivered efficiently to get value for money for the taxpayer

5.4 Resources (Finance & Value for Money, Procurement, Staffing, IT, Property, Sustainability)

- 5.5 None in the context of this report. The Committee will be asked to consider the report from the CCG, and provide them with their views.

5.6 Legal and Constitutional References

5.71 Section 244 of the National Health Service Act 2006 and Local Authority (Public Health, Health and Wellbeing Boards and Health Scrutiny) Regulations 2013/218; Part 4 Health Scrutiny by Local Authorities provides for the establishment of Health Overview and Scrutiny Committees by local authorities.

5.7.11 The Council's Constitution (Responsibility for Functions) sets out the terms of reference of the Health Overview and Scrutiny Committee as having the following responsibilities:

"To perform the overview and scrutiny role in relation to health issues which impact upon the residents of the London Borough of Barnet and the functions services and activities of the National Health Service (NHS) and NHS bodies located within the London Borough of Barnet and in other areas."

5.8 Risk Management

5.8 Not receiving this report would present a risk to residents if the Committee is not kept up to date on issues surrounding the options for the continuation of services at Cricklewood GP Health Centre, following the expiration of the current service contract in June 2015 and the extension of the Walk In contract until December 2015.

5.9 Equalities and Diversity

5.9.1 Equality and diversity issues are a mandatory consideration in decision-making in the council pursuant to the Equality Act 2010. This means the council and all other organisations acting on its behalf must have due regard to the equality duties when exercising a public function. The broad purpose of this duty is to integrate considerations of equality and good relations into day to day business requiring equality considerations to be reflected into the design of policies and the delivery of services and for these to be kept under review. Health partners as relevant public bodies must similarly discharge their duties under the Equality Act 2010 and consideration of equalities issues should therefore form part of their reports.

5.9.2 In addition to the Terms of Reference of the Committee, and in so far as relating to matters within its remit, the role of the Committee is to perform the Overview and Scrutiny role in relation to:

- The Council's leadership role in relation to diversity and inclusiveness; and
- The fulfilment of the Council's duties as employer including recruitment and retention, personnel, pensions and payroll services, staff development, equalities and health and safety.
- The Council is required to comply with its public sector equality duty as set out in the Equality Act 2010 which is to give due regard to the matters set out in s149:
 - the need to—
 - (a) eliminate discrimination, harassment, victimisation and any other conduct that is prohibited by or under this Act;
 - (b) advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;
 - (c) foster good relations between persons who share a relevant protected characteristic and persons who do not share it.

- The relevant protected characteristics are—
- age;
disability;
gender reassignment;
pregnancy and maternity;
race;
religion or belief;
sex;
sexual orientation

In considering the proposals the Committee should take into account the users of the current service and whether there is any adverse effect on those within any of the protected groups.
