## Summary

This report is to update the Committee of the budget allocations for the Chipping Barnet Area Committee, to enable consideration of further applications for funding during 2016/17.

## Recommendations

1. That the Chipping Barnet Area Committee notes the amount available for allocation during 2016/17, as set out in Appendices 1 and 2.

#### 1. WHY THIS REPORT IS NEEDED

- 1.1 This report indicates the allocation of funding to the Chipping Barnet Area Committee, the approvals and payments to date. This will enable the Committee to determine the amounts that can be allocated at this, and future meetings.
- 1.2 On 10<sup>th</sup> June 2014, the Policy and Resources Committee agreed that £100,000 per year over the next four years (up to and including 2017/18) should be allocated to each of the Council's three Area Committees, subject to agreement of detailed arrangements for the governance, accountability and prioritisation of these budgets by the Community Leadership Committee.
- 1.3 On 9<sup>th</sup> July 2015, the Policy & Resources Committee approved that income from the Community Infrastructure Levy (CIL) would be delegated to the Council's Area Committees. Area Committees should be treated in the same way as Parish Councils and allocated 15% of the CIL receipts for their local area. This is to be capped at a total of £150,000 per year per constituency area and ring-fenced for spend on infrastructure schemes. The funding from CIL is in addition to the £100,000 a year that is available to each Area Committee until 2017/18.
- 1.4 The unused balances for both the general reserve and the CIL reserve at the end of 2015/16 were carried forward and added to the 2016/17 budget.
- 1.5 The amounts approved from the CIL reserve were based on estimates from the service department, with a view that should the estimate prove to be understated there would be no further call on the area committee budgets, without an additional approval. Expenditure exceeding 20% of the original estimate will require an explanation to enable the committee to agree any additional funding. The actual costs of the works, to date, have now been analysed and this report enables members to compare with the estimate.
- 1.6 The net underspend on the CIL funded projects has been added to the balance available.
- 1.7 Detail as to the activity to date of this Area Committee and the balance available are attached at appendix 1 and appendix 2 to this report.

#### 2. CIL activity

2.1 Totteridge and Whetstone CPZ - approval of £6,000 in January 2016, this is now funded by LIP so it is available for reallocation.

#### 3. REASONS FOR RECOMMENDATIONS

3.1 Funding has been allocated to various organisations and this will enable the committee to note the amount available for future allocation.

#### 4. ALTERNATIVE OPTIONS CONSIDERED AND NOT RECOMMENDED

4.1 No alternative options were considered

#### 5. POST DECISION IMPLEMENTATION

5.1 Decisions can be made by the Area Committee to allocate funding to organisations from the area committee general reserves based on member supported applications and from the area committee CIL reserve for requests for infrastructure related surveys and works.

#### 6. IMPLICATIONS OF DECISION

#### 6.1 **Corporate Priorities and Performance**

6.1.1 The funding enables the Area Committee Budgets to contribute to the Corporate Plan's objective to promote family and community wellbeing and support engaged, cohesive and safe communities, by helping communities access the support they need to become and remain independent and resilient.

# 6.2 Resources (Finance & Value for Money, Procurement, Staffing, IT, Property, Sustainability)

- Appendices 1 and 2 show the amounts allocated and the committee balance remaining.
- The remaining balance following any allocations approved at this meeting will be transferred to a reserve and carried forward for use in the next financial year.

#### 6.3 Social Value

6.3.1 Not applicable to this report

#### 6.4 Legal and Constitutional References

The Council's Constitution, Responsibility for Functions, Annex A, sets out the Terms of Reference for Area Committees. In relation to the area covered by the Committee:
