<p>Summary</p>
<p>The report informs the Committee of a Member’s Item and requests instructions from the Committee.</p>
<p>Recommendations</p>
<p>1. That the Committee’s instructions in relation to this Member’s item are requested.</p>

1. WHY THIS REPORT IS NEEDED

- 1.1 A Member of the Committee has requested that the item tabled below is submitted to the Children, Education, Libraries and Safeguarding Committee for consideration and determination. The Committee are requested to provide instructions to Officers of the Council as recommended.

Councillor	Member's Item
Anne Hutton	<p>International Zero Tolerance to FGM Day 2018</p> <p>Data published by the NHS / NSPCC shows that there were 50 cases of Female Genital Mutilation (FGM) in Barnet recorded by the NHS between April 2015-March 2016. More recent data published by the NHS shows a further 15 cases in Barnet were recorded between October 2016-December 2016.</p> <p>FGM is an illegal practice that causes physical and emotional harm, and can result in death. According to the World Health Organisation FGM is mostly carried out on young girls between infancy and age 15, and is therefore a key safeguarding issue for the CELS committee.</p> <p>Although there have been far fewer cases of FGM recorded in Barnet than in neighbouring boroughs, 65 cases is still 65 cases too many.</p> <p>I request that the CELS Committee is updated with details of what work has taken place over the last year to raise awareness of and tackle this issue in Barnet.</p> <p>As the International Zero Tolerance to FGM Day takes place on 1 February 2018, I also request that the CELS Committee considers what support LB Barnet could give towards establishing an annual event in partnership with Health, Schools, the Police and the Voluntary Sector to mark this day, with the first one taking place on 1 February this year.</p>
