1. INTRODUCTION

- 1.1 The Financial Regulations provide the framework for managing the financial affairs of the Council. These Financial Regulations should apply to all Members, officers, contractors and partners in the work they do for the Council.
- 1.2 The Director of Resources, is the Chief Finance Officer, also known as the s151 Officer, and has statutory duties in relation to the financial administration and stewardship of the Council.
- 1.3 The Financial Regulations govern the way the Council undertakes financial forward planning, annual budget setting, budget monitoring and closing of the accounts.
- 1.4 The Financial Regulations also govern the way day to day financial administration is conducted and financial controls are exercised.
- 1.5 The Scheme for Financing Schools, which follows the requirements of the School Standards and Framework Act 1998, governs School Governors, Headteachers and school staff of Maintained schools with delegated budgets. A local financial guide for schools supplements the Scheme for Financing Schools. In these cases the Financial Regulations do not apply. Each school is required to have a financial management policy and procedures document.
- 1.6 These procedures shall be reviewed regularly by the Chief Finance Officer but at least every three years. The Constitution, ~~Ethics and Probity and General Purposes~~ Committee recommend to Council for approval all amendments and summaries of changes resulting from the review.
- 1.7 The Chief Finance Officer is required to control and be responsible for the accounts and finances of the Council in every respect and ensure, as far as possible, that consistent financial systems operate throughout the entire operation of the Council.

2. FINANCIAL PLANNING AND FINANCIAL MANAGEMENT

2.1 BUDGET STRATEGY

- 2.1.1 The Budget Strategy, sets out the Council's proposed income and expenditure, both revenue and capital, and the level of council tax, for the following financial year, including the way in which corporate service priorities are considered, the level of balances and reserves, and the management of financial risks.
- 2.1.2 The Council's policies for the recovery of debt are separately approved by the Policy and Resources Committee.
- 2.1.3 The Budget Strategy and Medium Term Financial Strategy will normally be recommended by the Policy and Resources Committee to Full Council for approval at the start of each financial year.

2.2 MEDIUM TERM FINANCIAL STRATEGY

- 2.2.1 The Chief Finance Officer, in consultation with the Chairman of the Policy and Resources Committee, will maintain a Medium Term Financial Strategy that covers a period of at least three financial years, including the current financial year.
- 2.2.2 The Medium Term Financial Strategy will be produced and reported in conjunction with the annual budget, council tax and rent proposals to the Policy and Resources Committee and Full Council before 11 March of the preceding financial year. Further updates on the Medium Term Financial Strategy may be reported during the year.
- 2.2.3 The Financial Forward Plan will cover revenue and capital budgets, and will highlight how resources are being re-directed to address Corporate Plan priorities.
- 2.2.4 In that the Medium Term Financial Strategy spans a number of years, it is to be expected that figures in later years will often be preliminary estimates and/or aspirations of future decisions and changes in council policy.

2.3 ANNUAL BUDGET SETTING

- 2.3.1 The Council will publish a draft budget for consultation. Arrangements for budget consultation will be determined by the Council.
- 2.3.2 The Chief Finance Officer will set the council tax base for tax-setting purposes before 31 January of the preceding financial year, and notify precepting and levying bodies of this figure by this date. The Chief Finance Officer will notify all Council Members via the Policy and Resources Committee and Full Council.
- 2.3.3 The Policy and Resources Committee will finalise its recommendations to Council on the revenue budget, council tax, capital programme and rent levels taking account of the results of budget consultation. This will normally be in February, following announcement of the Final Local Government Finance Settlement. Theme Committees will work up proposals for consideration by the Policy and Resources Committee.
- 2.3.4 Policy and Resources Committee's recommendations to Council must be made in time for Council to set the capital and revenue budget and council tax before 11 March of the preceding financial year.
- 2.3.5 The Chief Finance Officer shall advise the Council whether s/he is able to certify that the draft Budget contains robust estimates and reserves for the purpose of meeting the requirements of Section 25 of the Local Government Act 2003.
- 2.3.6 Fees and Charges
- 2.3.7 Changes to fees and charges should be included in the budget proposals submitted by theme Committees or the relevant committee to the Policy & Resources Committee. The budget recommended by Policy and Resources

Committee to Full Council will incorporate the latest projection of income from fees and charges. Full Council will approve all fees and charges as part of the budget report.

~~2.3.7 For the fees and charges within their remit, these Committees, Planning Committee and Licensing Committee must approve changes to fees and charges that are above CPI inflation by 2% or more, the introduction of new fees and charges, and changes to fees and charges outside the normal annual cycle.~~

~~2.3.8 Changes to fees and charges approved by these Committees, Planning Committee and Licensing Committee must be reported to Policy and Resources Committee for noting.~~

~~2.3.9 Chief Officers may approve changes to fees and charges annually where the change is broadly in line with inflation. The date for annual increases need not be 1 April.~~

Capital Programme and Budget

2.3.9 The Capital Programme has been developed following these principles;

- To maintain an affordable five-year rolling capital programme.
- To ensure capital resources are aligned with the Council's strategic vision and corporate priorities.
- To undertake prudential borrowing only where there are sufficient monies to meet, in full, the implications of capital expenditure, both borrowing and running costs.
- To maximise available resources by actively seeking appropriate external funding and disposal of surplus assets.

3.3.10 Alternative Budget Motions

Any Member proposing to put forward to Council any amendment to the draft Budget or any alternative Budget should provide a copy thereof to the Chief Finance Officer and Monitoring Officer as soon as possible and at least 5 clear days before the Council meeting so that s/he may advise Council whether the resulting amended or alternative budget would provide robust estimates and reserves for the purpose of section 25 of the Local Government Act 2003.

2.4 BUDGET MANAGEMENT & MONITORING

2.4.1 Making changes to the budget

A virement is the transfer of budget from one specific area to another. This can either be a transfer within revenue budgets or capital budgets but not between revenue and capital.

2.4.2 The Virement Scheme is intended to enable the Directors and their officers to manage budgets with a degree of flexibility within the overall framework determined by the Council, and therefore optimise the use of resources.

2.4.3 Amendments to the revenue budget can only be made with approval as per the scheme of virement table below:

Virements for allocation from contingency for amounts up to and including £250,000 must be approved by the Chief Finance Officer
Virements for allocation from contingency for amounts over £250,000 must be approved by Policy and Resources Committee
Virements within a service that do not alter the approved bottom line are approved by the Service Director
Virements between services (excluding contingency allocations) up to and including a value of £50,000 must be approved by the relevant Chief Officers
Virements between services (excluding contingency allocations) over £50,000 and up to and including £250,000 must be approved by the relevant Chief Officer and Chief Finance Officer in consultation with the Chairman of the Policy and Resources Committee and reported to the next meeting of the Policy and Resources Committee
Virements between services (excluding contingency allocations) over £250,000 must be approved by Policy and Resources Committee.

2.4.4 No revenue virement is allowed between the following budgets without approval of the Policy and Resource Committee;

The report must show the proposed: <ul style="list-style-type: none"> i) Budget transfers between projects and by year; ii) Funding transfers between projects and by year; and iii) A summary based on a template approved by the Chief Finance Officer
Policy and Resources Committee approval is required for all capital additions to the capital programme. Capital additions should also be included in the quarterly budget monitoring report to Performance and Contract Management Committee for noting.
Funding substitutions in order to maximise funding are the responsibility of the Chief Finance Officer.

Budget Monitoring

2.4.6 Chief Officers are required to notify the Chief Finance Officer of all underspends, over-recovery of income or windfall benefits arising within their revenue and capital budgets. Where these occur they should in the first instance be transferred to the contingency budget unless regulations specify restrictions on their use which make this inappropriate or the under spend, additional income or other financial benefits are to be used to offset uncontrollable overspends elsewhere within the service. The chief officer is responsible for notifying the Chief Finance Officer that this is to occur. Approval to these budget variations will be in line with the scheme of virement.

Budget Monitoring – Revenue

2.4.7 Chief Officers should ensure that their revenue cost centre managers do not enter into commitments before satisfying themselves there is sufficient approved

budget provision. Chief Officers have no authority to overspend revenue budgets, or under-recover income budgets under their control, and are responsible for monitoring their budgets to ensure this situation does not arise.

Budget Monitoring – Capital

- 2.4.9 Forecast overspends on approved capital projects must be communicated through the Chief Finance Officer to the Chairman of the Policy & Resources Committee as soon as possible with options for offsetting the forecast overspend.

- 2.4.10 Due to the uncertainty around the generation and timing of capital receipts, and the impact that delays could have on the level of prudential borrowing, capital project managers must obtain the prior approval of the Chief Finance Officer before entering into any individual capital commitment on an approved capital project over £1m.

Central Contingency

- 2.4.11 The Chief Finance Officer will determine which budget risks and uncertainties are to be held within the central contingency.

- 2.4.12 Allocations from the central contingency relating to planned developments will be approved by the Chief Finance Officer, following the receipt from a Chief Officer of a fully costed proposal to incur expenditure that is in line with planned development (including full year effect). Where there is a significant increase in the full year effect (over £250,000), the contingency allocation must be approved by the Policy and Resources Committee.

- 2.4.13 Allocations from the central contingency for unplanned expenditure, including proposals to utilise underspends previously generated within the service and returned to central contingency, will be approved by the Chief Finance Officer. Where there are competing bids for use of under spends, additional income or windfalls previously returned to central contingency, priority will be given to the service(s) that generated that return. Allocations for unplanned expenditure over £250,000 must be approved by Policy and Resources Committee.

Balances and Reserves

2.4.20 Authorisation of Non-Budgeted Expenditure (Emergency Payments)

Emergency payments may arise as a consequence of unforeseen circumstances (e.g. as a consequence of a natural disaster, a civil emergency or a court order etc.) where budget provision has not been made and the payment cannot be covered within the relevant service's existing budget.

2.4.21 Emergency payments can only be made by decision of Urgency Committee or by Chief Officers up to their delegated financial limit of £180k. All such emergency payments should be reported to the next meeting of the Performance & Contract Management Committee.
