5. Policy and Guidance

London Borough of Barnet Licensing Policy

When exercising its licensing functions, the Licensing Authority will not be influenced by the question of need. The question of whether or not there is a need for any particular premises is a commercial matter which is not relevant to the Licensing Authority’s considerations. The issue of need may be a matter for planning consideration or for the market to decide and does not form part of this licensing policy statement.

Guidance issued under section 182 of the Licensing Act 2003

In relation to the Amended guidance issued under section 182 of the Licensing Act section 9.38 In determining the application with a view to promoting the licensing objectives in the overall interests of the local community, the licensing authority must give appropriate weight to:
• the steps that are appropriate to promote the licensing objectives.
• the representations (including supporting information) presented by all the parties.
• the Guidance of the licensing Act 2003.
• its own statement of licensing policy.

6. Attaching conditions

The operating schedule, which is part of the application, includes certain additional steps that the applicant will take to protect the licensing objectives. These will become enforceable conditions, should the licence be granted. Additional conditions may be attached to the licence if the committee thinks it appropriate.

The Committee must have regard to all of the representations made and the evidence it hears, and is asked to note that it may not attach conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must actually be appropriate in order to promote the licensing objectives.

In relation to conditions, the statutory guidance at chapter 10.8 states that “The licensing authority may not impose any conditions unless its discretion has been engaged following receipt of relevant representations and it is satisfied as a result of a hearing (unless all parties agree a hearing is not necessary) that it is appropriate to impose conditions to promote one or more of the four licensing objectives. In order to promote the crime prevention licensing objective conditions may be included that are aimed at preventing illegal working in licensed premises. This provision also applies to minor variations.
Full Copies of the Councils Statement of Licensing Policy, the Statutory Guidance to the Act and the Council’s Guide to Good Practice at Licensed Premises will be available at the Licensing Sub Committee hearing or in advance if required.

M Describe the steps you intend to take to promote the four licensing objectives:

<table>
<thead>
<tr>
<th>a) General – all four licensing objectives (b, c, d and e) (please read guidance note 10)</th>
</tr>
</thead>
<tbody>
<tr>
<td>NB The application for off sales is to accommodate internet sales. We are a home-based start-up business selling speciality craft gin through our own website as well as other online channels such as Amazon. Due to the nature of this premises, we anticipate that the operation will have little if any impact upon our neighbours. There will be no customers permitted to attend the premises to collect any alcohol they may have purchased or to sample any alcohol prior to purchase. All sales shall be made remotely via the internet or telephone. We therefore anticipate that there will be no significant impact, if any, on the promotion of the licensing objectives.</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>b) The prevention of crime and disorder</th>
</tr>
</thead>
<tbody>
<tr>
<td>The premises licence holder shall maintain an accurate and up to date record of all sales of alcohol. This information shall be made available to Police and authorised officers when requested. The premises will have a burglar alarm installed. No company signs or any form of advertising indicating that alcohol is stored at the premises shall be displayed on or around the premises. Alcohol shall not be on view from the exterior of the premises. Alcohol to be stored in a secure room with a door capable of being securely locked.</td>
</tr>
</tbody>
</table>

<table>
<thead>
<tr>
<th>c) Public safety</th>
</tr>
</thead>
<tbody>
<tr>
<td>Given that customers will not be permitted to attend the premises we do not anticipate that public safety will be a concern at the premises. The premises licence holder shall ensure that a suitable fire risk assessment and emergency plan is in place at all times. The premises licence holder shall ensure that an electrical compliance check is made at least once a year. No accumulation of combustible rubbish, dirt, surplus material or stored goods shall be permitted to remain in any part of the premises except in an appropriate place and of such quantities so as not to cause a nuisance, obstruction or other safety hazard.</td>
</tr>
</tbody>
</table>
d) The prevention of public nuisance

NB Public nuisance issues tend to follow customer attendance at a licensed premises; the absence of customers will greatly reduce the potential for public nuisance issues to flow from the provision of licensable activity at this venue.

No deliveries will take place to the premises relating to the premises licence between 19.00hrs and 08.00hrs.

The premises shall not be open to the public and no member of the public shall be permitted to attend the premises at any time for the purchase/collection of alcohol.

---

e) The protection of children from harm

NB Children will not be permitted to attend the premises at any time unless they are residents of the premises, or guests of the residents at the premises. Additionally, the nature of the alcohol we supply, i.e. specialist brands, is unlikely to appeal to an under-18 market. We are therefore confident that children will not be likely to attempt to purchase the alcohol we sell and hence unlikely to come to harm further to our retail sales.

Where alcohol is offered for sale and delivery on the company’s website the following terms shall apply:

a) Orders are only acceptable from customers over the age of 18
b) A "Challenge 25" scheme is operated and customers who appear to be under the age of 25 will be required to produce a valid form of identification before the consignment of alcohol is delivered to them.

c) The only acceptable forms of ID are:
   i. proof of age card bearing the PASS hologram logo;
   ii. passport; or
   iii. UK photo driving licence.
   iv. A Military ID Card

   d). Alcohol will not be delivered to any person who is challenged and fails to provide an acceptable form of ID.

There shall be the following statement on the premises website before point of order:

“You must be 18 years old or over to purchase alcohol from this website. Be aware that purchases of alcohol are subject to a ‘Challenge 25’ age verification scheme. It is a criminal offence for anyone under the age of 18 to buy or attempt to buy alcohol, and for anyone buying or attempting to buy alcohol for persons under the age of 18. All purchases and attempted purchases are recorded.”

Premises to use a refusals book, which is to record any attempted order by persons suspected to be under 18 or fail to show suitable ID and to record evidence of those suspected to be underage but do prove that they are over 18.
All deliveries will be made by a reputable courier who has a relevant age verification process or the premises Licence holder, or a direct employee of the Premises Licence holder.

Alcohol shall not be delivered to a person in a public place (e.g. car park, street corner, bus stop etc.)

Where deliveries are made by the Premises Licence holder, or a direct employee of the Premises Licence holder, the person making the delivery shall carry a book, or other form of record, in which they shall record the date, time and circumstances under which any challenge is made in accordance with the "Challenge 25" scheme. This record, a version of which must be kept in English, shall be made available for inspection by any police, community support or authorised Council officer upon demand. The Designated Premises Supervisor shall frequently check the record to ensure all staff are using it and shall sign and date it immediately after the latest entry as a record of doing so.

Application for a Premises Licence under Section 17 of Licensing Act 2003

Dear Sir/Madam,

I wish to object to the above licensing application. My objection is on the following grounds:

The protection of children from harm

The property is directly opposite the Moss Hall Infant, Moss Hall Junior and Moss Hall Nursery Schools, where appx 1,000 young children attend daily during the working week for their schooling. The granting of such a license for this property would directly imperil a large number of children:

i) due to the nature of the activity (retail sale of alcohol)

ii) due to the likely increased road traffic resulting from this commerce

Public safety

The property is in a purely residential street with no retail activity whatsoever. The granting of such a licence would risk endanger public safety by significantly increasing road traffic as a result of this retail activity.

The prevention of public nuisance

The property is in a purely residential street with no retail activity whatsoever. The granting of such a licence would likely cause significant public nuisance from the heavy increase in foot traffic and road traffic from this retail activity.

The prevention of crime and disorder

The granting of such a licence for this property on a purely residential street is likely to result in significant litter from the haphazard disposal of drink cans/bottles. This significant problem is well-
documented (see House of Commons Library Briefing Paper
https://researchbriefings.files.parliament.uk/documents/SN06984/SN06984.pdf)

I urge the Council to reject this application for the reasons given above.

Would you please confirm receipt of my objection.

I look forward to hearing back.

Yours faithfully

Simon Smith

London, N3 XXX
Dear Sir/ Madam,

I am writing to object to the licensing application from Jet Lag Gin Ltd 42 Moss Hall Grove London N12

I am writing in my role as the Executive Head teacher of Moss Hall Schools Federation (Moss Hall Infant and Moss Hall Junior Schools)

My objections, on behalf of our schools are as follows:

1) The site is located at the end of Moss Hall Grove adjacent to the pedestrian crossing. This is already a highly congested and busy corner of the road particularly between 8 and 9.30 am and 2.45 and 3.30 pm. There are 3 schools that open onto, or almost onto this narrow junction of 2 roads – Moss Hall Grove and Nether Street.

2) Moss Hall infants has over 360 children – double this at drop off and pick-up times and there are potentially 800 pedestrians, small children, toddlers, buggies on the pavements during busy periods. Additional traffic at this time is a huge risk to life and limb.

3) The site is located opposite the entrance to the Infant school and West Finchley Nursery– potentially creating a danger through increased traffic to young children and adults on their way in to school or from school

4) There is already double parking, parking on the yellow zig-zags at the morning rush and afternoon pick up times. As stated above, we believe additional traffic at this time poses an additional risk to life and limb.

5) In our experience delivery drivers do not observe the warning signs for low speed outside the schools, or the yellow markings. At times delivery drivers have reversed into oncoming children posing great danger. They are on timed pick up and drop-offs and pay no heed to our complaints referring us back to their delivery companies.

6) This is domestic street. It is not in keeping with the neighbourhood to potentially have vans loading and unloading crates of alcohol especially during school hours.

7) I would hope that Barnet Council is doing all in its powers to reduce air pollution caused by cars near schools given the increasing body of knowledge about the link between car pollution and childhood asthma

https://www.bbc.co.uk/news/health-47882038 not potentially add to the risks.

I would be grateful if my objections to this licensing application could be recorded as being sent prior to the 11th June deadline for submission and acknowledged by return email.
Kind regards

Laura Wynne

Dear Licensing Team

LAPRE1/21/64183 - New Premises Licence - Jet Lag Gin Ltd 42 Moss Hall Grove London N12 8PB

I am not in favour of this license being granted. I would like to request to speak on this item when it comes to committee.

My main objection is that this is a suburban residential area and not one that is suitable for this type of light industrial use.

Furthermore this is a confusing application. It has been poorly displayed outside the premises and doesn't clearly explain exactly what and how the premises would be used. This is a residential and not a commercial building.

In my view granting a licence to produce, store, distribute or sell alcohol (all or any of these activities) in this location is inappropriate and undesirable. The application would appear to be for seven days a week and extended hours use. Again unacceptable in a residential location and bound to cause disruption to neighbours. This is clearly a public nuisance.

Specifically I have the following concerns:

Protection of children: the premises are directly opposite Moss Hall Infants School and a nursery. It is very near to both Moss Hall Junior School and Moss Hall Nursery. I think having a licensed premises in this location is wholly inappropriate and in particular harmful to the high volume of children and young families who will be walking past this premises on a daily basis. Betting shops and premises selling alcohol should not be near schools – both set a bad example to children at an impressionable age. Consuming alcohol carries risks – selling it from a traditional family house opposite a school undermines that message.

Public safety and traffic congestion: Moss Hall Grove is a busy road, especially during school drop-off/ pick-up times but at other times as well. It is a main cut through road between Nether Street and Ballards Lane. A shop/licensed premises in Moss Hall Grove will increase traffic congestion and put further pressure on the already limited local parking provision.

Public safety/road safety: I am also concerned over safety and adding to the traffic problem in an area with so many children going to schools and nurseries. There is a concern that this type of premises will provide an additional risk as an attraction for burglary. There must also be a concern about the suitability of a building built as a residential house for the storage of large quantities of alcohol.

Public safety/Fire risk: Any liquid that is over about 40% alcohol (80 proof) will catch fire. Indeed, it is acknowledged that distilling gin is highly risky business. Storing and distributing gin is also carries substantial risk. I have genuine concerns about the risk of fire (potentially spreading to neighbouring residential buildings) posed by such a facility in the middle of a row of family homes

Public nuisance: There will likely be deliveries / collections with bigger size vehicles such as vans 7 days a week. This is not a light industrial area but a residential street. This will undoubtedly lead to noise and pollution.
There is no local demand for such a facility – the local shopping centres are well supplied with a range of retail outlets selling a very wide variety of alcohol. A commercial unit is a far more suitable location.

One last point, the change of use in planning terms would be wholly unacceptable. Granting a license could be used (although should not be) to justify such an application. This is a family home, and ideally situated as a family home. It is one of the borough’s top objectives is to retain such much needed family sized accommodation.

With best wishes

Subject: objection to license application to sell alcohol from 42 Moss Hall Grove

XX Moss Hall Grove, N12 XXX

Dear Sir/Madam,

Re: license application to sell alcohol from 42 Moss Hall Grove

I hereby set out below my objections to the approval of the above license to sell alcohol from 42
Moss Hall Grove.

Background
Moss Hall Grove Road is a solely residential street composed of semi-detached houses, terrace
houses, blocks of flats, a nursery and a junior school. Parking is at a premium due to how close the
road is to West Finchley Tube Station. During School time and holidays (as the school is used for
other activities), there is no parking spaces and parents constantly park across driveways and on
private land (trespassing). When questioned the parents verbally insult residents. The road also
used as a cut through to the High Road and is constantly busy.

Barnet parking team has been repeatedly contacted and their view is the parking contravention of
parking on double yellow lines, zigzags and blocking roads and driveways is acceptable behaviour.
They have never send an enforcement officer even when repeatedly asked. The parents view is they
will just pay the fine as it’s not much.

42 Moss Hall Grove is a residential semi detached house located opposite the entrance to the junior
school and so sited in the middle of the above issues.

Grounds for objections:
1) 42 Moss Hall Grove is a residential property and as such the land registry Title Deed to the said
land and property will have a clause(s) stating no business shall be undertaken in/on the premises or
on the land.

2) Given objection 1), approval of a license, be it automatic if no objection, to sell alcohol from the
property in question would be an unlawful act by the licensing team. As ignorance is not a defence
in law the licensing team would have aided and abetted an unlawful act and therefore themselves
subject to prosecution.

3) Given the nature of the road detailed above, the seven day a week through traffic due to the
selling alcohol from 42 Moss Hall Grove would be a daily public nuisance too far with vans delivering
goods and customer cars. As there is no parking normally available this means double parking and
driveways will be blocked 7 days a week.

4) 42 Moss Hall Grove is close to the unsafe pedestrian crossing located within a metre of the
turning into Moss Hall Grove and therefore with the added traffic there is a question of public safety
especially of children.
5) Given the property is directly opposite the entrance to a school this is an undesirable proximity to a school and could be considered not protecting children.

Moss Hall Grove is residential road please keep it this way for all the children growing up here including my own. Why do we need businesses on this residential road.

Kind regards,

Dr Lawrence and Ms Dunn

To the Barnet Licensing Authorities

I am writing to make an objection to the application for a licence to sell alcohol off the premises 7 days a week from 8am to 18.00h, at 42 Moss Hall Grove, London N12 8PB, on the following grounds:

Public safety and the protection of children from harm

The property is on the other side of the road to the Moss Hall School entrance where there are yellow zig zag lines. The purpose of zig zag lines at school entrances is to ensure the safety of parents and children going in and out of the school entrance, especially at busy times. Vans or lorries coming to make deliveries could block the uphill side of the road, thus forcing other vehicles onto the oncoming traffic side, and right into the protected zig zag area. If the van/lorry then tried to turn around this would be even worse.

Moss Hall Grove and Nether Street are already extremely congested twice a day because of school drop offs and pick ups. The addition of regular deliveries to that particular property in that location could cause more traffic congestion and delays in Moss Hall Grove but also spreading onto Nether Street if other vehicles were blocked from driving up Moss Hall Grove. All of these factors could pose a potential hazard to children and parents making their way to and from the school.

The other concern is that it is an inappropriate location for selling alcohol. There is a large branch of Majestic Wines very nearby, as well as a convenience store also selling wines and spirits next to West Finchley underground station. There is therefore no shortage of places to buy these products. The road has no other shops, and is in a reasonably quiet and peaceful residential area. Such a commercial presence would not be a welcome addition, especially opposite a school, and would detract from the character of the road.

Yours faithfully

Re:42 Moss Hall Grove N12 8PB

Dear Sir,
I am writing to object to the licensing application to sell alcohol from 42 Moss Hall Grove N128PB on
the following grounds;

The area for this proposed business is residential consisting of privately owned houses and flats. The
increase of noise and substantial increase in traffic coming and going from the premises will cause a
public nuisance to all those living nearby.

There are 3 schools in close proximity to the premises, Moss Hall Infant School and West Finchley
Pre-school are opposite and Moss Hall Nursery is ‘round the corner’ in Nether Street. The area is
therefore extremely busy at the beginning of the day and mid afternoon with children and parents
walking and an increase in traffic with parents collecting children. This is busy enough and any extra
vehicles accessing and leaving the premises at 42, Moss Hall Grove, would cause absolute chaos. It
would cause a danger to the safety of all the school children.

The selling of alcohol from premises in such close proximity to these schools is not desirable.

There is also the possibility of breakins and the likelihood of criminal activity and disorder in the
area.

The application for an alcohol license is entirely inappropriate and I feel should not be granted.

Yours faithfully,
Gillian Boal (householder in XX Hillcourt Avenue)
Dear Team,

We write to lodge our objection to the granting of a premises licence to sell alcohol from the above address.

Although the sales will be off the premises, we still object by reason of the following:

The protection of children from any harm. This address is directly adjacent to a nursery school, Moss Hall Infants and also Moss Hall Primary School. Assuming that alcohol will be stored on the premises, collection/delivery vans would add to the already very busy road and along the nearby narrow stretch and mini roundabout of Nether Street. Moss Hall Grove is particularly busy at school start and finish times with many young children out and about.

There could be a risk of criminal action if it becomes known that alcohol is stored on the premises; not desirable in a residential road.

Thank you for your consideration.

Subject: Objection to application for 42 Moss Hall Grove

Dear Sir,

We are writing to object to the granting of a license to use the premises of 42, Moss Hall Grove for the wholesale of wine, beer, spirits and other alcoholic beverages. We are near neighbours to this property round the corner in Nether Street: properties at this end of Moss Hall grove are visible from our back garden. However, our concerns are wider than this and centre on public safety and protection of children.

The property concerned is one of a pair of semi-detached houses in a residential area. The only non-residential use in the area is the Moss Hall Schools – Junior, Infants, Nursery and an adjacent Day Nursery. 42 Moss Hall Grove is directly opposite the entrance to the Infants School and the entrances to the Junior School and Day Nursery are a matter of yards away. The road is narrow, and despite yellow lines and zigzags, there is traffic congestion at school times and little or no parking space at other times. A change of use of this sort is not only incompatible with the residential character of the area, but totally unsuitable outside the school gates. It can only exacerbate traffic problems through deliveries and customers. The granting of a license would cause public nuisance with vans coming and going seven days a week, and endanger public safety particularly of children arriving and leaving the schools. The location of premises selling alcohol in close proximity to schools for young children is undesirable and contrary to the Council’s duty to protect young people.

We would urge your Committee to refuse this application and to urge the applicant to find more appropriately located commercial premises from which to operate his business.

Yours faithfully,

Frank and Carol Vielba

To the Barnet Licensing Authorities,

I am writing to object to the application for a licence to sell alcohol off the premises, at 42 Moss Hall Grove, London N12 8PB, on the following grounds:

42 Moss Hall Grove is opposite the entrance to Moss Hall Infant School, this road is in constant use from parents dropping off and collecting their children from 8am to 6pm Monday to Friday. I feel that this is an unsuitable site for alcohol to be held and sold from due to this reason.

Also, I have a concern for the safety of the children with lorries using this part of the road to unloads good causing more congestion, along with the fact that there is only a zebra cross 20 yards away to help protect the safety of pedestrians trying to cross the road.

This is a residential area with family home only, I feel that this will change the facia of the area and the community living with in it.

I hope this email is received and taking into consideration in regarding to this application.

Yours Sincerely

Subject: Objection for an application for a licence to sell alcohol on Moss Hall Grove

Dear Sirs,

Re: Licence to sell alcohol on Moss Hall Grove

As a former resident of Moss Hall Grove where I have lived as a child, an adult and a mother, I would like to submit my objection to this application for a licence to sell alcohol.

My child attends Moss Hall Infants School and I am concerned to note the clientele this would attract at inappropriate hours opposite a large school with very little security presence.

Please accept this email as a formal objection from both myself (address details below) and my mother, Suman Chabria of 35 Moss Hall Grove London N12 8PE.

Kind regards,

Dear Sirs

I write with respect to the notice below. This objection is on behalf of myself, my two children and my mother, 5 siblings and nephews and nieces at 12 Moss Hall Grove.

I live on this street, flat 12 Pamela Court and have lived on this street for the past 38 years.

My two children go to Moss Hall School. Allowing the sale of alcohol in this residential area directly opposite a school will be unsafe, and against public safety, particularly the safety of vulnerable children and women. It will also bring about traffic on an already congested road.

As a child whilst walking home from school alone I was approached by a drunk man on 2 occasions and it was a frightening experience. I do not wish for any child to go through the same experience as I did. The school and police were involved and the man was removed from the area.

I believe that by allowing the sale of alcohol, opposite a school, in a residential area, you are inviting trouble.

This is a child and public friendly street and has always been and needs to continue to being so.

This street is also used by pedestrians, to walk back home from west finchley underground station. Ladies, elderly, children, may feel it would be unsafe to walk home, in the winter, in the dark. I know I will.

Such a request is highly inappropriate.

Yours faithfully,

Samreen Soroya
Dear Sir/Madam

I am writing to register my objection to the application for a license to use the premises of 42 Moss Hall Grove for the wholesale of wine, beer, spirits, and other alcoholic beverages.

I am resident at the junction of Moss Hall Grove and Nether Street.

Moss Hall Grove is a quiet residential street with no other shops. There is a parade of convenience stores, including an off licence, at the tube station entrance less than 200 yards away. There are also large supermarkets nearby on the main road (Ballards lane)

The proposed licensed premises would be directly opposite the entrances to the local primary schools and a nursery.

My objections are on the following grounds that such a premises would:

1. Increase the risk of crime and disorder on a street with no regular policing patrols;

2. Impact on public safety. The general footfall on Moss Hall Grove are children and their carers going to and from school. The likely increase in traffic represents a direct risk; the is no suitable parking and the opening time correspond to school times. The likely increase in the potential for intoxicated individuals loitering about the school, with a diminished sense of the law cannot be ruled out;

3. Constitue an unnecessary nuisance in a quiet law abiding residential street;

4. Expose children to increased risk of harm either directly or indirectly from activities of people using the premises.
The proposed premises are not needed or wanted, are of limited benefit and may prove harmful to the wider community and I urge you to reject the application.

Regards

Good Morning,

I would like to make an objection to Number 42 Moss Hall Grove, N12 8PB being able to sell alcohol. Both my children go to Moss Hall Infants and any business there would be unacceptable, let alone one that sells alcohol. The road is extremely busy and adding vans or extra cars to collect alcohol will be very dangerous for all the young children there.

Recently with the building work in the street there was a truck blocking the road that resulted in cars swerving around it extremely close to where the children were waiting to enter school.

This would be a terrible idea to grant them a license for this business. What is to stop people buying the alcohol and drinking as they walk past the school, leaving glass bottles lying around. Just not acceptable to have this anywhere near such a busy school.

To whom it may concern,

I wish to strongly object to 42 Moss Hall Grove's application to sell alcohol for consumption on or off the premises. It will be a considerable change of character fro this residential road, in very close proximity to 2 nurseries, an infant school and a junior school. On the grounds of public safety, prevention of public nuisance, and protection of children from harm, the increase in road traffic could cause harm to children in the aforementioned settings, which is already congested at school drop off and pick up times - this application for an alcohol licence is inappropriate and undesirable. Locals who wish to purchase alcohol need not currently go far - there is a fully stocked Waitrose and off license a block or two either side - the latter (next to West Finchley station) has just doubled its floor space. There is insufficient justification for turning a residential property into a commercial property on a fully residential road, when we are in a time of acute shortage of housing. Please do not grant permission for this.

Subject: Licensing application - 42 Moss Hall Grove (UPRN: 000200082924)

Dear Sirs/Madams,

We would like to formally object to the licensing application for 42 Moss Hall Grove, N12 8PB.

Moss Hall Grove is a quiet residential road. Number 42 is a house opposite both Moss Hall Infants School and Moss Hall Nursery. It would be very inappropriate to have a premises selling alcohol immediately opposite the school any time of the day, especially during school hours. This could pose a danger to the children due to both increased foot traffic coming to the property as well as lorries, deliveries, pickups and pollution. Air pollution, as seen recently with the coroners report on the death of Ella Adoo-Kissi-Debrah’s death, poses a very real risk to children and increasing freight traffic opposite the school will only bring more pollution.

A business where alcohol can be bought and consumed off premises will also bring crime and anti-social behaviour to a quiet residential road. This may lead to anti social behaviour and public drunkenness in the area.

Moss Hall Grove is currently busy during school drop offs and pick ups. If vans and lorries are to be delivering and picking up from the premises this will only exacerbate the situation causing a public nuisance. The increase in noise pollution due to freight is also very undesirable for a residential road.

Granting a commercial license could set a precedent which could exacerbate all the above problems. 42 Moss Hall Grove is surrounded by residential houses only. There are no commercial properties on this road. A licensed business is inappropriate and not in keeping with the area.

We ask that you do not grant this application.

Kind regards

To: Community Protection Licensing Team, LB Barnet

We are residents at 18A Moss Hall Grove. Please see attached Licensing Application to LB of Barnet to use the premises at No.42 Moss Hall Grove, N12 8PB by 'Jet Lag Gin' for sale of alcoholic beverages, Monday - Sunday 08:00 hrs to 18:00 hrs in an online retail business. We oppose this Licensing Application.

We are concerned about it because:

1. This will increase traffic congestion and competition for parking in a road already congested, as there will clearly be delivery and collection vans for this business between 8 a.m. and 6 pm, 7 days a week.

2. It will increase air pollution in an area already polluted with school traffic, thereby increasing the risk to the health of small children at the schools as well as vulnerable and elderly local residents. A member of my family has COPD and asthma: it is well-known that this is traffic-related and exacerbated by traffic. We therefore urge Barnet Council to take action to reduce or mitigate vehicle traffic in this local area before it causes further health damage - see for example the recent Kissi-Debrah case with respect to Lewisham Council - rather than permitting an additional volume of traffic to the area.

3. The increased traffic will increase the risks of accidents or injury to small children and families attending Moss Hall Infant School and local residents. No.42 is right next to the pedestrian crossing on Moss Hall Grove near the junction with Nether Street, and is almost directly opposite the new Finchley Nursery for pre-school children.

4. Such a business is out of keeping with the residential nature of this area.

Please keep me informed on the outcome of this application.

Kind regards,

Air pollution, as seen recently with the coroners report on the death of Ella Adoo-Kissi-Debrah’s death, poses a very real risk to children and increasing freight traffic opposite the school will only bring more pollution.

A business where alcohol can be bought and consumed off premises will also bring crime and anti-social behaviour to a quiet residential road. This may lead to anti-social behaviour and public drunkenness in the area.

Moss Hall Grove is currently busy during school drop offs and pick ups. If vans and lorries are to be delivering and picking up from the premises this will only exacerbate the situation causing a public nuisance. The increase in noise pollution due to freight is also very undesirable for a residential road.

Granting a commercial license could set a precedent which could exacerbate all the above problems. 42 Moss Hall Grove is surrounded by residential houses only. There are no commercial properties on this road. A licensed business is inappropriate and not in keeping with the area.

We ask that you do not grant this application.

Kind regards

Alex Durrant and Hazel Boland-Shanahan

Subject: Licencing application re 42 Moss Hall Grove

I am very concerned about the above application and object on the following grounds:

Selling alcohol on this residential street could lead to public disorder, public nuisance and a risk to public safety especially with the Dollis Valley Green Walk so close by where the alcohol may well be consumed.

The siting of the property in close proximity to a nursery, infant school and junior school is most undesirable.

I would urge strongly that the licence is refused.

Regards

Christine Morris

To the Licensing Sub-Committee
Barnet

We write to oppose this application from Jet Lag Gin Ltd to sell or supply alcohol (off the premises) for seven days a week at 42 Moss Hall Grove, Finchley N12 8PB. This house is in a row of residential properties, does not have a commercial license, and most importantly, is directly opposite the entrance to Moss Hall Primary School and close to two nurseries. Since we live close by in Nether St we observe the heavy pedestrian and vehicular traffic at drop-off and pick-up times, and we suggest that a business selling alcohol in this location would add to an already congested traffic situation and thereby risk public safety, constitute a public nuisance by operating throughout the week, and most importantly, prove harmful to the young children attending these educational institutions. We urge you to reject this application.

Re: 42 Moss Hall Grove, N12 8PB - Application for Alcohol Licence

Dear Sir/Madam,

We are extremely concerned to learn of the above application, to which we object for the following reasons:

1. Crime & Disorder/Anti-social Behaviour. Unfortunately premises for the sale of alcohol always carry the risk of generating these, in this case on Moss Hall Grove itself and the adjacent streets, all of which are residential. The proximity of a school with small children makes it even more undesirable.

2. Public Safety. Deliveries and pick ups would add considerably to traffic volumes, at Moss Hall Infants drop off and pick up periods (including for the private nursery on the adjacent corner).

3. Prevention of Public Nuisance. The business intends to operate seven days a week. This would entail vehicles coming and going at the premises from early morning to evening continually disturbing the neighbours even on a Sunday.

4. Protection of Children. The premises are directly opposite Moss Hall Infants School. It is highly undesirable to have the sale of alcohol so near children, who are at risk not only from any anti-social behaviour but also from the extra traffic on the road.

5. General.
   a) The house is a family dwelling. To turn it into such a business is grossly inappropriate and unlikely to meet future needs
accommodation, which is already in short supply.

b) The insertion of a business of this type would dramatically alter the character of what is primarily a residential neighbourhood (Majestic wines, off licences are already all in walking distance).

c) The presence of numerous small children and their parents renders the application entirely inappropriate.

We trust that you will give our objections serious consideration.

Yours faithfully,

Prof & Mrs D. Isenberg
