Dear Sir/Madam,

**OBJECTION FOR A NEW PREMISES LICENCE**

Your reference: LAPRE1/20/63189

Licencing Act 2003

Applicant Ales Licencing Services on behalf of Hydamin Ltd

Premises: Nez. 418C Watford Way NW7 2QJ ("the Premises")

I am writing to register my objection to the application for a premises licence by Nez. 418C Watford Way, Mill Hill, London, NW7 2QJ. The basis for this opposition is that granting a licence for these premises will not promote the licencing objectives, particularly the prevention of crime, disorder and antisocial behaviour.

The applicant proposes to allow:

A) The provision of late-night refreshment (indoor only) from 23.00 hours until 05.00 hours Monday -- Sunday.

B) Sale or supply of alcohol (both on and off the Premises) from 08.00 hours until 00.00 hours Monday -- Sunday.

Granting a licence would provide a further source of alcohol within an area already so heavily populated with licensed premises, there are already 10 premises which obtain a premises license within a 1-mile radius. Resulting into crime, disorder and public nuisance have already reached problematic levels for the local police.

Residents in this area already suffer noise nuisance and antisocial behaviour at all hours of the day and night. They have endured this inconvenience since 2003 when the licencing legislation was first amended, and it is totally unacceptable to expect them to continue to do so.

There are also two schools which are a short distance away from this premises that will result in problems occurring if a licence is permitted due to, both girl's schools having to pass this premises to on their daily commute leading them to catch a bus which is also followed by walking beneath the underpass on five-ways corner in order to catch the bus on the other side of the road going towards Edgware. I am really concerned that there could be a high possibility that alcoholics will gather under the underpass on a daily basis which ultimately affect the safety of these pupils and other individuals. In addition to this, the increase of alcohol sales will unquestionably lead to an increase into broken glass along the pedestrian paths which poses as a significant hazard to the members of the public and not to mention possible nuisances during the night affecting the local neighbourhood.

In view of the above, I would urge the Licencing Authority to refuse this application. Please see attached a petition which I have clearly stated my name, address, email, signature and date.

## Petition

### OBJECTION FOR A NEW PREMISE LICENSING OUTLET ON THE SAME PARADE

Reference: LAPRE1/20/63189

#### Details of the new applicant:

Applicant Ales Licensing Services on behalf of Hydamin Ltd  
Premises: Nez. 418C Watford Way NW7 2QJ

I sign this petition of my own volition, to express my satisfaction with the service provided by my local shop, Nisa Day1 at 424 Watford Way, Mill Hill, NW7 2QJ.

My current local shopping needs are being met by Nisa Day1, including the sales of Off-Licensed Alcohol and Spirits. I disagree with another premises being granted permission to sell alcohol and spirits on this small Parade, when we already have two businesses with license to sell alcohol.

There are also ten additional retail outlets within a one-mile radius which clearly indicates there is no need for another.

I strongly object to another outlet being granted a premises licence to sell alcohol (off-license) at 418C Watford Way, NW7 2QJ, as we are already adequately served.

### OBJECTION FOR A NEW PREMISE LICENSING OUTLET ON THE SAME PARADE

#### Details of the new applicant:

Applicant Ales Licensing Services on behalf of Hydamin Ltd  
Premises: Nez. 418C Watford Way NW7 2QZ

I sign this petition of my own volition, to express my satisfaction with the service provided by my local shop, Nisa Day1 at 424 Watford Way, Mill Hill, NW7 2QJ.

My current local shopping needs are being met by Nisa Day1, including the sales of Off-Licensed Alcohol and Spirits. I disagree with another premises being granted permission to sell alcohol and spirits on this small Parade, when we already have two businesses with license to sell alcohol.

There are also ten additional retail outlets within a one-mile radius which clearly indicates there is no need for another.

I strongly object to another outlet being granted a premises licence to sell alcohol (off-license) at 418C Watford Way, NW7 2QJ, as we are already adequately served.

Premises: Nez. 418C Watford Way NW7 2QJ ("the Premises")

I am writing to register my objection to the application for a premises licence by Nez. 418C Watford Way, Mill Hill, London, NW7 2QJ. The basis for this opposition is that granting a licence for these premises will not promote the licencing objectives, particularly the prevention of crime, disorder and antisocial behaviour.

The applicant proposes to allow:

A) The provision of late-night refreshment (indoor only) from 23.00 hours until 05.00 hours Monday – Sunday.

B) Sale or supply of alcohol (both on and off the Premises) from 08.00 hours until 00.00 hours Monday – Sunday.

Granting a licence would provide a further source of alcohol within an area already so heavily populated with licensed premises, there are already 10 premises which obtain a premises license within a 1-mile radius. Resulting into crime, disorder and public nuisance have already reached problematic levels for the local police.

Residents in this area already suffer noise nuisance and antisocial behaviour at all hours of the day and night. They have endured this inconvenience since 2003 when the licencing legislation was first amended, and it is totally unacceptable to expect them to continue to do so.

There are also two schools which are a short distance away from this premises that will result in problems occurring if a licence is permitted due to, both girl's schools having to pass this premises to on their daily commute leading them to catch a bus which is also followed by walking beneath the underpass on five-ways corner in order to catch the bus on the other side of the road going towards Edgware. I am really concerned that there could be a high possibility that alcoholics will gather under the underpass on a daily basis which ultimately affect the safety of these pupils and other individuals. In addition to this, the increase of alcohol sales will unquestionably lead to an increase into broken glass along the pedestrian paths which poses as a significant hazard to the members of the public and not to mention possible nuisances during the night affecting the local neighbourhood.

In view of the above, I would urge the Licencing Authority to refuse this application. Please see attached a petition which I have clearly stated my name, address, email, signature and date.

## Petition

### OBJECTION FOR A NEW PREMISE LICENSING OUTLET ON THE SAME PARADE

#### Details of the new applicant:

Applicant Ales Licensing Services on behalf of Hydamin Ltd  
Premises: Nez. 418C Watford Way NW7 2QZ

I sign this petition of my own volition, to express my satisfaction with the service provided by my local shop, Nisa Day1 at 424 Watford Way, Mill Hill, NW7 2QJ.

My current local shopping needs are being met by Nisa Day1, including the sales of Off-Licensed Alcohol and Spirits. I disagree with another premises being granted permission to sell alcohol and spirits on this small Parade, when we already have two businesses with license to sell alcohol.

There are also ten additional retail outlets within a one-mile radius which clearly indicates there is no need for another.

I strongly object to another outlet being granted a premises licence to sell alcohol (off-license) at 418C Watford Way, NW7 2QJ, as we are already adequately served.

My current local shopping needs are being met by Nisa Day1, including the sales of Off-Licensed Alcohol and Spirits. I disagree with another premises being granted permission to sell alcohol and spirits on this small Parade, when we already have two businesses with license to sell alcohol.

There are also ten additional retail outlets within a one-mile radius which clearly indicates there is no need for another.

I strongly object to another outlet being granted a premises licence to sell alcohol (off-license) at 418C Watford Way, NW7 2QJ, as we are already adequately served.

Dear Sir/Madam,

**OBJECTION FOR A NEW PREMISES LICENCE**

Your reference: LAPRE1/20/63189

Licencing Act 2003

Applicant Ales Licencing Services on behalf of Hydamin Ltd  
Premises: Nez. 418C Watford Way NW7 2QJ ("the Premises")

I am writing to register my objection to the application for a premises licence by Nez. 418C Watford Way, Mill Hill, London, NW7 2QJ. The basis for this opposition is that granting a licence for these premises will not promote the licencing objectives, particularly the prevention of crime, disorder and antisocial behaviour.

The applicant proposes to allow:

A) The provision of late-night refreshment (indoor only) from 23.00 hours until 05.00 hours  
Monday -- Sunday.

B) Sale or supply of alcohol (both on and off the Premises) from 08.00 hours until 00.00 hours  
Monday -- Sunday.

Granting a licence would provide a further source of alcohol within an area already so heavily populated with licensed premises, there are already 10 premises which obtain a premises license within a 1-mile radius. Resulting into crime, disorder and public nuisance have already reached problematic levels for the local police.

Residents in this area already suffer noise nuisance and antisocial behaviour at all hours of the day and night. They have endured this inconvenience since 2003 when the licencing legislation was first amended, and it is totally unacceptable to expect them to continue to do so.

There are also two schools which are a short distance away from this premises that will result in problems occurring if a licence is permitted due to, both girl's schools having to pass this premises to on their daily commute leading them to catch a bus which is also followed by walking beneath the underpass on five-ways corner in order to catch the bus on the other side of the road going towards Edgware. I am really concerned that there could be a high possibility that alcoholics will gather under the underpass on a daily basis which ultimately affect the safety of these pupils and other individuals. In addition to this, the increase of alcohol sales will unquestionably lead to an increase into broken glass along the pedestrian paths which poses as a significant hazard to the members of the public and not to mention possible nuisances during the night affecting the local neighbourhood.

In view of the above, I would urge the Licencing Authority to refuse this application. Please see attached a petition which I have clearly stated my name, address, email, signature and date.

The basis for this opposition is that granting a licence for these premises will not promote the licencing objectives, particularly the prevention of crime, disorder and antisocial behaviour.

The applicant proposes to allow:

A) The provision of late-night refreshment (indoor only) from 23.00 hours until 05.00 hours Monday -- Sunday.

B) Sale or supply of alcohol (both on and off the Premises) from 08.00 hours until 00.00 hours Monday - Sunday.

Granting a licence would provide a further source of alcohol within an area already so heavily populated with licensed premises, there are already 10 premises which obtain a premises license within a 1-mile radius. Resulting into crime, disorder and public nuisance have already reached problematic levels for the local police.

Residents in this area already suffer noise nuisance and antisocial behaviour at all hours of the day and night. They have endured this inconvenience since 2003 when the licencing legislation was first amended, and it is totally unacceptable to expect them to continue to do so.

There are also two schools which are a short distance away from this premises that will result in problems occurring if a licence is permitted due to, both girl's schools having to pass this premises to on their daily commute leading them to catch a bus which is also followed by walking beneath the underpass on five-ways corner in order to catch the bus on the other side of the road going towards Edgware. I am really concerned that there could be a high possibility that alcoholics will gather under the underpass on a daily basis which ultimately affect the safety of these pupils and other individuals. In addition to this, the increase of alcohol sales will unquestionably lead to an increase into broken glass along the pedestrian paths which poses as a significant hazard to the members of the public and not to mention possible nuisances during the night affecting the local neighbourhood.

In view of the above, I would urge the Licencing Authority to refuse this application. Please see attached a petition which I have clearly stated my name, address, email, signature and date.

## Petition

OBJECTION FOR A NEW PREMISE LICENSING OUTLET ON THE SAME PARADE

Reference: LAPRE1/20/63189

Details of the new applicant:

Applicant Ales Licensing Services on behalf of Hydamin Ltd  
Premises: Nez. 418C Watford Way NW7 2QJ

I sign this petition of my own volition, to express my satisfaction with the service provided by my local shop, Nisa Day1 at 424 Watford Way, Mill Hill, NW7 2QJ.

My current local shopping needs are being met by Nisa Day1, including the sales of Off-Licensed Alcohol and Spirits. I disagree with another premises being granted permission to sell alcohol and spirits on this small Parade, when we already have two businesses with license to sell alcohol.

There are also ten additional retail outlets within a one-mile radius which clearly indicates there is no need for another.

I strongly object to another outlet being granted a premises licence to sell alcohol (off-license) at 418C Watford Way, NW7 2QJ, as we are already adequately served.

Granting a licence would provide a further source of alcohol within an area already so heavily populated with licenced premises, there are already 10 premises which have obtained a license within a 1-mile radius. Resulting in crime, disorder and public nuisance which have already reached problematic levels for the local police.

Residents in this area already suffer noise nuisance and antisocial behaviour at all hours of the day and night. They have endured this inconvenience since 2003 when the licensing legislation was first amended, and it is totally unacceptable to expect them to continue to do so.

There are also two schools which are a short distance away from this premises, both girl's schools have to pass this premises to on their daily commute, to catch a bus which is also followed by walking beneath the underpass on five-ways corner in order to catch the bus on the other side of the road going towards Edgware. I am really concerned that there could be a high possibility that alcoholics will gather under the underpass on a daily basis which ultimately affects the safety of these pupil and other individuals. In addition to this, the increase of alcohol sales will unquestionably lead to an increase into broken glass along the pedestrian paths which poses a significant hazard to the members of the public and not to mention possible nuisances during the night affecting the local neighbourhood.

In view of the above, I would urge the Licensing Authority to refuse this application.

Dear Sir/Madam,

**OBJECTION FOR A NEW PREMISES LICENCE**

Your reference: LAPRE1/20/63189

Licencing Act 2003

Applicant Ales Licencing Services on behalf of Hydamin Ltd  
Premises: Nez. 418C Watford Way NW7 2QJ ("the Premises")

I am writing to register my objection to the application for a premises licence by Nez. 418C Watford Way, Mill Hill, London, NW7 2QJ. The basis for this opposition is that granting a licence for these premises will not promote the licencing objectives, particularly the prevention of crime, disorder and antisocial behaviour.

The applicant proposes to allow:

- A) The provision of late night refreshment (indoor only) from 23.00 hours until 05.00 hours Monday -- Sunday.
- B) Sale or supply of alcohol (both on and off the premises) from 08.00 hours until 00.00 hours Monday -- Sunday.

Granting a licence would provide a further source of alcohol within an area already so heavily populated with licenced premises, there are already 10 premises which have obtained a license within a 1-mile radius. Resulting in crime, disorder and public nuisance which have already reached problematic levels for the local police.

Residents in this area already suffer noise nuisance and antisocial behaviour at all hours of the day and night. They have endured this inconvenience since 2003 when the licensing legislation was first amended, and it is totally unacceptable to expect them to continue to do so.

There are also two schools which are a short distance away from this premises, both girl's schools have to pass this premises to on their daily commute, to catch a bus which is also followed by walking beneath the underpass on five-ways corner in order to catch the bus on the other side of the road going towards Edgware. ## Petition

OBJECTION FOR A NEW PREMISE LICENSING OUTLET ON THE SAME PARADE

Reference: LAPRE1/20/63189

Details of the new applicant:

Applicant Ales Licensing Services on behalf of Hydamin Ltd  
Premises: Nez. 418C Watford Way NW7 2QJ

I sign this petition of my own volition, to express my satisfaction with the service provided by my local shop, Nisa Day1 at 424 Watford Way, Mill Hill, NW7 2QJ.

My current local shopping needs are being met by Nisa Day1, including the sales of Off-Licensed Alcohol and Spirits. I disagree with another premises being granted permission to sell alcohol and spirits on this small Parade, when we already have two businesses with license to sell alcohol.

There are also ten additional retail outlets within a one-mile radius which clearly indicates there is no need for another.

I strongly object to another outlet being granted a premises licence to sell alcohol (off-license) at 418C Watford Way, NW7 2QJ, as we are already adequately served.

There are also two schools which are a short distance away from this premises that will result in problems occurring if a licence is permitted due to, both girl's schools having to pass this premises to on their daily commute leading them to catch a bus which is also followed by walking beneath the underpass on five-ways corner in order to catch the bus on the other side of the road going towards Edgware. I am really concerned that there could be a high possibility that alcoholics will gather under the underpass on a daily basis which ultimately affect the safety of these pupils and other individuals. In addition to this, the increase of alcohol sales will unquestionably lead to an increase into broken glass along the pedestrian paths which poses as a significant hazard to the members of the public and not to mention possible nuisances during the night affecting the local neighbourhood.

In view of the above, I would urge the Licencing Authority to refuse this application. Please see attached a petition which I have clearly stated my name, address, email, signature and date.

## Petition

### OBJECTION FOR A NEW PREMISE LICENSING OUTLET ON THE SAME PARADE

#### Details of the new applicant:

Applicant Ales Licensing Services on behalf of Hydamin Ltd  
Premises: Nez. 418C Watford Way NW7 2QJ

I sign this petition of my own volition, to express my satisfaction with the service provided by my local shop, Nisa Day1 at 424 Watford Way, Mill Hill, NW7 2QJ.

My current local shopping needs are being met by Nisa Day1, including the sales of Off-Licensed Alcohol and Spirits. I disagree with another premises being granted permission to sell alcohol and spirits on this small Parade, when we already have two businesses with license to sell alcohol.

There are also ten additional retail outlets within a one-mile radius which clearly indicates there is no need for another.

I strongly object to another outlet being granted a premises licence to sell alcohol (off-license) at 418C Watford Way, NW7 2QJ, as we are already adequately served.

Dear Sir/Madam,

**OBJECTION FOR A NEW PREMISES LICENCE**

Your reference: LAPRE1/20/63189

Licencing Act 2003

Applicant Ales Licencing Services on behalf of Hydamin Ltd

Premises: Nez. 418C Watford Way NW7 2QJ ("the Premises")

I am writing to register my objection to the application for a premises licence by Nez. 418C Watford Way, Mill Hill, London, NW7 2QJ. The basis for this opposition is that granting a licence for these premises will not promote the licencing objectives, particularly the prevention of crime, disorder and antisocial behaviour.

The applicant proposes to allow:

**A) The provision of late-night refreshment (indoor only) from 23.00 hours until 05.00 hours Monday – Sunday.**

**B) Sale or supply of alcohol (both on and off the Premises) from 08.00 hours until 00.00 hours Monday – Sunday.**

Granting a licence would provide a further source of alcohol within an area already so heavily populated with licensed premises, there are already 10 premises which obtain a premises license within a 1-mile radius. Resulting into crime, disorder and public nuisance have already reached problematic levels for the local police.

Residents in this area already suffer noise nuisance and antisocial behaviour at all hours of the day and night. They have endured this inconvenience since 2003 when the licencing legislation was first amended, and it is totally unacceptable to expect them to continue to do so.

There are also two schools which are a short distance away from this premises that will result in problems occurring if a licence is permitted due to, both girl's schools having to pass this premises to on their daily commute leading them to catch a bus which is also followed by walking beneath the underpass on five-ways corner in order to catch the bus on the other side of the road going towards Edgware. I am really concerned that there could be a high possibility that alcoholics will gather under the underpass on a daily basis which ultimately affect the safety of these pupils and other individuals. In addition to this, the increase of alcohol sales will unquestionably lead to an increase into broken glass along the pedestrian paths which poses as a significant hazard to the members of the public and not to mention possible nuisances during the night affecting the local neighbourhood.
