Fee/Charge	Description	Unit of Measure	Charges 2017/18	Charges 2018/19	Comments	Power to Charge
Allotments	Rent - Residents of the Borough per pole	Each	£12.30	£12.30	No concessionary discount for over 60's.	s10 of the Allotment Act 1950
Allotments	Rent - Non Residents of the Borough per pole	Each	£25.70	£25.70	No concessionary discount for over 60's.	s10 of the Allotment Act 1950
Allotments	Water per pole	Each	£1.64	£1.64	No concessionary discount for over 60's.	s10 of the Allotment Act 1950
Fee/Charge	Description	Unit of Measure	Previously proposed charge for 2017/18	Amended charge for 2017/18	Comments	Power to Charge
Schools: Annual Food Collection (44 Weeks)	Weekly collection of 23 Litre caddy (44 weeks)	Per container	£61.59	£61.59	Container size has been corrected from 30L to 23L. The price level is set to encourage initial participation in food waste recycling at smaller premises. If schools were charged the full cost of collection across 52 weeks they would see a large increase in costs compared to their current charges (which is that they pay the full charge for trade waste and receive free recycling collections - however this approach is not consistent with CWR 2012). The 44 week collection ties in with the standard academic year and will help provide an incentive to maintain and increase recycling. Some schools are open all year and for these a separate charge will enable them to better control their waste and recycling costs	Controlled Waste Regulations 2012 state schools should only be charged for collection.
	Weekly collection of 140 Litre bin (44 weeks)	Per container	£209.97	£140.00	Amendment was required as food waste charges need to be on a par with recycling charges in order to help incentivise use of the service, and the Controlled Waste Regulations 2012 state schools should only be charged for collection. If schools were charged the full cost of collection across 52 weeks they would see a large increase in costs compared to their current charges (which is that they pay the full charge for trade waste and receive free recycling collections - however this approach is not consistent with CWR 2012). The 44 week collection ties in with the standard academic year and will help provide an incentive to maintain and increase recycling. Some schools are open all year and for these a separate charge will enable them to better control their waste and recycling costs	Controlled Waste Regulations 2012 state schools should only be charged for collection.
