1. WHY THIS REPORT IS NEEDED

- 1.1 Voluntary and community organisations may apply for a one-year start-up grant of up to £10,000 or a one-off grant of up to £5,000 from the corporate grants programme.
- 1.2 Article 10, section 10.5, Decision Making by Chief Officers, authorises chief officers to make decisions in accordance with the powers delegated (Article 9) and other officers under the Schemes of Delegation maintained by chief officers and published on the council's website.

2. REASONS FOR DECISIONS

- 2.1 The grant assessment herewith explains the rationale for awarding the grant in question.

3. ALTERNATIVE OPTIONS CONSIDERED AND REJECTED

- 3.1 None.

4. POST DECISION IMPLEMENTATION

- 4.1 The applicant will be formally notified of the decision and the grant paid following compliance with the special conditions shown in the appendix.

5. IMPLICATIONS OF DECISION

5.1 Corporate Priorities and Performance

- 5.1.1 The Corporate Plan, 2015-2020, identifies a set of strategic objectives which frame the council's approach to achieving its vision of making local services more integrated, intuitive and efficient by 2020, aimed at ensuring that Barnet is a place:

- of opportunity, where people can further their quality of life
- where people are helped to help themselves, recognising that prevention is better than cure
- where responsibility is shared, fairly
- where services are delivered efficiently to get value for money for the taxpayer

- 5.1.2 The outcomes around which these objectives are prioritised, relevant to the award recommended, include:

- To empower local residents and the community at large to play a more active role in improving their lives, local communities and public services
- To develop stronger, safe and more engaged and resilient communities
- To increase resilience amongst older people and help them to age well
- To create better life chances for children and young people

5.1.3 The voluntary and community sector has a significant role to play in the delivery of public services arising from the reduction in government funding, not only by increasing choice, accessibility and value for money but also by developing innovative solutions to problems and improving customers' perception of public services.

5.1.4 A Third Sector Commissioning Framework, approved by the former Cabinet Resources Committee in 2008, has brought:

- consistency to the council's financial arrangements with the voluntary and community sector; and
- procurement from, and grants to, the sector into a single framework consistent with the council's procurement rules

5.1.5 The corporate grants programme offers help to voluntary and community organisations (a) to develop sustainable new services and activities and (b) to run a community event or meet certain non-recurring items of expenditure.

5.1.6 All applications are assessed on their individual merits against the council's policy objectives; the benefits to the local community; the effectiveness of the organisation in its service delivery; its overall value for money; its financial needs; and the budget for making awards.

5.1.7 The application in question fulfils these criteria and is recommended for an award.

5.2 **Resources (Finance & Value for Money, Procurement, Staffing, IT, Property, Sustainability)**

5.2.1 The provision for making start-up and one-off grants in 2017/18 is comprised of funds deriving to the authority from the Edward Harvist Charity; a small and final allocation from the former Borough Lottery Scheme; and a remaining balance of £66,855 of a sum of £102,000 collectively allocated to the corporate grants programme by the area committees with the approval of the Community Leadership Committee.

5.2.2 The final position on the funding available in 2017/18, which reflects the sum that has been allocated to the corporate grants programme from the council's share of income to the Edward Harvist Charity, is as follows:

Budget item	Funding available, 2017/18	Approvals to date	Balance remaining	Recommended herewith
Edward Harvist Charity	£105,162	£101,342	£3,820	£3,600
Former Borough Lottery Fund	£5,523	£5,523	0	0
Allocation by area committees	£66,855	£30,292	£36,563	0
TOTAL	£177,540	£137,157	£40,383	£3,600

5.3 Legal and Constitutional References

5.3.1 The council has general power of competence to make grants under section 1 of the Localism Act 2011.

5.3.2 Article 10, section 10.5, Decision Making by Chief Officers, authorises chief officers to make decisions in accordance with the powers delegated (Article 9) and other officers under the Scheme of Delegation maintained by chief officers and published on the council's website.

5.4 Risk Management

5.4.1 All grants are made subject to the council's Standard Conditions of Grant Aid, with which applicants are required to signify their compliance by signing a written undertaking. Amongst other things, the conditions cover how awards are spent, allowing council officers a right of access to proof thereof, and requiring notification of any change in an organisation's circumstances which significantly affect its finances, operations or grant entitlement. The council reserves the right to withhold payment of any approved grant, or to demand full or partial repayment, if it appears that an organisation has failed to comply with any of the conditions attached to the award.

5.4.2 The shift towards greater community involvement in the delivery of services has involved some relaxation in the attitude traditionally taken to compliance with eligibility criteria before an award is recommended. Whilst all applicants are expected to satisfy basic governance requirements, such as having an independent management committee, it is accepted that community-led and self-help groups often require the support of a parent organisation or other agency.

5.5 Equalities and Diversity

5.5.1 Under section 149 of the Equality Act 2010, the council and all other

organisations exercising public functions must have due regard to the need to:

- eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by or under the Act;
- advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it;
- foster good relations between persons who share a relevant protected characteristic and persons who do not share it

The relevant protected characteristics are age; disability; gender reassignment; pregnancy and maternity; race, religion or belief; and sex and sexual orientation. The broad purpose of this duty is to integrate considerations of equality into daily business and keep them under review in decision making; the design of policies; and the delivery of services.

5.5.2 All voluntary and community organisations grant-aided by the council are required to demonstrate that they have an equal opportunities policy covering users, staff and volunteers, which promotes equal treatment for all irrespective of their age, disability, gender, sexuality, ethnic background, faith, health, language or social and economic background. Scrutiny of compliance with these considerations and how they contribute to promoting good relations between people and communities form part of the standard procedure for assessing all applications.

5.5.3 Awards from the corporate grants programme fund projects and activities in support of people from all of Barnet's diverse communities. The application by JOY is linked to extending its work beyond the Jewish community.

5.6 Consultation and Engagement

5.6.1 The application in question has been assessed in consultation with the Children's Service and Adults & Communities.

5.6.2 The chairman of the Community Leadership Committee has been consulted on this report and endorses the recommendation.
