1. RECOMMENDATIONS

- 1.1 That the draft sex establishment and sex entertainment venue policy be approved for consultation and that the Officers be instructed to report to the next Licensing Committee meeting on the outcome of the consultation for its recommendation to Council.**
- 1.2 That the consultation is drafted as such that it particularly seeks views on the definition of the area which will be considered as a relevant locality.**

2. RELEVANT PREVIOUS DECISIONS

- 2.1 Decision by Council on 17th April 2012 to approve amendments to the council constitution including moving a number of functions (including functions relating to sex establishment functions) to the Licensing Committee
- 2.2 Decision of the Licensing Committee on 11 July 2012 to consult with local people in relation adoption of section 27 of the Policing and Crime Act 2009.

3. CORPORATE PRIORITIES AND POLICY CONSIDERATIONS

- 3.1 Control over sex cinemas, sex shops and sex entertainment venues will support objectives contained within the corporate plan. In particular in relation to a “successful London suburb”, as well controlled sex establishments can contribute to the economic, cultural, environmental and social well being of the borough.

4. RISK MANAGEMENT ISSUES

- 4.1 Currently the council has no formal detailed policy in relation to sex establishments. The decisions are made in line with best practice. If Section 27 of the Policing and Crime Act 2009 is adopted then the control of Sex Entertainment Venues will fall outside of the remit of the Licensing Act 2003, for which there is an established policy. Therefore there is a need for a formal policy to be adopted.
- 4.2 The lack of a sound policy or the adoption of an unsound policy may result in poor decisions being taken and could cause difficulty to businesses and residents. This would leave the authority open to challenge by way of Judicial Review in relation to the policy and/or appeal of a Licensing Committee decision to the Magistrates’ Court. This would adversely affect the London Borough of Barnet’s reputation.

5. EQUALITIES AND DIVERSITY ISSUES

- 5.1 The London Borough of Barnet has a legal obligation to have due regard to the need to eliminate unlawful discrimination and to promote equality of opportunity and good relations between persons of different groups.
- 5.2 When considering applications, only issues provided for in the legislation and guidance and in addition to the authority's policy will be taken into account. This will ensure a consistent approach is adopted. Under the terms of the policy, every application will be considered on its own merits, regardless of the race, colour, nationality, ethnic origin, sex, marital status, disability or age of the individuals involved.
- 5.3 The community in Barnet has a richness of diversity with a broad range of cultural activities and entertainments. Applications will be dealt with in accordance with the Act.

6. USE OF RESOURCES IMPLICATIONS (Finance, Procurement, Performance & Value for Money, Staffing, IT, Property, Sustainability)

- 6.1 Administration and enforcement of sex establishment and sex entertainment venues will be carried out by the Licensing team, together with support from Legal Services and from Governance Services, when arranging and co-ordinating arrangements for hearings
- 6.2 The current fees were set in 2008 and these are currently under review.
- 6.3 Any expenditure will be contained within the Environment, Planning and Regeneration budgets.

7. LEGAL ISSUES

- 7.1 To ensure consistency in decision making an agreed sound policy is needed.

8. CONSTITUTIONAL POWERS (Relevant section from the Constitution, Key/Non-Key Decision)

- 8.1 Constitution Part 3, Section 2, details the functions of the Licensing Committee including sex establishments and sex entertainment venues.

9. BACKGROUND INFORMATION

- 9.1 Sex shops are licensed under the Local Government (Miscellaneous Provisions) Act 1982. This regime gives the Licensing Authority a wide discretion in determining whether to grant or refuse licences, a power to set a limit on the number of premises that may be suitable for a particular locality, and flexibility on applying licence conditions. It also gives the ability to accept representations from a wide scope of the community.
- 9.2 The Local Government (Miscellaneous Provisions) Act 1982 was amended through the Police and Crime Act 2009 so as to create a new category of “sex establishment venue” (SEV) licence that would include lap, table and pole dancing. This allowed local authorities to have more powers to control the number and location of lap dancing clubs and similar venues in their area. These powers are not mandatory and will only apply where they are adopted by local authorities. The London Borough of Barnet has just finished consulting on whether to adopt these powers.
- 9.3 Currently there are no sex shops or sex cinemas in the London Borough of Barnet and there have not been any applications for premises licences for venues to provide lap dancing or similar entertainment, although there have been a number of recent enquiries in relation to this.
- 9.4 There is no formal agreed policy in relation to sex establishments and sex entertainment venues licensing. Without such a policy in place it is difficult to maintain consistency in decision making and leaves the London Borough of Barnet open to challenge.
- 9.5 Attached at Appendix 1 is the draft proposed policy. The areas highlighted in red relate purely to Sex Entertainment Venues and will be removed from the policy should the decision be made not to adopt this.
- 9.6 It should be noted that the legislation allows the local authority to set a quantity limit regarding the number of sex establishments/sex entertainment venues in an area. However it should be noted that the guidance is clear that regardless of this, all applications need to be considered on their own merits

“...it is reasonable and potentially useful to future applicants, for a local authority to decide in advance of receiving any applications that certain areas are, or are not, appropriate locations for a sex establishment or a particular number of sex establishments. Nevertheless, all applications must be considered on their individual merits.”

- 9.7 However setting up limit's, for example by ward, can cause difficulty in decision making. Particularly on the borders of wards where one ward may have a quota for such venues and another may have a zero quota. However in essence the street the venue proposed to set up in may be the same. This could result in more challenges to decisions.
- 9.8 It would be beneficial for the London Borough of Barnet to instead look much closer at the specific area around each proposed site. This would ensure that each application is treated individually and on its own merits. To make the decision making process clearer for the applicant and any representees, the London Borough of Barnet will define the area that will specifically be considered. The policy will then set out when it considers the grant of a licence inappropriate. I.e. when there is a school positioned in the relevant locality. The full information in relation to this can be found in the policy at 5.4 – 5.9 and is highlighted in italics
- 9.9 It is proposed as well as consulting on the policy that the London Borough of Barnet consults with all parties on the size of the “relevant Locality” area suggesting options of sizes.
- 9.10 If approved by the Committee, the policy will be submitted for consultation with all relevant stakeholders during the next 12 weeks, in accordance with best practice. All replies will be taken into account and the policy, revised as necessary, will be submitted to this Committee for final approval at its next meeting. The Committee will then be asked to recommend that the Statement of Principles be adopted at the meeting of the full Council in January 2013
- 9.11 The policy may be changed at any time after adoption (after further consultation), and will be regularly reviewed
- 9.12 The proposed draft sex establishment and sex entertainment venue policy for formal consultation can be found in Appendix 1.
- 9.13 The consultation document will be sent to the Police, any local trade associations, and residents groups. It will also be sent to Members.
- 9.14 In so far as possible, the consultation document will be emailed to the relevant consultees, or a hard copy sent, where this is not appropriate. All of the consultation documents will also be published on the Council's website.
- 9.15 A specific consultation response document has also been produced. This can be found in Appendix 2 and this will be sent out with the consultation.

2 INTRODUCTION

2.1 This document sets out the London Borough of Barnet's policy in respect of licensing functions for sex establishments

and sex entertainment venues

2.2 This policy was approved at a meeting of the Licensing Committee on [DATE] and will take effect from [DATE].

2.3 This policy will be kept under review and before making any amendments the London Borough of Barnet will consult with licence holders and their representatives and will give consideration to all representations received within the 28-day consultation period.

2.4 Section 27 of Policing and Crime Act 2009 introduced a new type of sex establishment called 'sexual entertainment venue'. The London Borough of Barnet consulted on these additional powers and adopted them on (DATE)

2.5 This new category allows the London Borough of Barnet to regulate lap dancing clubs and other similar venues under Schedule 3.

2.6 Previously a sex establishment licence was not usually required for striptease or lap dancing venues, as the relevant permissions for adult entertainment would have been included on a Premises Licence issued under the Licensing Act 2003.

2.7 Paragraph 2A (3) of Schedule 3 sets out those premises that are not sexual entertainment venues and these include sex shops and cinemas and those premises that provide relevant entertainment on an infrequent basis. Those premises that provide infrequent relevant entertainment will continue to be regulated under the 2003 Act either by virtue of a premises licence or club premises certificate or a temporary events notice.

2.8 The London Borough of Barnet is mindful of possible local community concerns arising from premises applying for a sex establishment licence in their neighbourhood and the potential conflict that this may trigger between the applicant and community to such an application.

2.9 The London Borough of Barnet is a densely populated borough with many small town centres. Therefore commercial and business areas also have many residential properties in close proximity. Community facilities such as schools and places of worship, are situated close to

each other and to the residential populations they serve. As a consequence any location considered for a sex establishment is likely to have a large residential population and a number of community facilities in relatively close proximity

- 2.10 In regulating sex establishments and sex entertainment venue activities the London Borough of Barnet acknowledges that they need to take account of the potential conflict between the legitimate objectives of applicants and the desires of the population as a whole. A balance must be struck between these positions and all relevant views will be taken into account when making licensing decisions or determining a course of action.
- 2.11 This policy will apply to all activities to ensure consistency in decision-making. However, each application will be considered on its own merits so that individual circumstances, where appropriate, are taken into consideration.

3 THE APPLICATION

- 3.1 All applications for a licence must be made to the London Borough of Barnet either electronically using the forms on the London Borough of Barnet website or addressed to:

London Borough of Barnet

**Trading Standards and
Licensing Team
Building 4
North London Business Park
Oakleigh Road South
London
N11 1NP**

- 3.2 In order to avoid any duplication or inefficiency between the licensing and planning processes, the London Borough of Barnet will expect that, prior to the submission of a licensing application the appropriate planning permission will have been granted in respect of the premises concerned.

3.3 New applications

- 3.3.1 New applications must be:

- Made in writing
- Made on the correct application form as prescribed by the London Borough of Barnet
- Accompanied by the full fee

- 3.3.2 An incomplete or incorrectly completed application will be rejected.

3.4 Renewal application

- 3.4.1 A correctly completed application for the renewal of a licence must be submitted no later than two months before the existing licence will expire.

- 3.4.2 An incomplete or incorrectly completed application will be rejected

3.4.3 A renewal application will be treated the same as a new application in relation to consultation and determination.

3.5 Variation or transfer application

3.5.1 Where an application is made to vary a licence in terms of the activity, hours of operation or certain conditions as previously licensed or transfer a licence to another person (whether on renewal or not), the London Borough of Barnet will take into account:

- Levels of recorded crime and disorder in the area

- Evidence of past demonstrable impacts from the operation of the premises on the safety and amenity of local residents

- Whether appropriate measures have been agreed and put into effect by the applicant to mitigate any adverse impacts

4 CONSULTATION

4.1 A notice of the application must be displayed in a prominent place on the exterior of the premises visible 24 hours a day for a continuous period of 21 days.

4.2 A notice outlining the details of the application must also be published in a local newspaper

within 7 days of the submission of the application. A copy of the notice once published should be sent to the Licensing Team.

4.3 Once the application is received, the licensing department will consult with:

- Ward Councillors
- Police
- Fire Brigade
- Planning Service
- Environmental health
- Community Safety
- Licensing Authority
- Safeguarding Children

4.4 The application will also be published on the London Borough of Barnet's website

5 DETERMINING THE APPLICATION

5.1 All applications shall automatically be referred to the Licensing Sub Committee regardless of whether or not any objections have been received.

5.2 The London Borough of Barnet will assess the possible adverse impacts especially on local residents when considering an application for the grant, renewal, variation or transfer of licence, and will take into account the following:

- a. The type of activity to which the application relates;
- b. The duration of the proposed licence
- c. The days and hours of operation of the activity
- d. The layout and condition of the premises
- e. The character of the locality in which the proposed premises

- are to be situated. (This will include the likely character of an area as a result of redevelopment of that area.)
- f. The use to which other premises in the vicinity are put
- 5.3 The inside of sex establishments should not be visible to passers by on retail thoroughfares or pedestrian routes. Applicants should consider locating premises at basement level.
- 5.4 *The London Borough of Barnet recognises under The Act that it can set a quantity limit regarding the number of sex establishments in an area but has not chosen to do so based on the specific geographical characteristics and nature of the borough.*
- 5.5 *The London Borough of Barnet has not imposed a limit on the number of premises that may be licensed in any area, it will consider each application on its own merits. However, it will not grant licences if it is deemed inappropriate having regard to the character of the relevant locality and in particular in relation to the following:*
- *Purely or primarily residential accommodation*
 - *Schools, play areas, nurseries, youth clubs, children's centres or similar places*
 - *Access routes to and from schools, play areas, nurseries, children's centres or similar premises*
 - *Places of worship*
 - *Community facilities or public buildings including, but not*
- limited to, swimming pools, leisure centres, public parks, youth centres/clubs and sheltered housing.*
- *Historic buildings or tourist attractions*
- 5.6 *"Relevant Locality" is defined as an area of (to be confirmed) metres radius around the proposed location. The London Borough of Barnet will in general, in areas where the relevant locality includes one or more of the above list, consider it inappropriate for a licence to be granted.*
- 5.7 *London Borough of Barnet acknowledges that a concentration of sex establishments in a particular area can result in the potential for fear of crime, anti-social behaviour, disorder, noise pollution and other disturbance to residents. In such cases the amenity of local residents can be placed under severe pressure.*
- 5.8 *The London Borough of Barnet would also consider the following factors when deciding if an application were appropriate:*
- *Cumulative adverse impact of existing sex related licensed activities in the vicinity of the proposed premises*
 - *Proximity to areas with the highest levels of recorded crime*
 - *Whether the premises has met the relevant planning requirements*
 - *Whether the applicant is fit and proper to hold the*

licence. This may include considering the operation of existing or previous licences held by the applicant, and/or any reports received about the applicant from the police or other sources.

5.9 *In all cases, The London Borough of Barnet will consider each application on its own merit.*

5.10 The Licensing Sub Committee will communicate their decision at the end of the hearing and all parties will receive written confirmation within 7 days.

6 CONDITIONS

6.1 The London Borough of Barnet recognises that all applications should be considered on an individual basis and any condition attached to such a licence will be tailored to individual premises.

6.2 Examples of conditions that may be attached to a licence are shown in Appendix A below.

of Barnet within the last 12 months;

- To a person who has, within a period of 12 months immediately preceding the date when the application was made, been refused the grant or renewal of a licence for the premises, vehicle, vessel or stall in respect of which the application is made, unless the refusal has been reversed on appeal.

7.2 The London Borough of Barnet would consider refusing a licence where

- The applicant is unable to hold the licence by reason of having been convicted of an offence or for any other reason;
- If the licence were to be granted, renewed or transferred the business to which it relates would be managed by or carried on for the benefit of a person, other than the applicant, who would be refused the grant, renewal or transfer of such a licence if they made the application themselves;

8 EXPIRY OF A LICENCE

8.1 A licence will expire on the date specified on the licence unless it is renewed in time.

8.2 A licence holder may surrender his/her licence by sending it to the London Borough of Barnet at which time it will cease to be valid and will expire.

9 REVOCATION OF A LICENCE

- 9.1 The London Borough of Barnet may revoke a licence on any of the grounds contained within the Act which include (please note this list is not exhaustive):

12 APPEALS

- 12.2 However, the right to appeal does not apply where the licence was refused on the grounds that:
- the number of sex establishments in the area exceeds the number which the authority consider is appropriate;
 - the grant of the licence would be inappropriate considering the character of the area, the number of other premises in the area, or the premises themselves.
- 12.3 A licence holder who wishes to appeal against a condition can appeal to the magistrates' court.
- 12.4 Licence holders may at any time apply to London Borough of Barnet to vary their licence. If the London Borough of Barnet refuses a variation, or if the licence is revoked, the licence holder may, within 21 days after receiving the decision notice, appeal to the magistrates' court.
- 12.5 The licence holder also has rights of appeal to the crown court against any magistrates' court decision.

APPENDIX 2

London Borough of Barnet

Sex establishment and Sex Entertainment Venues Policy

FORMAL CONSULTATION: COMMENTS ON OUR DRAFT POLICY

Definitions

A sex establishment is defined as a sex shop or a sex cinema

A sexual entertainment venue is defined as *“any premises at which relevant entertainment is provided before a live audience for the financial gain of the organiser or the entertainer.”*

The meaning of ‘relevant entertainment’ is *“any live performance or live display of nudity which is of such a nature that, ignoring financial gain, it must reasonably be assumed to be provided solely or principally for the purpose of sexually stimulating any member of an audience (whether by verbal or other means).”* An audience can consist of just one person (e.g. where the entertainment takes place in private booths).

Current Position

Currently there are no premises offering this type of entertainment within the London Borough of Barnet.

In order to ensure that consistent decisions are made on application for such venues London Borough of Barnet need to ensure there is a sound policy setting out how applications should be submitted and how decisions will be made

Adopting section 27 of the Policing and Crime Act 2009

Currently the decision to adopt the above Section has not been made. If the Licensing Committee approve its adoption, the formal decision to adopt will be made at the Council meeting in January 2013. It is recommended to the Committee to adopt the provision.

If adopted the amendments will,allow local people to oppose an application for a Sex Establishment licence if they have legitimate concerns that a Sexual Entertainment Venue (SEV) would be inappropriate given the character of an area, for example, if the area was primarily residential.

The section of the policy that relate only to sex entertainment venues are highlighted in red and these will be removed should the London Borough of Barnet decide not to adopt Section 27.

Relevant Locality

The legislation allows the local authority to set a quantity limit regarding the number of sex establishments/sex entertainment venues in an area. However it should be noted that the guidance is clear that regardless of this all applications need to be considered on its own merits

“...it is reasonable and potentially useful to future applicants, for a local authority to decide in advance of receiving any applications that certain areas are, or are not, appropriate locations for a sex establishment or a particular number of sex establishments. Nevertheless, all applications must be considered on their individual merits.”

However setting up limit's, for example by ward, can cause difficulty in decision making. Which could result in more challenges to decisions.

The London Borough of Barnet proposes instead to look much closer at the specific area around each proposed site, ensuring that each application is treated individually and on its merits.

To make the decision making process clearer the area that will specifically be considered will be defined. The policy states that in general the grant of a licence will be deemed inappropriate if the defined area has specific characteristics. These include the area being primarily residential, their being a school or place of worship in the area, etc. The full information in relation to this can be found in the policy at 5.4 – 5.9 and is highlighted in italics.

However before defining the area that will be given specific consideration the London Borough of Barnet is consulting with all relevant parties on what size this area should be.

The options are 25 Metres from location, 50 Metres from location, 75 Metres from location, or another option.

Please note the guidance is very specific that a whole borough cannot be designated as a zero quota area.
