24/09/20	Sexual Health Services Contract Variation	<p>Emergency Hormonal Contraception (EHC):  To extend EHC provision by increasing the number of participating pharmacies from 5 to 15, for the delivery of 1,500 issues per year instead of 200 issues per year initially planned at the time of the contract award in 2017.</p> <p>Barnet Public Health, working with Central and North-West London NHS Foundation Trust (CNWL) - Barnet sexual health service provider and the Barnet Local Pharmaceutical Committee (LPC) wish to see wider provision of EHC for young people across the borough to support a reduction in teenage pregnancies as a high proportion of these end in repeat abortions. Young people under the age of 25 also carry a higher burden of sexual ill health and are less likely to be mobile or able to afford to buy private pharmacy products.</p> <p>Pharmacies provide local delivery points for EHC that complement existing provision of Long Acting Reversible Contraception (LARC) by general practices and CNWL's Integrated Sexual Health Services. In Barnet, CNWL is commissioned to provide additional services in Primary Care settings and CNWL's contract award is for £138k annual Block Funding to deliver:</p> <ul style="list-style-type: none"> <li>• GP Long Acting Reversible Contraception (LARC) in general practices (£108k)</li> <li>• Emergency Hormonal Contraception (EHC) for under-25s in community pharmacies 00 EHC issues per year (£30k pa).</li> </ul> <p>In respect of this Chief Officer Decision, Barnet will pay £50,000 as additional funding to the Provider to increase the number of participating pharmacies from 5 to 15, and delivery of 1,500 issues per year from 200 per year.</p>
