4. Representations

Responsible Authorities

The Licensing Team have not received any representations from any of the Responsible Authorities.

Other representations

The Licensing Team have received 5 representations from members of the public, 3 of these are from the same residential address.

The representation letter can be seen attached to this report in **Annex 3**.

5. Officer Comments

The licensing Act 2003 does not allow issues relating to parking or need to be considered when determining a licence application.

6. Attaching conditions

The operating schedule, which is part of the application, includes certain additional steps that the applicant will take to protect the licensing objectives. These will become enforceable conditions, should the licence be granted. Additional conditions may be attached to the licence if the committee thinks it appropriate.

The Committee must have regard to all of the representations made and the evidence it hears, and is asked to note that it may not attach conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must actually be appropriate in order to promote the licensing objectives.

In relation to conditions, the statutory guidance at chapter 10.8 states that "The licensing authority may not impose any conditions unless its discretion has been engaged following receipt of relevant representations and it is satisfied as a result of a hearing (unless all parties agree a hearing is not necessary) that it is appropriate to impose conditions to promote one or more of the four licensing objectives.

Full Copies of the Councils Statement of Licensing Policy, the Statutory Guidance to the Act and the Council's Guide to Good Practice at Licensed Premises will be available at the Licensing Sub Committee hearing or in advance if required.

A map centrally locating the premises and a plan shall be made available at the hearing.

Will the supply of alcohol be for consumption?

- On the premises Off the premises Both

If the club wishes members and their guests to be able to consume alcohol on the premises tick on, if the club wishes people to be able to purchase alcohol to consume away from the premises tick off. If the club wishes people to be able to do both tick both.

State any seasonal variations

For example (but not exclusively) where the activity will occur on additional days during the summer months.

There is likely to be much less activity during the summer months (May, June, July) when football matches are not being played. Although I have said that alcohol will be sold on Tuesday and Wednesday evenings, there will only be a maximum of one midweek match each week, so it will only be one of these evenings (it could be either Tuesday or Wednesday). There will be many weeks during the football season when no midweek matches are played, so no alcohol will be sold during these midweek evenings. Also, I have said that alcohol will be sold up until 23:00 hours on Saturdays, it is likely that the site will be closed much earlier than this and alcohol will only be sold up until about 19:00 hours. I have put 23:00 hours just in case the site stays open a bit later for any reason.

Non-standard timings. Where the club intends to use the premises for the supply of alcohol at different times from those listed in the column on the left, provide list

For example (but not exclusively), where you wish the activity to go on longer on a particular day e.g. Christmas Eve.

Section 15 of 16

LICENSING OBJECTIVES

Describe the steps you intend to take to promote the four licensing objectives:

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

A responsible approach to the sale of alcohol will be maintained at all times. All persons will be advised of the UK licensing law before being allowed to serve alcohol. Training will be provided, as necessary, and a record will be kept of the name of the person trained and the date that this took place.

b) The prevention of crime and disorder

A zero tolerance policy to the use of drugs will be adopted. Posters will be displayed throughout the premises to remind people of the zero tolerance policy. Drink-aware posters will also be displayed in the premises to remind people of the unit content in alcoholic drinks and the safe alcohol consumption limits. We will restrict the sale of strong beers and ciders above 5.5%. Security reviews will be held regularly as necessary. The premises is already fitted with a security alarm and external security lighting.

c) Public safety

First Aid equipment will be kept on site at all times. Used glasses and bottles will be collected regularly, spillages and broken glass will be cleaned up immediately to prevent floors from becoming slippery and unsafe. Drink driving will be discouraged at all times, with posters displayed to highlight this. As food is provided to the players after most football matches, the purpose of the club premises certificate is so that an alcoholic drink can be purchased to drink with their food if they wish. Only a small number of spectators and committee members watch each match, and it would also give them the option of having an alcoholic drink after the match or at half time.

d) The prevention of public nuisance

No alcohol will be allowed to be taken outside, it must be kept inside at all times. This will reduce noise and will stop people from drinking whilst watching the football match. All doors and windows will be kept shut when alcohol is being sold, so that noise is not heard from outside of the premises. No loud music will ever be played at the premises (no events with a DJ etc. will ever be held at the premises). A contact telephone number will be made available at the entrance to the site at all times, so that local residents can make contact at any time if needed. This telephone number will be available at all times when the premises are in use. A sign will be displayed to remind people to leave quietly when they exit the premises and to keep the noise to a minimum.

e) The protection of children from harm

The admittance of children will only be permitted if they are accompanied by an adult. A strict 'No ID - No Sale' policy will be observed at all times. Only photographic driving licences or passports will be accepted as approved means of ID. No entertainment of an adult nature will ever take place at the premises. No gambling/gaming machines will be installed at

the premises.

them shall vest automatically in the surviving Custodians. If there is only one surviving Custodian, an EGM shall be convened as soon as possible to appoint another Custodian.

(k) The Custodians shall be entitled to an indemnity out of the Club Property for all expenses and other liabilities reasonably incurred by them in carrying out their duties.

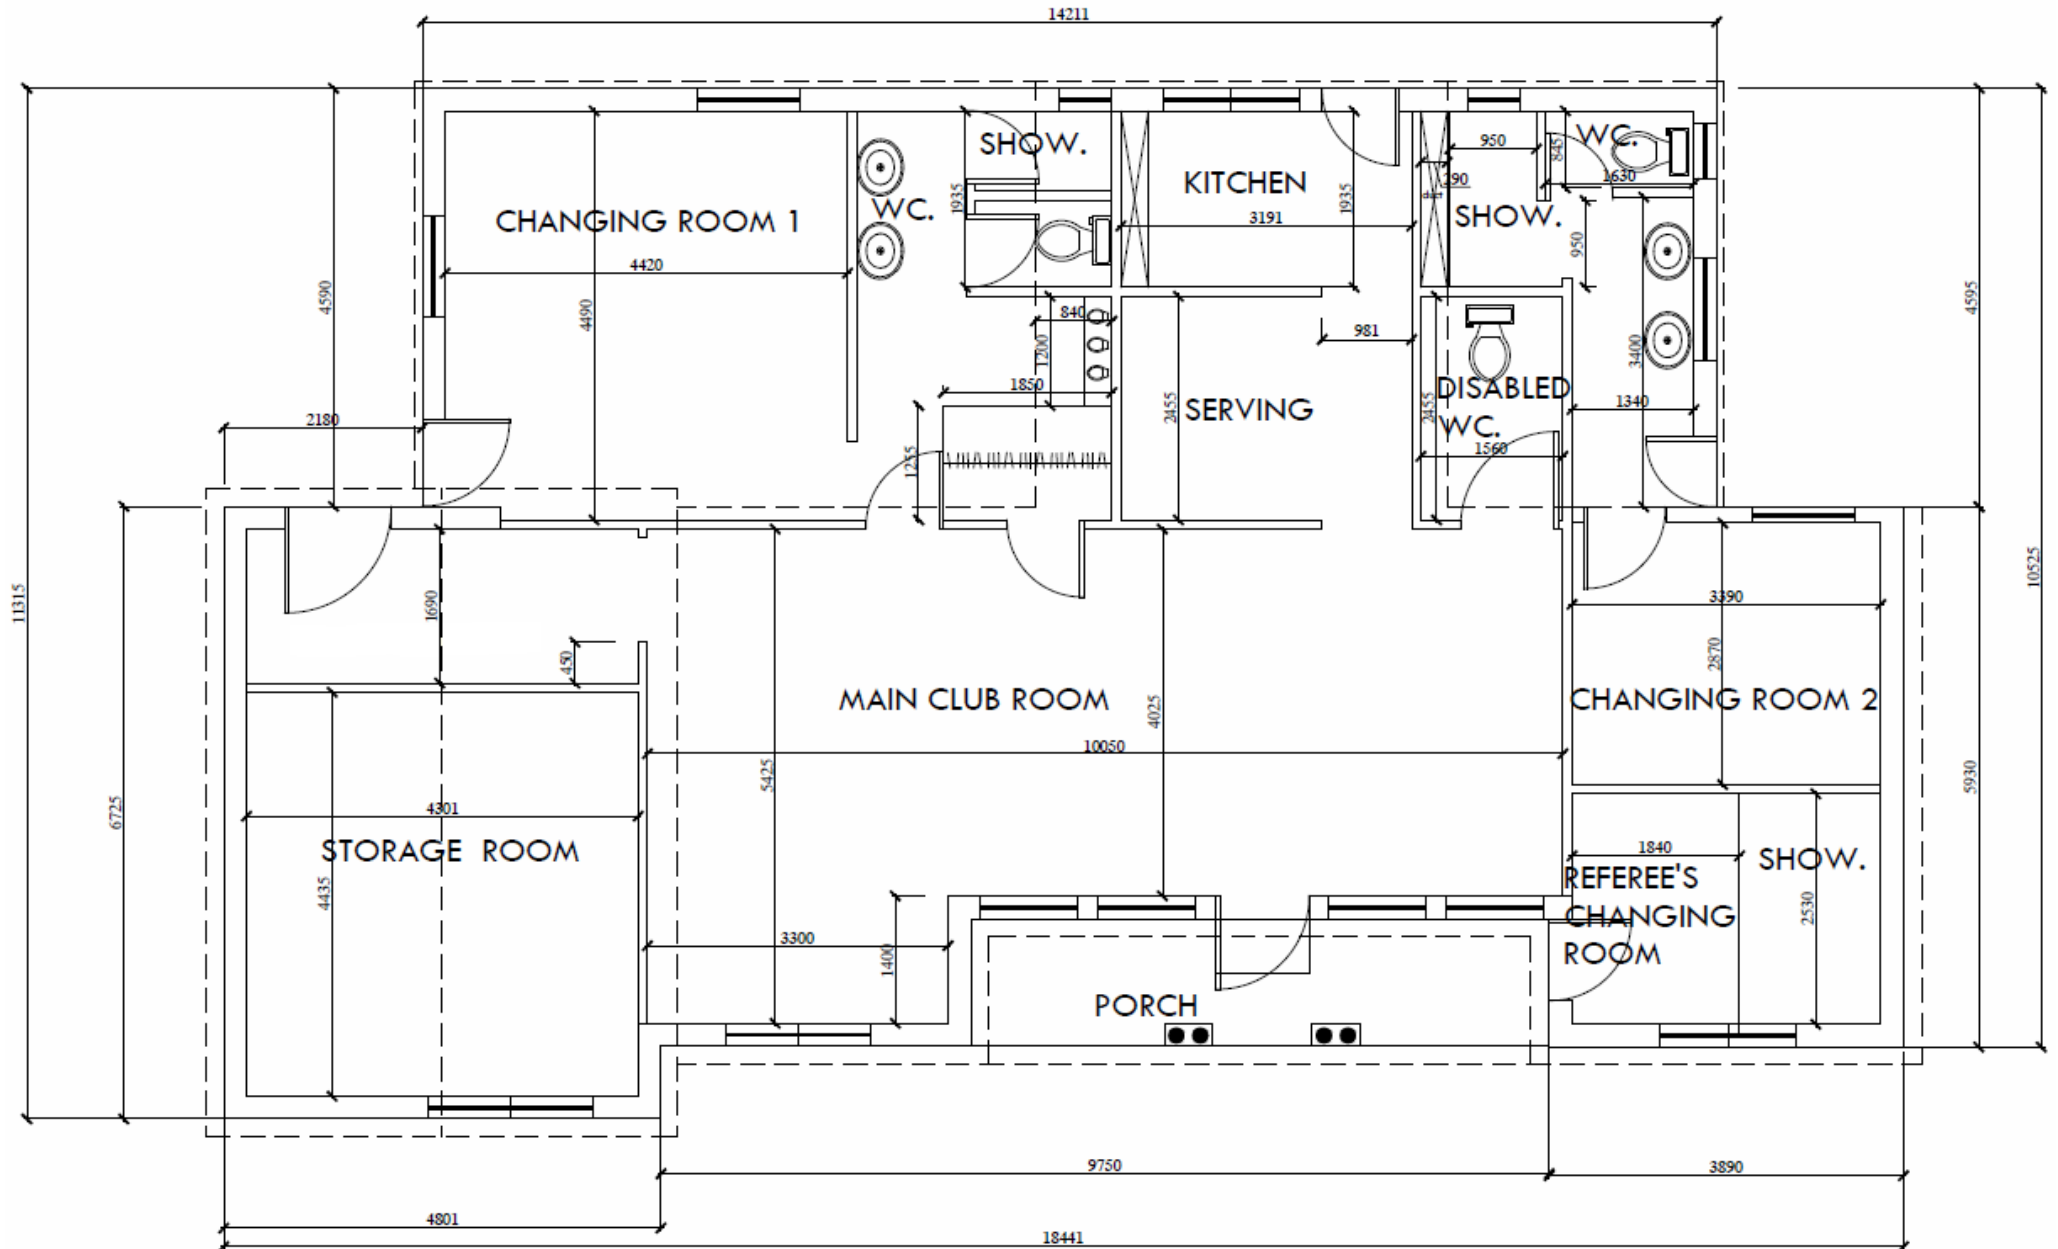

12. DISSOLUTION

(a) A resolution to dissolve the Club shall only be proposed at a General Meeting and shall be carried by the majority of at least three-quarters of the members present.

(c) Any surplus assets remaining after the discharge of the debts and liabilities of the Club shall be transferred to another Club, a Competition, the Parent County Association or The FA for use by them related to community sports.

Representations

Pattenden, Daniel

From: Hrishi Nimal-Raj
Sent: 08 September 2016 14:43
To: Pattenden, Daniel
Subject: Objection to application to sell alcohol at Hadley Football Club (HFC)

Dear Daniel,

My name is Hrishikesh Nimal-Raj. I live in Bell Cottage Barnet Road Arkley Hertfordshire EN5 3LB. I have greater interest in the application of HFC to sell alcohol on its premises than the public in general because I live in close proximity to the club. My garden is separated by a fence and trees from the club. I wish to strongly oppose this application. The grounds of my objection are as follows:

1) Prevention of crime and disorder:

- Having obtained a master of science degree in Organisational Psychology and a degree in Psychology with Criminology, I know full well the positive correlation between anti-social behaviour and alcohol. Racism, swearing and violence can be all products of alcohol consumed activities. Instead of waiting for an incident like this to occur, we as a community must try everything we can to prevent these incidents from happening. The social psychological research that I have studied for the past four years all indicate that the probability of the aforementioned events occurring due to alcohol consumed activities is high. Especially, the literature by a paper I cited in my thesis by Glassman (2013) where alcohol usage was seen as a predictor of aggressive behaviour from football fans. I'm not saying that the HFC guests are involved in football hooliganism, but permitting the usage of alcohol will cause the chances of such events to be greater than before.

2) Public Safety:

- I enjoy walking in the field behind the Arkley Village Hall in the evenings and at night. Which is a peaceful place to meditate as well. If this license is given to the club I would feel intimidated because of the fear of being encountered by individuals under the influence of alcohol.

- As a member of the independent group that book the Village Hall twice a month for a prayer meeting. The thought of my grandmother and other members of our community walking to the Village hall encountering HFC guests who may be drinking worry me.
- The Gate Pub is located on the road opposite and I'm not sure why HFC cannot hold there gathering within this complex. There are also many other pubs around the Arkley area.

3) Prevention of nuisance

- This is a quiet residential area and I'm grateful to live in such an area. When I was a student I found the noise in the HFC distracting and frustrating, I can only imagine that the noise levels will increase if this license is granted. Also, our neighbours who live closet to the club (only 2 meters away from the club), have three young children and I cannot imagine how disturbing this could be for their psychological wellbeing. This will also have a detrimental effect on their sleep and will result on a knock on effect on their academic performances in school the next day.

Finally, I would like to attend the hearing of the licensing committee. Please let me know the date of the hearing in a timely manner so I can take leave from work.

Kind Regards

Hrishikesh

Subject: Hadley Football club, Application for licence to sell accohol

John Worboys, Mayflower Cottage EN53LB

I would like to strongly object to the application for a drinks licence at Hadley Football Club brickfield Lane EN5 3LD on the following grounds.

Firstly I would like to point out but the Statutory Notice for this application was attached to temporary removable builders fencing, has not been imposition during the working day over most of the last month so to allow access and daily deliveries ready mix concrete, builders lorries Workman's vans etc. The fencing was erected probably overnight, each night, but the notice was only available on a permanent basis in the last 3 or 4 days when it was brought to my attention, I am sure this must breach the statutory licencing notice period.

The noise disturbance and foul language is already and has been at an intolerable level for many years and can be clearly herd inside my house and conservatory.

The club house (Wooden) is only 2mtr from one existing property, and only 12mts from mine, I have had to complain to both Councillors and MPs regards to excessive noise, foul language, screaming and shouting and breeches of terms in a lease not being observed over the last 25 years.

This is well documented within the Barnet Council records, many of the occupants, of the neighbouring properties, both current and previous all will testify to this, in fact many neighbours had sold up and moved when finding the constant disturbance and noise pollution, foul language intolerable.

This is just the wrong place to have a licence premises in a quiet rural area with wholly inadequate sound proofing, in something that is no more than a wooden shed, so close to private houses.

There is a perfectly adequate bar in the Gate Pub less than 100yds away,

Brickfield lane is RUPP, without a footpath, and mainly unlit,with access to the village hall

The additional activity and vehicle movements which this is bound to attract especially late at night when players have been drinking will be an accident waiting to happen.

Subject: Objection to alcohol license application - 'Hadley Football Club, The Pavilion', Brickfield Lane, Arkley, Hertfordshire, EN5 3LD

Dear Daniel

We wish to object to the alcohol licence application by premises 'Hadley Football Club, The Pavilion', Brickfield Lane, Arkley, Hertfordshire, EN5 3LD.

We have an interest in this application that is greater than the general public's because we live less than 10 meters from the location.

We object to the application on the following grounds:

Objection 1:

Grounds for objection – Public Nuisance

Reasons for objections:

1. There is already a noise nuisance from the premises while it is open: The clubhouse is situated less than 10 meters opposite our bedroom and our children's bedroom windows, the players are loud and noisy. The current level of noise during and after games is high as is, and in order to allow our kids to sleep we need to keep the bedrooms windows shut and also to provide them with ear plugs. By allowing the club to sell alcohol after games you will allow the noise level to go even higher and longer hours. The games are during week nights as well as weekend's nights and we find it unbearable to know that our children cannot sleep.
2. Our kids are constantly exposed to bad language and to inappropriate behaviour (for example – the players are swearing while taking a shower). The license to sell alcohol will increase these behaviours and will make them even worse, which in turn will increase the level of nuisance and inconvenience. As parents we go to a long distance to try and protect our kids from this kind of exposure.
3. During spring and summer the players tend to not only stay inside the clubhouse but also to go outside it. If the players will drink alcohol the likelihood of them being outside and louder is even higher. During those months it is very hard to keep our windows open and still being able to live normally.

Objection 2:

Grounds for objection – Crime and Disorder

Reasons for objections:

1. The clubhouse has been a target to vandalism and breaking in. the existence of alcohol will allure more of these type of crimes. The area surrounding the club is dark and unoccupied and already subject to drugs and gangs crimes. As an evidence – the Arkley hall committee has expressed their concerns about these problems and are looking for ways to prevent access.

3. Alcohol will increase the likelihood of arguments and fights between the players, this is a residential small road.

Objection 3:

Grounds for objection – Public Safety

Reasons for objections:

1. Most players are driving their own cars to the games. There is a very high chance that when drinking after games with their football mates, they will go over the drinking limit and in turn will increase the probability of drinking and driving.

2. Our road (Brickfield Lane), small and narrow and the only access way to the clubhouse. The road is used by many local dog walkers, our children, people and children walking to Arkley Hall for birthday parties and events. Player that will be driving under the influence of alcohol can put all of those above at risk.

There is a pub (The Gate) just across the road from the clubhouse (Barnet Rd), therefore there is no apparent need for another alcohol licensed premise in such close proximity. If the players want to drink after the games they can easily do that within a walking distance.

I wish to appear should a formal hearing of this application be held.

Dear Mr.Pattenden,

My name Dr.Kisholi Nimalaraj. I am the owner and occupier of number 1 Mountview cottages, Barnet Road, Arkley,EN5 3LB. I have a greater interest in the application of HFC to sell alcohol on its premises than the public generally because a. I live within close proximity to the Hadley Football club - my garden is separated from it by trees and a fence.

b. My elderly mother who lives with me and I, regularly walk down Brickfield Lane past the club to access 2 local resources - the Arkley Village Hall situated next to it twice a month on Thursday evenings for prayer meetings and daily to the field behind it, for walks.

I wish to vehemently oppose this application. The grounds for my objection are as follows - 1. Public Safety i. The entrance to Brickfield Lane is narrow until the entrance to the club. Only one car at a time can use the road. Pedestrians and dog walkers have to venture carefully. I understand that this road is classified as a Road Used as Public Pathway. (RUPP). Selling alcohol in one of the premises on this road will increase the risk of accidents. It is unnecessary, as there is a Public House - The Gate, directly opposite Brickfield Lane , situated on the main road. (Barnet Road).

2. Protection of children from harm

The club needs to promote healthy habits, values and fitness to the impressionable young people who will access the venue. I understand the club have promoted itself as a resource for disabled youngsters. I work as a Neurodisability Paediatrician in the NHS and see first hand the frightening increase in the use of alcohol in the younger generation. A sports venue accessed by children and young people should not be selling alcohol, but introducing them to healthy habits like juicing.

3. Prevention of crime and disorder

Alcohol is well recognised to be associated with crime and disorder and this poses a risk to the other pedestrians and dog walkers who have to walk down Brickfield lane past the club to access the field behind the village Hall.

4.Prevention of nuisance

Brickfield Lane is a quiet cul de sac in a residential area. Selling alcohol on this site will increase the incidents of noise and disorder and be harmful to the well being of residents and users of other facilities down this road.

Please keep me informed of the date of the licensing committee hearing.

Yours Sincerely
Kisholi Nimalaraj

Dear Sir,

Having an Alcohol Sale in the club is fully opposed by my family.

My residence address is

BELL COTTAGE

BARNET ROAD

ARKLEY

Alcohol in midst of the residential area in the foot ball club is disturbance to peace.

1)This will breed hooligan behaviour

2)un limited access alcohol, after matches being played on week ends Saturday and Sunday ./

This is the only day we tend to rest and re -charge our heath.

3)Mid week sale of alcohol also will disturb the noise pollution / car traffic and behaviour problems by the alcohol consumption individuals.

4)Added traffic and spectators using alcohol, on match days causing more noise and behavioural disturbance.

5)Already there is drugs being sold , and unwanted behaviours in the area due to poor surveillance the alcohol will add to the attraction inviting very dangerous individuals to the premises. like for example by the non spectators and non foot ball involved individual, this will also cultivate various society threatening behaviours like criminality and gangs.

6)Many are senior citizens living locally ,by the sale of alcohol on week days and match days and week ends is serious threat to peace and quiet living.

we fully oppose this and the licence should not be granted to this foot ball club to sell alcohol .

The club needs to promote healthy habits, values and fitness to the impressionable young people who will access the venue. I understand the club have promoted itself as a resource for disabled youngsters. I work as a Neurodisability Paediatrician in the NHS and see first hand the frightening increase in the use of alcohol in the younger generation. A sports venue accessed by children and young people should not be selling alcohol, but introducing them to healthy habits like juicing.

3. Prevention of crime and disorder

Alcohol is well recognised to be associated with crime and disorder and this poses a risk to the other pedestrians and dog walkers who have to walk down Brickfield lane past the club to access the field behind the village Hall.

4.Prevention of nuisance

Brickfield Lane is a quiet cul de sac in a residential area. Selling alcohol on this site will increase the incidents of noise and disorder and be harmful to the well being of residents and users of other facilities down this road.

Please keep me informed of the date of the licensing committee hearing.

Yours Sincerely
Kisholi Nimalaraj
