Introduction:

Barnet benefits from having safe, strong, diverse and cohesive communities and we want to ensure this continues. This means working with the police and our partners so that crime levels in the borough remain low and people feel safe. Our vision is for our communities to be engaged and more cohesive, with residents and community groups being involved in the design and delivery of services where appropriate, and residents having more options available to them. Communities will also take responsibility for their local areas, will be independent and resilient. Our modern and connected libraries will support this by helping to bring people together, acting as a focal point for communities and assisting resident groups to support their local area.
