### 2. ABSENCE OF MEMBERS (IF ANY)

### 3. DECLARATION OF MEMBERS' DISCLOSABLE PECUNIARY INTERESTS AND NON PECUNIARY INTERESTS (IF ANY)

### 4. REPORT OF THE MONITORING OFFICER (IF ANY)

None.

### 5. 8 POYNINGS WAY AND LAND ADJ 8 POYNINGS WAY LONDON N12 7LP (TOTTERIDGE WARD)

The Committee noted the addendum to the Officer's report which was circulated.

Having considered the report and the oral representations from Mrs Pinnes, Mrs Evans and Ward Member Councillor Richard Cornelius who spoke in objection, and a response from the applicant's agent the committee resolved to:

REFUSED the application which overturned the officer's recommendation for the following reasons as proposed by Councillor Steven Sowerby and which were agreed by all Members that voted in this way.

1) The proposed development, by reason of its size, siting, plot coverage and front forecourt arrangement would appear as a cramped and incongruous overdevelopment of the application site which would be detrimental to local character and not respect the appearance, scale, mass, height and pattern of surrounding buildings, spaces and streets. The proposal would be detrimental to the character and appearance of the street scene and the wider locality, contrary to Policies CS NPPF, CS1 and CS5 of the Local Plan Core Strategy (adopted September 2012), and Policy DM01 of the Development Management Policies DPD (adopted September 2012), and policy 3.5 of the Mayors London Plan (MALP) 2016.

2) The proposed development, by reason of its layout and the insufficient turning and manoeuvring space would result in conflicts between vehicles in the development and those using Poynings Way, to the detriment of highway and pedestrian safety, contrary to Policies CS NPPF, CS1 and CS9 of the Local Plan Core Strategy (adopted September 2012), and Policy DM01 and DM07 of the Development Management Policies DPD (adopted September 2012).

3) The proposed new dwelling, by reason of its size, siting and proximity to No 6 Poynings Way would appear as a dominant, overbearing and visually intrusive addition when viewed from No. 6 Poynings Way, to the detriment of the amenities of the occupants of this neighbouring property. The proposal would be contrary to Policies CS NPPF, CS1 and CS5 of the Local Plan Core Strategy (adopted September 2012), and Policy DM01 of the Development Management Policies DPD (adopted September 2012).
