		Montrose Avenue	A5	A						Y															Problems of driving out of Montrose Avenue onto A5						
25/06/2018	18:23	Millfield Road		A		Y		Y											Y						Millfield Road, where I live, should be Residents Only with no "pay by phone" bays. Personally I would like the Residents Only parking extended to include Saturdays as well						
26/06/2018	14:02	Millfield Road	Playfield Road	A			Y																		Paint individual bays to maximise space Remove Green at the top of Millfield Road to provide more parking Double yellow lines are needed outside the Church Hall on Playfield Road

28/06/2018	22:05	Southbourne Avenue		A		Y			Y					Y			Y								It would be better if there were partial restrictions – similar to the ones in Edgware and Golders Green, where parking is restricted between for example, 10am-11am and 2pm-3pm.

17/06/2018	21:35	Area B		B	Y				Y													Y			The proposed hours for Area B, 9am-4pm weekdays are times when it is easier to find a parking space, reducing the CPZ superfluous Barnet Council should require developers of residential, commercial and indeed Barnet's new council office to supply adequate off road parking. Therefore I strongly feel that no CPZ should be introduced in CoGinda's area B unless its absolutely necessary, and for as few hours as possible.

12/06/2018	15:17	Area C		C				Y																	hours should be made between 9am to 6.30pm to give residents a chance to park after work	
24/06/2018	20:03	CPZ Area C		C		Y																			proposed CPZs do nothing to alleviate the early morning and end of school day congestion.	
25/06/2018	19:18	Rivington Crescent		C	Y				Y					Y			Y								no necessity for restrictions between 9.00 am and 3.00 pm

22/06/2018	16:32	Annesley Avenue		D	Y		Y		Y																Further to the above consultation proposal I would like the resident parking hours to be changed from 2-3pm to 9am to 5pm. I also believe that resident should be provided with 1st permit free of charge and 2nd car permit should then be chargeable.	
26/06/2018	11:26	Annesley Avenue		D				Y		Y															I would have preferred an 8.00am to 20.30pm restriction from Mon-Sunday, or at least Mon-Sat. Visitors to 'The Gym', diners at KFC, Bang Bang, shoppers at Loon Fung supermarket, Morrisons and Asda, consumers at the pub, and surrounding businesses and shops are increasingly making parking unavailable, and I need to double park awaiting a space. Emergency vehicles and delivery vehicles need to double park, blocking access to through traffic, including busses.	
		Harrier Road		D	Y						Y						Y	Y							So far the CPZ's operating between 2 and 3pm around this estate, provides a REASONABLE answer to allow part time parking for people living or visiting homes here. But if you extend this to an all day ban MORE drivers will simply park in our places	
28/06/2018	17:47	Annesley Avenue		D		Y	Y	Y																	I now support the introduction of a controlled parking period, at least from 8.00 a.m. to 8.30 p.m., Monday to Saturday	
28/06/2018	23:23	Pasteur Close		D	Y									Y											Does not believe there is justification for the proposals to increase the CPZ periods	
02/07/2018	11:55	CPZ Area D		D	Y																				Motorists park in obstructive manner and block larger vehicles/emergency vehicles access
