Summary

The report informs the Chipping Barnet Area Committee of a Members' Items and requests instructions from the Chipping Barnet Area Committee.

Recommendations

1. That the Chipping Barnet Area Committee instructions in relation to Members' items are requested.

1. WHY THIS REPORT IS NEEDED

1.1 A request has been received as identified below for the Chipping Barnet Area Committee to consider and determine two Members' Items. The Chipping Barnet Area Committee are requested to provide instructions to Officers of the Council as recommended.

Name of Councillor	Members Item
Councillor Levine	<p>Knoll Drive, Brunswick Park</p> <p>"Residents in Knoll Drive, Brunswick Park, have raised concerns at the state of the verges on this road. They report that people, including those dropping off/collecting children from the local school, park on the verges sometimes causing damage and slippery mud on the footpaths when wet. This is experienced on Knoll Drive on either side of Monkfrith Way not just the school side.</p> <p>May we please have a report back to the Chipping Barnet Area Committee on options for preventing parking affecting the verges in this road? Some options for consideration include use of bollards, geo-grid, placement of planters (possibly in collaboration with the school?), and other measures or a combination of these in different locations on the road. "</p>
Councillor Coakley-Webb	<p>Parking situation in Pembroke and Hampden Road N10</p> <p>I would like the Chipping Barnet Area Committee to agree for Highways to look at the parking situation in Pembroke and Hampden Road N10. This is partly because of a previous committee decision. Correctly it was agreed to have double yellow lines at junctions near Hollickwood School to prevent parent's parking dangerously.</p> <p>This situation arose along Sydney Road. However lines were also placed along Pembroke Road despite the smaller entrance being at the end of a cul-de-sac and only used by pupils walking to the school. This has taken 20 parking spaces away on a densely residential area where 2 garages use the roads as an over-flow for customers. So residents do not mind some restrictions such as single yellow with a couple of hours restriction but the unintended consequences have caused havoc in the area.</p>
