Dear Paul

Thank you for this.

I will ask that it be included as part of your representation. However, please note that planning consent in itself is not something that a Licensing Authority can take into consideration, when determining an application under the Licensing Act 2003.

Dear Elisabeth

I spoken with Pakeezah earlier as I was late for the licencing meeting due to my work commitment.

I understand that the hearing for licence variation application at Cielo Prlr has now been adjourned.

I would like to submit additional evidence (see the two attached pdf's) along with the representation that I previously submitted. These documents were issued by the Planning Inspectorate dismissing the applicant's appeal on the Council's decision on the refusal of the (retrospective) planning application of the outbuilding (the shisha lounge) which form part of the applicant's licence variation application.

Kind regards
Paul

Dear Mr Chu,

I have attached the appeal decisions. They have until the 15th September to comply with the notice. If this has not been done by then we can look to take further legal action.

Dear Mr Gould

I have noticed from the planning portal that the appeal (20/00064/AREF) was dismissed by the Planning Inspectorate on 15th June 2020.

Is it possible to view the report prepared by the Planning Inspectorate please as it's not available in the portal?

Kind regards

Paul Chu

Dear Mr Chu,

The notice (which requires the demolition of the shisha structure) has been appealed to the planning inspectorate and we are currently waiting on them to provide the next milestones. This will include a neighbour consultation where any comments will be invited to be made by members of the public regarding the unauthorised development. Unfortunately I do not have any indication as to how long this will take as the process is administered by the planning inspectorate.

Dear Mr Chu,

The Council served a planning enforcement notice on 7th November straight after the decision to refuse was made. There is a compliance period and right of appeal. The case officer is James Gould and he will keep you informed of progress.

Dear Mr Gaudin

The above-mentioned retrospective planning permission application at No. 1 Charcot Road, Colindale NW9 5HG was refused by the Council on 1st November 2019.

I understand that the shisha lounge is still being operated by the restaurant Cielo Prrl.

Can you please confirm when the building / shisha lounge will be taken down?
