

ADMINISTRATION STRATEGY

PURPOSE OF STRATEGY

1. This Strategy sets out the administration protocols that have been agreed between Capita and the London Borough of Barnet (LBB) as administering authority to the London Borough of Barnet Pension Fund. The protocols aim to ensure the smooth running of the London Borough of Barnet Local Government Pension Scheme (LGPS) (the Scheme) and must be followed at all times.
2. This Strategy is the agreement between London Borough of Barnet and employers participating in the Scheme about the levels of performance and associated matters. It does not override any existing commercial contracts or contractual performance indicators which exist between LBB and Capita.
3. Performance levels are set out in this document for the Administering Authority, employers participating in the Scheme, Capita and where applicable third party contractors. These will be reviewed from time to time and only changed with agreement of the London Borough of Barnet.

REGULATORY BACKGROUND

4. The Strategy set out in this document is concerned with routine yet important responsibilities. These cannot, however, override any provision or requirement in the Local Government Pension Scheme Regulations (as set out in Appendix A) or in any other relevant legislation.

REVIEW OF THE STRATEGY

5. Capita own this strategy and a review will take place every twelve months. Any changes to the strategy will be reviewed and agreed by London Borough of Barnet and identified to Employers. Employers may submit suggestions to improve any aspect of this Strategy at any time.

ADMINISTRATION AND PERFORMANCE

6. London Borough of Barnet will administer the Pension Fund in accordance with the LGPS Regulations (and any overriding legislation including employer discretions) and issue a statutory notification to members. In doing so, the Pension Fund will support Employers by:
 - Providing information, advice and assistance on the Scheme and its administration
 - Distributing regular technical information
 - Distributing regular employer updates
 - Arranging a Pension Fund – Employer forum
 - Arranging six monthly Employer forum meetings
 - Providing employers online access to relevant management information and data on their employees
 - Issuing forms, newsletters, booklets and such other materials as are necessary in the administration of the Scheme

7. London Borough of Barnet as the Administering Authority will support members by:

- Producing benefit statements for members each year in line with the LGPS Regulations that meet the requirements of the Occupational Pension Schemes (Disclosure of Information) Regulations 2013, provided the relevant information is received from their employer in line with this Strategy
- Setting up online access to allow member self service

8. Employers should note that London Borough of Barnet is not responsible for verifying the accuracy of any information provided by the employer for the purpose of calculating benefits under the provisions of the Local Government Pension Scheme and the Discretionary Payments Regulations. That responsibility rests solely with the employer. Any over payment made by the London Borough of Barnet Pension Fund resulting from inaccurate information supplied by the employer shall be recovered by the Fund from the employer.

9. Employer should note that it is their responsibility to ensure that the correct procedures are followed and that any contractor which is admitted as a result of a TUPE transfer is aware of their responsibilities and costs in relation to staff. Further details can be found in the Employer Guide.

ADDITIONAL NOTES

Data Protection

Under the Data Protection Act 1998, LBB will protect from any improper disclosure any information held about a member. Information held will only be used by the Council for the operation of the Scheme. The employer must protect from improper disclosure any information from a member contained (where applicable) on any item sent from London Borough of Barnet. It will also only use information supplied or made available by the London Borough of Barnet Pension Fund for the operation of the Local Government Pension Scheme.

Internal Dispute Procedure

10. The employer must identify a 'nominated person' for any instances where an Internal Dispute Resolution Procedure (IDRP) application is submitted against the employer and meet the associated costs.

Fines

11. In the event that London Borough of Barnet is fined by the Pensions Regulator, this will be passed on to the relevant employer where that employer's action or inaction (e.g. the failure to notify a retirement within the time limits), caused the fine. Similar action will be served on all other service providers where failure to perform their duties results in a fine from the Regulator.

Charges to the employer

12. The administrative costs of running the Pension Fund are charged by LBB directly to the Fund. The Actuary takes these costs into account in assessing the employer contribution rate.

13. London Borough of Barnet will under certain circumstances consider giving written notice to employing authorities under regulation 70(2) on account of the authority's unsatisfactory performance in carrying out its Scheme functions when measured against levels of performance established within this document. The written notice may include charges imposed by the Council for chasing employing authorities for outstanding information as detailed within the document.

14. If the London Borough of Barnet Pension Fund undertakes work specifically on behalf of the employer, the employer will be charged directly for the cost of that work e.g.

- Non receipt of new entrant documentation requiring the London Borough of Barnet Pension Fund to set up temporary data and/or complete documentation on behalf of the employer
- Non receipt of leaver details requiring the London Borough of Barnet Pension Fund to interrogate payroll or other systems on the employers' behalf

- Chasing outstanding information following one reminder
- IAS19 / FRS17 valuations
- Actuarial and / or legal advice (e.g. TUPE transfer)
- Technical advice, (where re-charging is deemed appropriate because the advice is not of general benefit to the Fund overall)

Indicative charges have been set out in the Matrix.

Please note, the Employer is responsible for any work carried out on its behalf by another section of their organisation or by a contractor appointed by that organisation (e.g. Pay or Human Resource sections).

Written by: Capita, on behalf of the Administering Authority and will be subject to review on an annual basis.
