Summary

The report informs the Hendon Area Committee of Member's Item and requests instructions from the Committee.

Recommendations

1. That the Hendon Area Committee's instructions are requested to the items submitted by Members of the Committee highlighted at Section 1.1

1. WHY THIS REPORT IS NEEDED

- 1.1 The following Members Items have been received and the Committee is asked to consider the following matter:

Councillor Tom Davey	<p><u>Road Traffic Management around Ellesmere Avenue and the Fairway</u></p> <p>The main concern is for the safety of the children attending the two local schools, traffic chaos leads to increased risk of accidents.</p> <p>The roads around Ellesmere Avenue and the Fairway are becoming increasingly congested. Traffic is generated by drivers using this area as a cut through and drivers using the Scratchwood slip road, as well as local residents.</p> <p>There are also two schools in this area – The Fairway and Northway which add to the problem. For their part, they are trying to introduce an informal one way system to ease problems at pick up and drop off times. And there is a proposed development of around 100 residential units planned for the old school site in the Fairway.</p> <p>Parking is also a problem generated not only by residents but also by various vehicle repair businesses operating at the corner of Ellesmere Avenue and the Fairway.</p> <p>Funding is required to investigate possible solutions to help relieve these parking/traffic problems.</p>
