

**Council Questions and Supplementary Questions (in proper order) - 8 December 2015**

<b>Qn no</b>	<b>Councillor</b>	<b>Question</b>	<b>Councillor Answering</b>	<b>Answer</b>	<b>Supplementary Question</b>	<b>Supplementary Answer</b>
1	Cllr Brian Salinger	Under the terms of the lease for the 'HAB building' in Woodhouse Road, who is responsible for clearing the gutters?	Cllr Daniel Thomas (Chairman of Assets, Regeneration and Growth Committee)	Responsibility for clearing the gutters will rest with the potential lessee under the terms of the lease. A lease offer has been put to the potential lessee but this has not yet been agreed. In the meantime, responsibility lies with the building services team.	HAB have been in occupation of that building for at least 15 years so may I raise my eyebrows at the future tense used in the reply given. I'm sure Cllr Thomas has been briefed. Perhaps he can tell me when the gutters were last cleaned or when they are next going to be cleaned?	The briefings do not stretch to the clearing of gutters on all our buildings but I will write to Cllr Salinger on this matter.
2	Cllr Alison Moore	The 3 year review of the Capita CSG Contract is due next summer. Will the Leader agree with me that it is vital that the review is thorough, rigorous and challenging? Can he detail the process that	Cllr Richard Cornelius (Leader of the Council)	The CSG contract has seen significant success and resulted in significant change in Barnet since the middle of 2013. At a headline level the partnership is on track to deliver £126m of savings, and the majority of services are performing well against the required outcomes.	The 3 year review in this very large contract is less than six months away. I am surprised that the process has not been brought to members before now. Can you tell me how members across this chamber will be	The success of this contract is self-evident to most of us and I will relish the opportunity to trumpet the successes. But there will be things that we want to change and they will be done through the committee

Qn no	Councillor	Question	Councillor Answering	Answer	Supplementary Question	Supplementary Answer
		<p>will be followed, when that will be brought to committee for agreement, how members will be involved in throughout the review and what public consultation will take place?</p>		<p>The inclusion of the Year 3 Outcome Review is a helpful mechanism given the time that has lapsed since the outset of the contract and the extent to which the landscape has changed. This will be a thorough, vigorous and challenging process.</p> <p>A paper outlining the whole review process will go to Performance and Contract Management Committee in January. This paper will ask members to consider how they want to proceed.</p> <p>The process that will be outlined in the report will show how both parties will have an opportunity to consider what is working well, areas for improvement and to consider the changing needs of LBB. Annual satisfaction</p>	<p>involved, not just those within Performance and Contract Monitoring and how you will be consulting and taking evidence from the wider public, to help us judge the success of the first 3 years of the CSG contract.</p>	<p>system under which this council operates.</p>

Qn no	Councillor	Question	Councillor Answering	Answer	Supplementary Question	Supplementary Answer
				<p>surveys are at the point of being circulated this year, and the results of these will ensure staff views are fed into the review.</p> <p>A further report that will detail the outcome of the review will be brought to Performance and Contract Management Committee in the autumn.</p>		
3	Cllr Brian Salinger	How much money has been set aside within the Council's capital budget for the next few years for the maintenance of Council owned community centres such as The Freehold Centre in Alexandra Road, N.10?	Cllr Daniel Thomas (Chairman of Assets, Regeneration and Growth Committee)	We have set aside a revenue budget of approximately £600k per annum to allow us to maintain all council assets to a similar standard, including community centres such as the Freehold Centre.	Can Cllr Thomas please also arrange for me to be sent a list of all the buildings maintained under this budget head?	Of course.
4	Cllr Amy Trevethan	Can the Leader explain what contribution the axing of the meals on wheels service makes to delivering the Conservatives' long term economic plan?	Cllr Sachin Rajput (Chairman of Adults and Safeguarding Committee)	The long term economic plan is about ensuring the nation's future financial security and prosperity. One of its key requirements is to eliminate the huge budget deficit left by the last Labour government. This has necessitated cuts in spending across central and	The Chancellor has recently announced that he will let councils levy a 2% precept to recover some of the damage that local government cuts have wreaked on adult Social Care budgets. Is the Chancellor	It is right to say, of course, that national government and the Conservative group of Barnet Council have taken into account at all stages the interests of those that we serve. We continue to do that. If

Qn no	Councillor	Question	Councillor Answering	Answer	Supplementary Question	Supplementary Answer
				<p>local government. The decision not to re-procure a Home Meals Service at the expiry of the current contract in March 2016 will save the council £274k per year, thus making a contribution to meeting our budget challenge. Over half of London boroughs have already done this, with the numbers of people choosing to use Meals on Wheels having dwindled due to the range of alternative options now available to them.</p>	<p>acknowledging that these cuts, part so we are told of the long term economic plan, have in fact caused intolerable and unnecessary hardship for vulnerable people?</p>	<p>you want an answer from George Osborne, perhaps you will have to write to him but we will continue doing what we are doing and what we are doing well.</p>
5	Cllr Sury Khatri	<p>Would the Leader join me in congratulating the Corporate Anti-Fraud Team (CAFT) on their work investigating and prosecuting those attempting to defraud the taxpayer? Would he agree with me that we should further actively promote their work, for example in relation to cases where people have fraudulently used</p>	Cllr Richard Cornelius (Leader of the Council)	<p>CAFT do a terrific job in discovering cases of fraud and bringing the perpetrators to justice. They routinely recover in excess of £10m annually for the taxpayer. We try to publicise the outcomes of investigations in the media where appropriate so that people can see that fraudsters will be caught. Any attempt to use a false address to hoodwink the admissions system is a serious issue and we can certainly look at ways to</p>	<p>I would like to make the suggestion to the Leader: would it be more appropriate to periodically put an item in the Barnet First magazine which highlights the successes in monetary terms as well as good news for the taxpayers and a warning for the others. But the message will be out periodically.</p>	<p>A very good idea.</p>

Qn no	Councillor	Question	Councillor Answering	Answer	Supplementary Question	Supplementary Answer
		addresses to try and win school places, so as to act as a deterrent to others?		further communicate this message and the work of CAFT.		
6	Cllr Barry Rawlings	Labour has always supported Neighbourhood Watch. Will the administration join us in thanking them for their work and assure them that the Council will fully support their vital role in community safety?	Cllr David Longstaff (Chairman of Community Leadership Committee)	<p>The work of Neighbourhood Watch (Barnet Borough Watch) is appreciated and supported by the council. That appreciation and support extends to the wider community safety partnership including the Police.</p> <p>We also welcome and appreciate the support that is being offered to Barnet Borough Watch by CommUnity Barnet who are working closely with them to sustain and develop the approach of delivering a Neighbourhood Watch service in the Borough.</p>	No supplementary	
7	Cllr David Longstaff	On November 18th Councillor Patel, a member of the Adults and Safeguarding Committee, wrote the following message on	Cllr Sachin Rajput (Chairman of Adults and Safeguarding Committee)	The report which went to the Adults and Safeguarding Committee on 12 <sup>th</sup> November did not recommend food banks as an alternative to the meals service. The appendix in	On the Labour Party website the Labour spokesperson for Adult Social Care Reema Patel was quoted as saying "proposing foods banks	Whilst we are making savings and moving along, doing things in the right way, scare mongering certainly helps no one. In times

Qn no	Councillor	Question	Councillor Answering	Answer	Supplementary Question	Supplementary Answer
		twitter: 'Barnet Council's suggestion that food banks might be considered a better alternative' with links to a press article regarding the Home Meals Service. Would the Chairman of Adults and Safeguarding like to comment on whether this was ever suggested as a better alternative?		question gave an exhaustive list of all sources of information and advice about food options within the borough. This was made clear by a senior officer at the meeting. There is no suggestion that people should rely upon food banks and no responses to the consultation (including the Labour Group's own submission) indicated that this had been perceived. Such claims as that made in the tweet to which you refer are typically disingenuous and deliberately misleading.	as a replacement for the home meals service for residents is reprehensible and demonstrates the depths to which Tory run Barnet Council is sinking." Bearing in mind this has never, ever been proposed does the Chairman of Adults and Safeguarding Committee agree with me that this twisted and scurrilous comment will cause trepidation in vulnerable adults and isn't quite what Jeremy Corbyn had in mind when he suggested that he wanted a "new, kinder politics"?	when we are making savings, we are still achieving awards. We received a gold award for one of the team's at the National Social Care Awards of the year, only a week or so ago. So we are certainly doing the right thing. We continue to do it well. Scare mongering, helps no one. Let's get on with business.
8	Cllr Amy Trevethan	Does the Leader believe that civil servants in the DfE are better placed than locally elected and locally accountable councillors for making	Cllr Richard Cornelius (Leader of the Council)	Barnet Council has always had a good relationship with the DfE.	Bureaucrats on the DfE have recently rejected a community based proposal for a free school in Underhill and High Barnet area in	The education system is in a state of change again as a result of one of the announcements in the spending review and I think it is an interesting

Qn no	Councillor	Question	Councillor Answering	Answer	Supplementary Question	Supplementary Answer
		decisions on which new schools open in Barnet?			favour of the Arc Academy chain without involving locally elected representatives. Does the Leader believe that this sort of process is properly open, competitive and democratic?	question that Cllr Trevethan raises. Of course, being a municipalist, I would much prefer that it were the council that decided this rather than the national Government but since the funding is coming from the national government, I don't think we are going to get a very big say.
9	Cllr Anthony Finn	What discrepancies are there between the amount of grant funding per head each borough receives and what impact do these differences have?	Cllr Richard Cornelius (Leader of the Council)	The discrepancies in the level of central government grant funding received by different boroughs are substantial. For example, whilst Barnet received £330 per head in 2014/15, neighbours Enfield, Brent, Haringey and Camden received £469, £560, £632 and £805 per head respectively. This means our spend per head is lower and consequently we have to be far more efficient in our operations.	As we are already that much more efficient than other boroughs, does it not mean that it would be harder for us to find further savings than those comparatively bloated boroughs?	It is always good when bloating is deflated and I hope the government, when it has the opportunity to adjust the RSG, does just that.

<b>Qn no</b>	<b>Councillor</b>	<b>Question</b>	<b>Councillor Answering</b>	<b>Answer</b>	<b>Supplementary Question</b>	<b>Supplementary Answer</b>
10	Cllr Alan Schneiderman	Local residents tell me that they are unhappy with Tory plans to reduce North Finchley library to less than a third of its current size and leave it unstaffed most of the time. What are they telling the Leader and chair of the committee who are pushing through these plans?	Cllr Reuben Thompstone (Chairman of Children, Education, Libraries and Safeguarding Committee)	The public are telling me they want the libraries kept open. The consultation is still underway.	Local residents are telling me as they are telling lots of my colleagues that they are not happy with Tory plans to cut North Finchley Library and remove untrained staff, and leave it unstaffed for a lot of the time. Will Cllr Thompstone actually answer the question? Are residents saying the same thing to him or are they saying to him that he is doing a good job?	I reiterate the same point that I made with the answer which is that residents are saying to me that when they look at the closures of libraries that have taken place in neighbouring Labour local authorities they are delighted with the fact that we are able to find a programme to put forward that doesn't involve those closures.
11	Cllr Anthony Finn	What would Band D council tax in Barnet be if we were funded to the same level as other authorities?	Cllr Richard Cornelius (Leader of the Council)	Because our grant funding is so low, a greater proportion of our budget has to be generated from council tax. If we received the same grant funding per head as Enfield our Band D Council Tax would need only be £708 per year for us to maintain current spend on services. The level of Band D Council Tax would drop to £452 and £247 per year if funded to the same	No supplementary	

Qn no	Councillor	Question	Councillor Answering	Answer	Supplementary Question	Supplementary Answer
				level as Brent and Haringey respectively. If we were given the same funding settlement as Camden, far from charging council tax we would instead actually be able to give residents £243 per year.		
12	Cllr Arjun Mitra	In the aftermath of the dreadful Paris attacks, can we be assured that Jewish and Muslim community centres and schools have adequate security, given the possibility of reprisal attacks and attacks here?	Cllr Richard Cornelius (Leader of the Council)	<p>Following the tragic incidents in Paris the Council continues to work closely with the police. The police will act upon any intelligence on the threat of attack not only in Barnet but across London and the UK.</p> <p>The Council have in place the required emergency planning and business continuity processes for the sites that they own and manage, officers also review the security arrangements for council owned and managed buildings on a regular basis. I would urge our local communities to do the same and review and refresh the security arrangements they have in place to ensure they are</p>	No supplementary	

Qn no	Councillor	Question	Councillor Answering	Answer	Supplementary Question	Supplementary Answer
				<p>adequate – this is good practice.</p> <p>The threat level has been severe since August 2014 and people will be aware that there have been large scale training exercises held in London this summer for the type of scenario that tragically happened in Paris.</p> <p>What is ever more important now is a focus on the trust and relationships with our communities. The police rely on information from our communities – including suspicious behaviour from groups or individuals – the police have received more reports over the last year and it is these reports that can potentially contribute towards preventing an incident occurring.</p> <p>We need to recognise the role our communities will play in potentially preventing an attack</p>		

Qn no	Councillor	Question	Councillor Answering	Answer	Supplementary Question	Supplementary Answer
				<p>by remaining alert, vigilant and reporting anything suspicious to the confidential Anti-Terrorist Hotline on 0800 789 321 (999 in an emergency).</p> <p>The National Security Office also provides advice and guidance on general security matters – <a href="http://www.nactso.gov.uk">www.nactso.gov.uk</a></p> <p>This terror attack shows the importance of further pushing the Prevent agenda and our work in this regard..</p> <p>Police and officers from the council will continue the dialogue and to strengthen the links with various community groups, which was reinvigorated following from the attack in Paris in the spring - this will provide an opportunity to have the 1-2-1 dialogue that is needed to build our community resilience so we are working together to keep Barnet safe.</p>		

Qn no	Councillor	Question	Councillor Answering	Answer	Supplementary Question	Supplementary Answer
13	Cllr Anthony Finn	Is the Leader aware of Enfield Council's Council Tax Support Scheme consultation, which proposes increasing the minimum contribution residents must pay to 43%? What are Barnet's plans with regards to the minimum contribution for 2016/17?	Cllr Richard Cornelius (Leader of the Council)	Enfield's proposal to ask those on the lowest incomes to pay a minimum of 43% of their council tax liability shows what Labour actually do when in office. The proposed increase equates to an extra £328 per year for a Band D household. Our minimum contribution is in line with our neighbouring borough at 20%.	Does the Leader not find it interesting and hypocritical that the very things that the Labour group in Barnet criticise the council for are being suggested and implemented, often to much greater extremes, in neighbouring Labour run boroughs?	The lack of liaison between our Labour Party here in Barnet and those Labour Parties that are in powers does seem to be extraordinary. It seems very strange to propose something in one borough and then oppose it in another.
14	Cllr Zakai Zubairi	Grahame Park Way is a narrow road, cars are parked on both sides and there is already congestion during peak hours. What arrangements will be put in place to manage the traffic and parking chaos there at peak times?	Cllr Dean Cohen (Chairman of Environment Committee)	I am advised that Grahame Park Way is not Public Highway and the Council therefore has no jurisdiction over the management of parking in this road.	No supplementary	
15	Cllr Val Duschinsky	How many net new homes were delivered in Barnet and in each of our neighbouring boroughs between 2010/11 and 2013/14 (the last year for which verified figures	Cllr Tom Davey (Chairman of Housing Committee)	The number of net new homes delivered between 2010/11 and 2013/14 are as follows:  Barnet – 5250 Brent – 2340 Camden – 1920	The fact that over this period Barnet saw more than double the number of new homes delivered as achieved in any of these neighbouring boroughs is one worth	Yes. And what it demonstrates is if Labour run London boroughs got their acts together and actually redeveloped some of their large housing estates with

Qn no	Councillor	Question	Councillor Answering	Answer	Supplementary Question	Supplementary Answer
		are available)?		Enfield – 1820 Haringey – 2480 Harrow - 1930	noting. Does the chairman agree this shows Barnet is out in front in dealing with this housing shortage?	large footprints, perhaps we would be a long way to solving the housing situation in London. Conservative authorities are doing their bit, perhaps Labour authorities should stop writing about it and get on and implement it.
16	Cllr Reema Patel	Does the Leader think it was appropriate to refer to food banks in their papers about the decision to axe the council's funding for meals on wheels?	Cllr Richard Cornelius (Leader of the Council)	<p>The only reference to food banks came towards the end of a 19 page long table in an appendix, which provided an exhaustive list of all providers of advice about food options in the borough. This was an attempt by officers to be as comprehensive and helpful as possible. Food banks were not being suggested as an alternative meal option.</p> <p>Clearly their inclusion in the appendix was regrettable as it enabled your attempts to mislead the public by misrepresenting the report's</p>	The question was whether the Leader thought that was an inappropriate inclusion. The Leader hadn't answered the question; would he like to answer the question again? Is it an appropriate inclusion or not?	It's very proper that these reports include an awful lot as otherwise there is always the risk of someone claiming in the future that they weren't informed about the detail.

Qn no	Councillor	Question	Councillor Answering	Answer	Supplementary Question	Supplementary Answer
				<p>recommendations, despite being advised by a senior officer at the meeting that food banks were not part of the recommendations. To anyone who has seen the papers in their entirety it is evident that you have given food banks undue significance.</p>		
17	Cllr Val Duschinsky	For the same boroughs over the same period, how many affordable homes were built?	Cllr Tom Davey (Chairman of Housing Committee)	<p>Affordable home completions between 2010/11 and 2013/14:</p> <p>Barnet – 1800  Brent – 2280  Camden – 1140  Enfield – 1710  Haringey – 1280  Harrow - 1080</p>	No supplementary	

Qn no	Councillor	Question	Councillor Answering	Answer	Supplementary Question	Supplementary Answer
18	Cllr Jim Tierney	A report in the National Press recently claimed that many who purchase new-build homes are encountering unexpected extra costs as a consequence of the poor quality build and workmanship. Our own Millbrook Park Estate in Mill Hill is taken as an example. There a new home was found to be very poorly insulated, most walls did not have cavity insulation and there was cold air coming through the skirting boards. All this inevitably led to very high heating costs. There was noise coming through the badly fitted windows and many more faults besides. The National House Builders Council (NHBC) is involved and attempting	Cllr Richard Cornelius (Leader of the Council)	I have sympathy with the councillor's views and think that this section of the development was not granted planning permission by Barnet, but by the Planning Inspectorate. This is why the NHBC exists.	The fact that the application got permission by Inspectorate is not that relevant. Inspectorate doesn't do building control or planning. But what we really need here, and I wonder when he is next speaking with the directorate of planning and regeneration, we need in all the planning applications is to prevent any recurrence of this national press business. A condition that says the building control checks will happen at regular intervals throughout the construction phase. Councillors can introduce a condition at the committee but it's better to be in the reports from the start and I think we can talk to our planning	Yes, in so far as is possible.

Qn no	Councillor	Question	Councillor Answering	Answer	Supplementary Question	Supplementary Answer
		<p>to get the necessary remedial work done. But who did the Building Control sign-off for this shoddy work? We know it was not done by Barnet Building Control. The NHBC is funded by the developers but sometimes it signs off the work. Home buyers have no confidence in this arrangement. Whoever it was signed off this, some very poor quality build and workmanship was approved. We know the developer is not obliged to use Barnet Building Control but ultimately the Local Authority still has a responsibility to residents. Could I ask the Leader therefore to look into this and see what the Council can do to regain control in these</p>			<p>directors and officers. We need to get this in. I am asking will he agree to do this?</p>	

Qn no	Councillor	Question	Councillor Answering	Answer	Supplementary Question	Supplementary Answer
		matters?				
19	Cllr Val Duschinsky	Would the Committee Chairman give Council an update on the progress of the new council homes being built across the borough?	Cllr Tom Davey (Chairman of Housing Committee)	<p>Barnet Homes is making excellent progress with their development programme of 40 new affordable homes across six sites:</p> <ul style="list-style-type: none"> <li>• Bedford Road, NW7</li> <li>• Brent Place, EN5</li> <li>• Green Lane, HA8</li> </ul>	No supplementary	

Qn no	Councillor	Question	Councillor Answering	Answer	Supplementary Question	Supplementary Answer
				<ul style="list-style-type: none"> <li>• Haldane Close, N10</li> <li>• Tarling Road, N2</li> <li>• Wade Court, N10</li> </ul> <p>Three of these units at Green Lane, HA8, will be completing in December, earlier than originally programmed. The Housing Allocations team are preparing potential occupants meaning that there will be a seamless transition from handover with the contractor to letting the properties and the new tenants will be able to move into their new homes in time for Christmas.</p> <p>The rest of the programme is still on time with projected site completion dates between March and June 2016. 26 of these 37 units will be family homes, helping to meet the borough's greatest housing need. Four of the units are built to wheelchair accessibility standards and are adaptable to meet the needs of their occupants. This will help to</p>		

Qn no	Councillor	Question	Councillor Answering	Answer	Supplementary Question	Supplementary Answer
				<p>reduce costs for adult social services as residents can live in purpose-built accommodation and avoid high-cost care or adaptations bills.</p> <p>Barnet Homes is also working on its next pipeline of potential development sites and is aiming to start consultation with Members in the forthcoming months.</p>		
20	Cllr Anne Hutton	<p>Could I have an update on what is happening with the (ex) Church Farm Museum? The lease to Middlesex University allowed for an element of community use. What community activities have taken place since it was leased almost three years ago? The Grade II listed building still appears to be empty.</p>	Cllr Daniel Thomas (Chairman of Assets, Regeneration and Growth Committee)	<p>The draft lease to Middlesex University has been issued and is awaiting final agreement of the terms. The building is currently occupied by <i>'Guardians'</i> to ensure it is secure which precludes use by third parties for community activities at this time. The terms agreed provide that the building will be reasonably available to community groups - further detail will be agreed as part of the final documentation.</p>	<p>Can I ask why it is taking so long for the draft lease to be issued? It think it's two years at least now since that was decided that Middlesex was going to be taking over the control of the building.</p>	<p>Middlesex will be putting in an awful lot of money into this building and of course it is taking them some time to agree the detail as any large expenditure will take.</p>
21	Cllr Brian Gordon	<p>How will our residents benefit from the Government's recent</p>	Cllr Tom Davey (Chairman of	<p>The Government has made it clear that it wants to increase opportunities for home</p>	<p>Will you not agree that the Right to Buy which is the substance of my</p>	<p>Yes.</p>

Qn no	Councillor	Question	Councillor Answering	Answer	Supplementary Question	Supplementary Answer
		announcement that it will allow Housing Associations to voluntarily introduce the extension of Right to Buy to their tenants?	Housing Committee)	<p>ownership, and as part of this has reached a voluntary agreement with Housing Associations on extending the Right to Buy to their tenants. The Housing Bill provides a mechanism for compensating Housing Associations for the loss of assets, as well providing funds to build replacement homes for those that are sold.</p> <p>The Government has signalled that the Right to Buy will be rolled out gradually, and has just announced that a pilot scheme will commence next year with five housing associations, London &amp; Quadrant, Sovereign, Riverside, Saffron Housing and Thames Valley. Under the pilot scheme, people who have been social housing tenants for at least 10 years will be able to apply to buy their home and receive discounts of up to £100k in London and £70,000 elsewhere.</p>	question is very much central to all the concept of the freedom of the individual which this council is committed to?	

Qn no	Councillor	Question	Councillor Answering	Answer	Supplementary Question	Supplementary Answer
				<p>However, although London and Quadrant and Riverside have some stock in Barnet ( 82 homes outside of Dollis Valley), these will not be included in the pilot. In the longer term, it is expected that the scheme will be extended to all housing associations, which will give many of the 7000 housing association tenants in the borough the opportunity to own their home.</p>		
22	Cllr Kathy Levine	<p>Does the Leader share our dismay that Barnet Council has now agreed to abrogate its responsibility to provide child mental health provision in Primary and Secondary schools unless the schools themselves pay for it? And is he also not concerned that our Barnet provision for social care is already overspent by £2.5 million</p>	Cllr Richard Cornelius (Leader of the Council)	<p>The Council and the Clinical Commissioning Group remain committed to primary mental health services but through the national “Future in Mind” CAMHS transformation approach we need to ensure that provision is delivered in a 21st Century way meaning we will seek to work differently using appropriate technology, drop in provision and peer-led programmes.</p>	<p>I fear that the answer I have been given does appear to be some form of double speak. The CELS report made quite clear that there was a cut of £465,000 to be made from cuts in mental health services in schools and for adolescence and that it would be again through “traded services”. So only if the schools are</p>	<p>We have got a motion down for debate later on which I am sure we can touch on this but we do have to remember what a state the country was left in by the last Labour Government. A long time ago, I know. Perhaps Cllr Lord Porter’s could best be described as ineffective and perhaps that’s one reason why we are wise to be in the</p>

Qn no	Councillor	Question	Councillor Answering	Answer	Supplementary Question	Supplementary Answer
		<p>because of what were already anticipated rising demands for services, such as: growth in residents with dementia; increase in residents with mental health issues and an increase in self-funding residents in care homes who have run out of money and who now look to their council to take care of them? Will he join with other Council Leaders, including many from Tory councils, to call on the Chancellor to rethink his policy for continuous cutting back of local authority services?</p>		<p>The Children Education Libraries and Safeguarding (CELS) Committee considered changes to the way Child and Adolescent Mental Health Services (CAMHS) were funded. The Council does not provide these services as they are commissioned from Barnet, Enfield and Haringey Mental Health Trust. The Council does not have a responsibility to fund these services for schools. Through the proposed new model of working being considered as part of the future work programme for CELS we want to explore the development of more bespoke support for schools meeting the needs of their pupils. We will work with schools and providers to see how this can be best achieved.</p> <p>The adults budget position is a challenging one and one that is not unique to Barnet. Within Barnet work is focused on</p>	<p>able to afford it. Furthermore in view of that the Leader said earlier about the need to listen to other councils, does he not think that since the Tory Leader of the Local Government Association himself is saying “councils are on the edge of collapse. More cuts will be ruinous for local services” is he not willing to approach the Chancellor on behalf of Barnet Council and ask him to stop these ruinous cuts to council funding?</p>	<p>process of leaving the Local Government Association.</p>

Qn no	Councillor	Question	Councillor Answering	Answer	Supplementary Question	Supplementary Answer
				<p>bringing the budget back in line through a focus on preventative services, enabling individuals and communities to help themselves and each other , delivering efficiencies, ensuring value for money and finding a sustainable solution for Adult Social Care through our medium term financial plans.</p>		
23	Cllr Brian Gordon	<p>Is the Council geared up for the highly significant change announced by Chancellor Osborne whereby local authorities will be allowed to retain all their business rates income locally?</p>	Cllr Richard Cornelius (Leader of the Council)	<p>This is a significant shift in the way local authorities will be funded in future and is a big opportunity for a growing, successful place like Barnet. The announcement indicates that Councils will retain all of business rates by 2020, and as yet little detail has emerged on how the system will work and what redistribution arrangements will be put in place between Councils. It will require careful planning and engagement with the business community and the Council will ensure that sufficient attention is given to this in the future.</p>	<p>Do you think that the new arrangement for business rates which were to come through gradually will actually enable us as a council and other councils too to act more independently in setting those rates and even to bring the business rates down?</p>	<p>Yes, I do believe this to be an excellent step forward for local government. The devil will of course be in the detail and we will be fighting all the way to make sure that we get the best possible deal for Barnet as we transition to the new system.</p>

Qn no	Councillor	Question	Councillor Answering	Answer	Supplementary Question	Supplementary Answer
24	Cllr Pauline Coakley Webb	Across all areas, in-house or outsourced, how many staff vacancies are there, and for how long has each post not been filled? [please provide the information by job title]	Cllr Richard Cornelius (Leader of the Council)	Please see the attached spreadsheet in Appendix A. These are the vacancies that relate to the establishment lists that the council and its partners hold. Areas like CSG and Re do not keep an establishment and, as such, there are no vacancies.	<p>I am astounded at the number of posts at the back and the length of time that they have remained vacant and it does make me wonder how much of this is an accounting exercise to purposely keep posts open. So I would like to know if that is the case or if we have just not been able to fill them.</p> <p>As for not being able to get any information regarding the CSG and the RE contract, that we don't seem to have the figures, will we be able to get hold of these figures which I think rightly councillors should be able to see or will it have to be forced out of</p>	I am sure that of the councillor approaches our CSG and RE partners that she will extract that information painlessly but perhaps we need to go through some of these posts and delete them if they are not being filled and there is no prospect of filling them.

Qn no	Councillor	Question	Councillor Answering	Answer	Supplementary Question	Supplementary Answer
					the authority on FOI?

In the light of the debate on the subject at our previous Council meeting, do we have any up-to-date information as to how many refugees may be coming to Barnet and how much Government funding will be available to us?	Cllr Richard Cornelius (Leader of the Council)	<p>The council has committed to resettle 50 refugees from Syria through the Government's Vulnerable Person Relocation Scheme. Arrangements with the Home Office are being finalised and we expect to begin welcoming refugees in the New Year. In terms of numbers, the commitment is to resettle 50 and Barnet is one of the few London boroughs to voluntarily make such a commitment to date. The 20,000 refugees that the Government has committed to resettling by 2020 will be accommodated across the UK. It may be that, in future, refugees placed in other areas move to London and to Barnet but it's not possible to predict how many.</p> <p>Those resettled through the Government scheme will be given 5 years Humanitarian</p>	No supplementary	

Qn no	Councillor	Question	Councillor Answering	Answer	Supplementary Question	Supplementary Answer
				<p>Protection status, meaning that they will be entitled to work and claim benefits upon arrival. At the end of the 5 years, they can apply for indefinite leave to remain. In terms of funding, Government has committed to fund the full costs of resettlement in the first year through a system of unit costs with continuing funding for the following 4 years as refugees become integrated or return home.</p>		
26	Cllr Gill Sargeant	<p>As the Council are a signed up partner to Colindale Our Place, can you update me where you are with getting the go ahead for Grahame Park Community Centre to coordinate its running alongside other community centres in Colindale.</p>	Cllr Richard Cornelius (Leader of the Council)	<p>At the meeting of the Grahame Park Strategy group on November 18, 2015, it was agreed to set up a small sub group comprising the Council, Barnet Homes and Genesis to explore options to improve the current community centre 'offer' as part of the 'Our Place' initiative. This will include improved marketing, booking, maintenance and refurbishment.</p>	<p>As you know the existing Grahame Park Community Centre is due for demolition. Could you let me know what plans there are for the next stage, for the new Grahame Park Community Centre?</p>	<p>I don't have that available immediately. I will write to the councillor with the definitive detail as it emerges over the next few weeks.</p>

<b>Qn no</b>	<b>Councillor</b>	<b>Question</b>	<b>Councillor Answering</b>	<b>Answer</b>	<b>Supplementary Question</b>	<b>Supplementary Answer</b>
27	Cllr Joan Scannell	What is the crime rate in Barnet and how does it compare to both the London average and our neighbouring boroughs?	Cllr David Longstaff (Chairman of Community Leadership Committee)	The crime rate in Barnet for 2014/15 was 62.7 (per thousand). This compares to a London average of 84. Barnet is also safer than neighbouring Brent, Enfield and Haringey, with Camden's crime rate of 123.5 being virtual double that in our borough. Keeping crime rates as low as possible continues to be a key objective.	No supplementary	
28	Cllr Phil Cohen	Why did the council totally ignore the findings of the public consultation into ending the meals at home service which concluded that 'people are not in favour of the proposal', and why did you ignore the Equalities Impact Assessment which said that there would be a disproportionate negative impact on older people aged 85 and over, people with physical	Cllr Sachin Rajput (Chairman of Adults and Safeguarding Committee)	The findings from the consultation and the EIA have been fully considered as part of the overall proposal that was put forward for Committee to agree and indeed a number of questions were asked by committee members from both parties about both documents. Cllr Davey for example asked several questions about the impact of the decision on people from BME groups and women. Regarding the EIA, while it has identified negative impacts for specific groups of	No supplementary

		<p>residents of the proposed cuts to welfare and public services and how does he intend to mitigate the impact of Barnet's share of the Chancellor's £12 billion cuts on Barnet residents?</p>		<p>as for the taxpayer.</p> <p>The Welfare Reform Task Force has supported 1885 people due to have their overall benefits capped since June 2013. The team include JobCentre Plus, Barnet Homes, the council's Benefit service and a commissioned health coaching service. This service offers support, advice and access to discretionary funding such as Discretionary Housing Payments, the Crisis Fund and discretionary Council Tax Relief. The team have supported 669 people or 35% of their caseload into work. The team have supported new claimants of Universal Credit with managing their money and digital inclusion since March. This multi-agency support has also be extended to a community based team in Burnt Oak that runs from the library.</p>	<p>residents over the past five years and those planned as part of the £12b cuts risk forcing some households who are currently just about coping over the brink into poverty?</p>	<p>something at some time has to be done about it.</p>

Qn no	Councillor	Question	Councillor Answering	Answer	Supplementary Question	Supplementary Answer
31	Cllr Hugh Rayner	We all know that growing up in a workless household unfortunately makes someone more likely to experience poor educational attainment, unemployment and poverty themselves. This is one of the many reasons why getting people into work is so important. Given this, what percentage of children in Barnet are growing up in households where all the adults are out of-work benefit claimants and how does this compare to surrounding boroughs?	Cllr Richard Cornelius (Leader of the Council)	<p>The percentage of children growing up in households where all the adults are out-of-work benefit claimants is 10.6%, significantly below that in neighbouring boroughs. In Barnet we continue to strive to help as many people into work, specifically targeting those affected by welfare reform. The Welfare Reform Task Force has got a third of those affected by the benefit cap into employment. Such work will benefit not only the individuals, but their families and local communities for the long term.</p> <p>The percentage of children in all out-of-work claimant homes is as follows:</p> <p>Barnet – 10.6%  Brent – 15.8%  Camden – 18.9%  Enfield – 19.6%  Haringey – 19.2%</p>	Children growing up in workless families, really pleased to see that Barnet's figure was so much less than for adjacent boroughs. But a single child growing up in such a family is one too many. Can I ask the Leader to support all efforts to improve Barnet's employment levels and further reduce the number of workless families?	Absolutely.

<b>Qn no</b>	<b>Councillor</b>	<b>Question</b>	<b>Councillor Answering</b>	<b>Answer</b>	<b>Supplementary Question</b>	<b>Supplementary Answer</b>
32	Cllr Amy Trevethan	A government budget surplus means by definition that the government is taking more money out of the private sector than it is putting back in; does the Leader agree with this statement?	Cllr Richard Cornelius (Leader of the Council)	A budget surplus means that government income is slightly higher than government expenditure. A budget surplus means that the country is living within its means and that money is being saved for a rainy day. A budget surplus means we are not piling ever more debt on future generations. A budget surplus means we have learned the lessons of the last Labour government.	I take it that the Leader does agree, given it is just a basic principle of accounting, but does the Leader think it's preferable for money to be saved at a hypothetical rainy day rather than invested in infrastructures, such as flood defences, protecting the British such as those affected by Storm Desmond, for the consequences of a real rainy day.	I won't argue about accounting and econometric minutiae. Of course the words 'budget surplus' is an emotive term and implies some very special frugality, whereas governments throughout the years in Britain have traditionally been profligate and the size of the national debt is so enormous that I think we just need to pay attention to it.
33	Cllr Hugh Rayner	We recently received the long-awaited and much anticipated result to the West Hendon CPO Inquiry. Could the Leader comment on the Secretary of State's decision to confirm the CPOs?	Cllr Richard Cornelius (Leader of the Council)	The decision brings certainty and means we can get on with the long-promised regeneration, improving public space, revitalising the Broadway and providing the quality new homes people deserve. I welcome the clear conclusion of both the Planning Inspector and the Secretary of State that the scheme would contribute significantly to the economic,	One more obstacle has been removed from a successful regeneration outcome in West Hendon. Can I please ask the Leader to encourage cohesiveness and inclusivity in our dealings with West Hendon Regeneration rather than the continuous energy-sapping	No divisiveness from me.

40	Cllr Reema Patel	What are the Council's plans for managing pressure on parking in the New Southgate area in light of the Crossrail 2 proposals and will residents have the opportunity to input?	Cllr Richard Cornelius (Leader of the Council)	Crossrail 2 is still many decades off. It is too early to consider parking implications.	No supplementary	
41	Cllr Bridget Perry	At the last meeting we heard how unemployment is continuing to fall across the borough. Could the Leader indicate the fall in unemployment in each of Barnet's three constituencies in the last year?	Cllr Richard Cornelius (Leader of the Council)	Overall unemployment in Barnet is down 8% in the last year (Oct 2014 – Oct 2015). In each of the three constituencies the changes are as follows:  Chipping Barnet – a fall of 15% Finchley and Golders Green – a fall of 13% Hendon – a fall of 1%	No supplementary	

<b>Qn no</b>	<b>Councillor</b>	<b>Question</b>	<b>Councillor Answering</b>	<b>Answer</b>	<b>Supplementary Question</b>	<b>Supplementary Answer</b>
42	Cllr Phil Cohen	Does the Leader realise that ending the council's meals at home service will increase the risk of malnutrition for older people in Barnet, given that that Malnutrition Task Force has just reported that ' the decline of the Meals on Wheels service has happened at the same time as a significant increase in the number of hospital admissions for malnutrition' and that Age UK estimates that there are about 300,000 people aged 65 and over in England who need help with eating or have difficulty eating unaided.	Cllr Sachin Rajput (Chairman of Adults and Safeguarding Committee)	We have been clear that when any client is considered to have a nutritional need as part of an assessment under the Care Act 2014, the Council will arrange for nutritional support through the most appropriate means. Where people do not have an assessed need, they will be provided with information and advice about the vast range of options available in the Borough. People can also continue to receive a meals service directly from Sodexo, the current provider, by setting up private arrangements. The numbers of people choosing the traditional meals service has gone down by half over recent years, as people instead choose from the many other options available.	Given what the Malnutrition Task Force has said about increasing eating problems for older people at home linked to the decline of meals on wheels service, will the Leader accept that notwithstanding there will be other options available, old and vulnerable people are going to go hungry; they are going to suffer malnutrition in Barnet as a result of the withdrawing of the subsidy. Does he accept that?	No, and in addition to that can I just repeat the fact that we have a duty under the Care Act 2014 to deal with this. That duty will be met and will continue to be met.
43	Cllr Bridget Perry	What are the arrangements for Christmas parking across the borough this year?	Cllr Dean Cohen (Chairman of Environment	Motorists, as last year, will be able to park for free in all on-street pay to park locations and in the Council's car parks during	No supplementary

53	Cllr Reema Patel	<p>Does the Leader agree with me that after the emergency budget announcement of an increase in the national minimum wage, Barnet Tories' earlier decision to oppose an increase in pay to the Living Wage for care workers looks rather foolish, not to mention regressive?</p>	Cllr Richard Cornelius (Leader of the Council)	<p>I welcome the new National Living Wage and am pleased that workers across the sector will be rewarded by it. We took a lead to ensure all our directly employed staff were paid at least the London Living Wage. We have always encouraged partner organisations and contractors to pay a fair wage, but it is not always practicable to dictate to those operating in a competitive market-place.</p>	No supplementary	

<b>Qn no</b>	<b>Councillor</b>	<b>Question</b>	<b>Councillor Answering</b>	<b>Answer</b>	<b>Supplementary Question</b>	<b>Supplementary Answer</b>
54	Cllr Phil Cohen	Why are the Tories proposing to cut staffing hours in Barnet libraries by 70 per cent and sack 52 full time equivalent library posts when the public consultation found that 'there was widespread praise for the expertise and professionalism of Barnet's library staff, and a strong sense that these qualities could never be adequately replaced through the use of volunteers.'	Cllr Reuben Thompstone (Chairman of Children, Education, Libraries and Safeguarding Committee)	Around 70% of the costs of delivering the current library service are staff related. The proposals for the future of Barnet's Library service have had to balance a range of factors and reflect the overwhelming desire of residents to retain all 14 libraries.	The issue about cutting staff in libraries, is Cllr Thompstone really oblivious to the dangers of, particularly East Barnet and these so-called partnership libraries which will have only 15 staffed hours a week, is he aware of the scenario where they fail to find enough volunteers and they will gradually wither away and have to close. Has he not taken that actually possibility into account?	I am very confident that adequate numbers of volunteers will come forward.
55	Cllr Anne Hutton	Could the Leader give an early indication of how the new arrangements for Children's Centres are working out?	Cllr Reuben Thompstone (Chairman of Children, Education, Libraries and Safeguarding Committee)	The Children's Centre Locality Model went live in September and is now embedding. 			Safeguarding Committee)	right children are in and that where pre-proceedings need to commence this is happening. It is difficult to predict if any significant change in trend will be seen going forward.		
69	Cllr Anne Hutton	How many small businesses have been successful in gaining Business Rate concessions through the hardship allowance scheme this year?	Cllr Richard Cornelius (Leader of the Council)	In 2015/16, there has so far been one application for hardship relief, but this has been deemed unsuccessful.	Could I have a bit more information about how the hardship scheme works and what are the criteria, etc?	I'll ask officers to write to the councillor.
70	Cllr Alan Schneiderman	Aren't plans to charge more for bulky waste and special collections at the same time as cutting the frequency of clearing fly tipping a double whammy for local residents?	Cllr Dean Cohen (Chairman of Environment Committee)	The planned increases in fees and charges for the vast majority of environmental services are in line with inflation and I do not believe that an inflationary increase will alter public behaviour in relation to the collection of bulky waste through the special collection service. There are no plans to reduce the frequency of fly tip collections – we are planning to increase our enforcement and communication efforts to make sure that the fly tips do not	Rather than charging more for bulky waste and special collections which is likely to lead to more fly-tipping in the borough, would he not consider introducing an idea that Labour came up with about having free collections which many councils do and do very successfully.	I am quite happy for Cllr Schneiderman to come up with that proposal at the relevant environment committee and explain where the money for that's coming from, another part of the budget.

				happen in the first place and that perpetrators are fined if they break the law.		
71	Cllr Arjun Mitra	It seems to have become practice this autumn to sweep fallen leaves to one side. Is the Council aware that that same wind that brings down the leaves also scatters the neat piles of swept leaves, thereby undoing the work of the sweepers? Can we please ensure that the leaves are collected on sweeping?	Cllr Dean Cohen (Chairman of Environment Committee)	Leaves are currently removed through 3 methods :- Utilising a suction machine where leaves are piled and then sucked directly into a caged vehicle, or as part of a deep cleanse where operatives sweep and collect leaves in piles which are bagged and then removed, or swept up by mechanical sweepers. Sweeping leaves to one side with no following-up collection is not general practice but may occur for short periods of time during the deep cleanse process.	No supplementary	
72	Cllr Zakai Zubairi	Please provide an update on whether targets are being met for waiting times at A&E at Barnet Hospital and The Royal Free?	Cllr Richard Cornelius (Leader of the Council)	The NHS A&E performance target is that 95% of people should be seen and treated within 4 hours of arrival. This remains a key NHS commitment.  This year to date, the Royal Free Barnet Hospital has achieved an	No supplementary	

Qn no	Councillor	Question	Councillor Answering	Answer	Supplementary Question	Supplementary Answer
				<p>average of 96% of people being seen under 4 hours. The Royal Free Hampstead Hospital comes in just short of the national target of 95%, with 94.88% as its average for this year.</p> <p>Over recent weeks this has started to be challenged, with the Barnet and Hampstead sites having a monthly average of 92.2% and 93.6% respectively. This is seasonal and as a local authority we continue to monitor this and work in partnership with Acute colleagues on a daily basis.</p>		
73	Cllr Phil Cohen	Does the Leader think Prime Minister David Cameron will be as disappointed with cuts to Barnet libraries involving the loss of 70 per cent of staffing hours, 52 professional library staff and excessive reliance on volunteers, as he	Cllr Richard Cornelius (Leader of the Council)	Unlike in neighbouring Labour-run boroughs, in Barnet we are keeping all our libraries open and will extend opening hours through the use of technology and volunteers. I think the PM would appreciate the efforts we have gone to in Barnet to avoid closures and, more widely, deliver as high a proportion of our necessary savings as	No supplementary

		apparently is with cuts to library services in Oxfordshire where he happens to be an MP?		possible through efficiencies.		
74	Cllr Gill Sargeant	As the cost of parking spaces for Pulse is now £25,000 can properties be considered reasonable for first time buyers?	Cllr Richard Cornelius (Leader of the Council)	The price of the parking spaces is based on market factors. It is individual buyers' choice on whether they want to acquire a parking space.	The cost of parking spaces on Pulse is now £25,000. I ask whether it would be considered reasonable and the reply I got 'it depends on market factors.' However there is no other parking available and I wonder if the council can please investigate this because it is getting extremely difficult for people who are trying to buy their own home to even park their own car.	This is quite a difficult problem that the councillor has outlined. But actually the purchase of a car parking space is part of the cost of purchasing a home.
75	Cllr Anne Hutton	How is support for small businesses in Barnet organised and how many have benefited from its services this year?	Cllr Richard Cornelius (Leader of the Council)	The council is working with its partners in Middlesex University, Barnet and Southgate College, Barnet Homes and the DWP to support small businesses and entrepreneurs in the Borough	It says at the bottom 'further investment in town centres including any improved parking and a range of activities to help local entrepreneurs to	This would be an interesting topic for the relevant committee and then perhaps we can draw on the expertise of all members across the committee.

Qn no	Councillor	Question	Councillor Answering	Answer	Supplementary Question	Supplementary Answer
				<p>through our shared “Entrepreneurial Barnet” approach. Over the last 12 months we have done a range of specific things to support small businesses including; encouraging over 350 to sign up for the government’s Business Broadband Voucher scheme, which is worth up to £3000 to each business; implementing free public WiFi in a range of town centre locations for visitors to use; testing new parking technology in Temple Fortune that makes it easier for people to visit their local town centre, and has resulted in greater use of parking facilities; implementing free town centre parking over the three weekends leading up to Christmas; securing £600,000 from the GLA which is being invested in improving Burnt Oak town centre and supporting local traders there; Council procurement officers are now</p>	<p>succeed and grow.’            Could I have some more information on the range of activities available to help local entrepreneurs; what these are and how many local businesses actually take up this offer.</p>

				<p>facility and during any intermediate phase prior to full re-provision of the community centre.</p>		
80	Cllr Alan Schneiderman	<p>Will action be taken to end the farce that occurred last year where people were still charged for parking in the weekends running up to Christmas when it should have been free?</p>	Cllr Dean Cohen (Chairman of Environment Committee)	<p>There was an initial technical problem with the Pay by Phone system on the first Saturday last year. This was immediately fixed and the system worked well for the remaining weekend periods. We have ensured that the system is fully tested prior to the first weekend of free parking this year.</p> <p>Additional notices have been placed near the parking machines so visitors are aware that parking is free for the designated periods.</p>	<p>I asked about the implementation of the free parking scheme in the run up to Christmas following the chaos we had last year when people were still charged despite the fact parking should have been free. Why have we got the same situation this year where there are no notices on any parking meters, parking meters are still accepting cash and people are queuing up to pay at parking meters. It's a total farce. The idea of this scheme is to actually encourage people to visit town centres and spend more money in town centres.</p>	<p>I have raised that point today with officers in regards to signs on meters.</p>

Qn no	Councillor	Question	Councillor Answering	Answer	Supplementary Question	Supplementary Answer
					Why can't the council do the simple thing and put a notice on the meter saying it's free to park?	
81	Cllr Phil Cohen	Will the Leader join me in congratulating the GPs and patients of East Barnet Health Centre for their successful campaign to re-open the much-needed centre, and does he agree that this shows that the NHS must always put people before profit?	Cllr Richard Cornelius (Leader of the Council)	Yes, I would congratulate the GPs, patients and local residents for a sustained effort to get the health centre re-opened. Theresa Villiers MP has to be thanked for her persistent and effective involvement in resolving this issue.	I'm sure it was an inadvertent omission to mention the role of ward councillors in the campaign. Does he agree that it shows the NHS must also put people before profit? Could he answer that?	Of course I should have warmed to the efforts of local ward councillors and indeed some of the conservative activists who were so prominent in forcing this through. It is that the NHS is there to help people. That is what it is for. Who pays for that service? The Taxpayer pays. The mechanism by which that service is delivered matters not at all to me.
82	Cllr Gill Sargeant	Could you confirm who will be taking over the freehold of Pulse properties from Fairview?	Cllr Richard Cornelius (Leader of the Council)	The freeholds are sold when Fairview have disposed of all the units in a private block.
