Dear Rob,

As we discussed yesterday, I am prepared to supply and fit the two gates in your alleyway for a total price of £4,500

The gates will be black powder coated steel with mechanical keypad locks.

Gate 1 near Parkside Gardens is 3.35m wide by 2m high

Gate 2 near Woodfield Drive is 2.74m wide by 2m high

I look forward to receiving your instructions,

Regards,
Michael Michaelides

Barnet Council

Dear Sirs

We the undersigned residents of Field End Arkley EN5 3EZ, petition the council to introduce CPZ parking regulations for entire length of our road.

The reason for this request is that our road (which is a cul de sac) is regularly being used by visitors to Barnet hospital whom do not want to pay for the hospital car park, as well as mini cab and Uber drivers who use the road whilst waiting for their clients at the hospital. It is also being used by building contractors working in the area, parking trucks and vans all day. As a result of the aforementioned, it has become increasingly difficult for us to exit or enter the road and on occasions we have difficulty getting in and out of our own driveways, especially when vehicles are parked on both sides of the road. There have also been occasions, when emergency vehicles would not have been able to access the houses in the road.
