Summary

The report informs the Finchley & Golders Green Committee of Member's Item and requests instructions from the Committee.

Recommendations

1. That the Finchley & Golders Green Committee's instructions are requested to the items submitted by Members of the Committee highlighted at Section 1.1

1. WHY THIS REPORT IS NEEDED

- 1.1 The following Members Items have been received and the Committee is asked to considered the following matter:

Cllr Dean Cohen	Junction at Portsdown Ave and Templars Ave – Golders Green For the Committee to consider what improvements can be made to the junction Portsdown Avenue and Templars Avenue where there has been numerous vehicular accidents
Cllr Arjun Mittra	East End Road – East Finchley Members of the council will share my shock at the news of a fatal accident on East End Road in East Finchley, involving a three-year old. There was a fatal collision earlier this year, and a serious accident in February. I therefore request officers to draw up plans for a ward wide 20 mph zone for East Finchley, in consultation with ward councillors. These plans should be brought back to committee to consider the costs of work and implementation, as well as the design details.

5.4 Legal and Constitutional References
