We the undersigned petition the council to Object to Camden's plans to make Briardale Rd No Entry from the Finchley Rd. This will inevitably move the traffic volumes from Briardale Rd to other local roads both in Barnet and Camden. We the undersigned object to the transfer of the Briardale traffic onto our roads and reject the No Entry proposal A fairer proposal has to be developed that recognises the interests of all local roads.

This petition was originated by Councillor Peter Zinkin and Councillor Shimon Ryde.

This ePetition runs from 11/01/2018 to 11/02/2018.
