### Summary

The report informs the Chipping Barnet Area Committee of a Members' Items and requests instructions from the Chipping Barnet Area Committee.

### Recommendations

1. That the Chipping Barnet Area Committee instructions in relation to Members' items are requested.

## 1. WHY THIS REPORT IS NEEDED

1.1 A request has been received as identified below for the Chipping Barnet Area Committee to consider and determine one Members' Item. The Chipping Barnet Area Committee is requested to provide instructions to Officers of the Council as recommended.

Name of Councillor	Members Item
Councillor Sowerby	<p><b>Relocate the two VAS devices on Manor Drive, N20.</b></p> <p>I request the necessary funding (amount to be agreed by committee) from the Chipping Barnet Area Committee's CIL budget to relocate the two VAS devices on Manor Drive, N20. Residents of Manor Drive have rightly complained that the two devices were not located in the most appropriate place to slow speeding traffic. The devices were bunched too close together increasing the risk that speeding vehicles will already have exceeded 30mph well before they have reached the VAS devices. I have consulted with residents and concluded that the most appropriate location for the VAS devices is:</p> <ul style="list-style-type: none"><li>- The south facing VAS (western footway) should be repositioned to the <u>lamppost outside number 82 Manor Drive</u></li><li>- The north facing VAS (eastern footway) should be repositioned to the <u>lamppost on the footway adjacent to Manor Drive Methodist Church</u></li></ul>
