Summary

The report informs the Finchley and Golders Green Area Committee of a Member’s Item and requests instructions from the Committee.

Recommendations

1. That the Finchley and Golders Green Area Committee’s instructions to this Member’s item are requested.

1. WHY THIS REPORT IS NEEDED

- 1.1 Councillor Zinkin has requested that a Member's Item be considered on the following matter:

Legible London is an easy-to-use signage system that presents information in a range of ways, including maps and directional information, to help people on foot find their way.

Legible London signage makes walking easier and more enjoyable, is consistent across London and provides a unifying sense of place across different London boroughs which is particularly important to residents of Cricklewood an area of Child's Hill straddling three boroughs.

This member's item requests that:

- 1. Officers promote the use of Legible London signage in Barnet,*
- 2. An initial project be piloted in Cricklewood at a site(s) to be determined near Cricklewood Station and Cricklewood Broadway.*
- 3. A sum of £5000 be allocated by the Committee to develop and cost a proposal for Legible London signage in Cricklewood which could then be used as a template for future schemes in the Borough and carry out any necessary consultation and acquire any relevant permissions.*
- 4. Additional sources of funding are identified once the budget is established to allow the scheme to be implemented*
