CIL Submission re Edgwarebury Lane speeding survey

10 March 2021

I am a candidate in the by-election for Edgware ward. Recently I have spoken to a number of residents of Edgwarebury Lane north of the A41. Issues raised were:

1. Speed of the traffic going down the lane;
2. Lack of a pedestrian crossing to allow safe passage to Edgwarebury Park;
3. Heavier traffic from the developments around Hartland Drive; and
4. Increased speed of traffic now that parking on the footpaths is encouraged.

I would therefore strongly support a survey to establish how best to make Edgwarebury Lane safer for its residents.

Nick Mearing-Smith
