

Council meeting: 29 October 2019

Motion: Cllr Reema Patel

The right to independent living

Council reaffirms its commitment to ensuring the right to independent living for all elderly and disabled people, and, given the level of community concern about the removal of 'community by default' from care provision options, Council agrees to reverse the Full Council decision to cut up to £424,000 from the Adults budget.

Under Full Council Procedure Rule 17.17: if my item is not dealt with by the end of the meeting, I ask that it be voted upon at the Council meeting
