In addition to the above-mentioned variations, they would like to amend the premises name to Old Camdenians Sports & Social Club.

A copy of the original licence can be seen attached to this report in **Annex 1**. A full copy of the variation application form and premises plan can be seen attached to this report in **Annex 2**.

During the consultation period, the applicant was in discussion with the Police regarding conditions to include on the amended licence. This communication can be found in **Annex 3**.

3. Representations

The Licensing Team received 17 valid representations from residents. The resident's representations cover matters relating to all four of the licensing objectives.

The representations and supporting information can be seen attached to this report in **Annex 4**.

4. Attaching conditions

The operating schedule, which is part of the application, includes certain additional steps that the applicant will take to protect the licensing objectives. These will become enforceable conditions, should the licence be granted. Additional conditions may be attached to the licence if the committee thinks it appropriate.

The Committee must have regard to all of the representations made and the evidence it hears and is asked to note that it may not attach conditions or reject the whole or part of the application merely because it considers it desirable to do so. It must actually be appropriate in order to promote the licensing objectives.

In relation to conditions, the statutory guidance at chapter 10.8 states that "The licensing authority may not impose any conditions unless its discretion has been engaged following receipt of relevant representations and it is satisfied as a result of a hearing (unless all parties agree a hearing is not necessary) that it is appropriate to impose conditions to promote one or more of the four licensing objectives.

Full Copies of the Councils Statement of Licensing Policy, the Statutory Guidance to the Act and the Council's Guide to Good Practice at Licensed Premises will be available at the Licensing Sub Committee hearing or in advance if required.

VARIATION

Do you want the proposed variation to have effect as soon as possible?

- Yes No

Do you want the proposed variation to have effect in relation to the introduction of the late night levy?

- Yes No

You do not have to pay a fee if the only purpose of the variation for which you are applying is to avoid becoming liable to the late night levy.

Continued from previous page...

If the club's proposed variation would mean that 5,000 or more people are expected to attend the premises at any one time, state the number expected to attend

Describe Briefly The Nature Of The Proposed Variation

Describe the premises, For example the type of premises it is, its general situation and layout and any other information which would be relevant to the licensing objectives. Where your application includes off-supplies of alcohol and you intend to provide a place for people to consume these off-supplies, please include a description of where this will be and its proximity to the premises.

Slight Change of name from Camden Playing Fields Sports and Social Club to Old Camdenians Sports & Social Club. We are the same organisation but the previous name seems to be a merger of the trust which owns the lease and the club which has always run the premises on their behalf.

We would like to amend our licensing hours for the supply of alcohol on Fri-Sun to extend these slightly to 10:00 - 00:00 in compromise to this we have reduced our hours Mon-Thurs to keep the overall amount the same. We do not foresee this small adjustment having any impact on the licensing objectives.

We are also looking to include regulated entertainment on our license for Live & Recorded music, Both amplified & Unamplified for the same hours as our alcohol license. This had been included previously on our license but was removed recently as the council advised it had been included by error.

The club has always held small functions for its members such as birthday parties which include music from a DJ and this is something we wish to continue to do. My understanding is that a license isn't necessarily required up to 11pm but would be required for the additional hour to midnight. The inclusion of this would more than anything else cover any doubt around the provision of music on our premises. Once again with this being included previously and only being extended slightly outside of permitted times anyway, we don't foresee any adverse effects to the licensing objectives from this.

Hi Vicky

Thank you for your email,

The variations are proposed to offer the club some flexibility in its current position more than anything else. It is still our intention to close the bar most weekends by 11:30pm the extra hour gives us a bit of leeway on serving the last round of drinks if we deem appropriate.

The majority of the steps proposed are already in place and we will be installing CCTV in the next month or so, which was part of our submission to Barnet anyway.

Your concerns outlined at the end of your email are particularly relevant to us as we have had a couple of small incidents in the past and it is something we do not want to repeat again. We have made a conscious effort over recent years to be mindful of these types of problems and monitor and restrict use more tightly.

Ian,

We are in receipt of the application to vary this licence.

I understand the changes you wish to implement are;

"1. Slight Change of name from Camden Playing Fields Sports and Social Club to Old Camdenians Sports & Social Club. We are the same organisation but the previous name seems to be a merger of the trust which owns the lease and the club which has always run the premises on their behalf.

2. We would like to amend our licensing hours for the supply of alcohol on Fri-Sun to extend these slightly to 10:00 - 00:00 in compromise to this we have reduced our hours Mon-Thurs to keep the overall amount the same.

3. We are also looking to include regulated entertainment on our license for Live & Recorded music, Both amplified & Unamplified for the same hours as our alcohol license. "

At this time I have been advised by LBB Council that the existing conditions are;

1. a. The supply of alcohol must be at a time when the premises are open for the purposes of supplying alcohol, in accordance with the club premises certificate, to the member of the club for the consumption on the premises
- b. Any alcohol supplied for consumption off the premises must be in a sealed container
- c. Any sale of alcohol for consumption off the premises must be made to a member of the club in person.
2. (1) The premises licence holder or club premises certificate holder shall ensure that an age verification policy applies to the premises in relation to the sale or supply of alcohol.
- (2) The policy must require individuals who appear to the responsible person to be under 18 years of age (or such older age as may be specified in the policy) to produce on request, before being served alcohol, identification bearing their photograph, date of birth and a holographic mark.

In order to ensure promotion of the licensing objectives we would ask the addition of the following (in line with the points offered within section 16 of the application);

- Signage at all exits regarding leaving the premises respectfully to our neighbours
- Provision of CCTV and alarm systems on the premises. The CCTV system, must record footage and store for a minimum of 31 days. This system must be properly maintained and of sufficient quality to enable identification of subjects recorded.
- Key areas to be covered by CCTV are;
 - All bar areas where alcohol is served
 - Comprehensive coverage of all areas where alcohol will be consumed by members
 - Entrance to the premises
 - Approach to the toilet facilities
- Suitable external lighting must be installed and properly maintained

- Provision of toughened or plastic glasses for use when needed. The need for these must be risk assessed for any event held at the venue
- Provision of a sufficient number of people employed or engaged to secure the safety of the premises and patrons
- Appropriate instruction, training and supervision of those employed at the premises. All bar staff must be trained in their responsibilities with regards to the sale of alcohol
- Children to be accompanied by an adult at all times. Children must only be permitted on the premises when it is suitable. Events at the premises must be risk assessed for those that are not suitable. Adults in charge of children on the premises must not be permitted to become intoxicated.

Fortunately serious incidents at club premises like this are few and far between, but when they do happen, it is often extremely hard for police to establish what has gone wrong and who is responsible due to poor/no CCTV and a general lack of knowledge around responsible running of a licensed premises. I hope that the proposed conditions above would go some way to avoid this becoming the case at Old Camdenians Sports & Social Club.

If you need to discuss any of this, please feel free to email back or call the work mobile number below.

Subject: Comments on application by Old Camdenians Sports & Social Club to extend its alcohol licensing hours

**** Warning External Email ****

Dear Sir

I understand that the Old Camdenians Sports & Social Club, Burtonhole Close, NW7, has submitted an application to extend its hours when alcohol can be sold and live and recorded music can be played.

As a nearby resident I object to any extension beyond the hours of the club's current license because the noise emanating from these social events has a significant impact on our house. We can hear their music and singing very clearly even when windows are closed. Sound travels unexpectedly far in our rural corner of Barnet. While we understand the need for social life we'd resent being disturbed beyond the hours that the current license permits. Extending licensing to midnight on Friday, Saturday and Sunday would result in misery for us and other local residents caused not only by the noise from the event late into the night but the rowdiness of people leaving afterwards. I urge you not to allow this extension.

Yours faithfully

Dear Sirs,
Old Camdenians Sports and Social Club.

I wish to object to the extension of licensing hours at the above site on the following grounds

This is a quiet residential area and although I fully understand the need for a sports and social club with a licence even with the current times we hear the noise that this site generates.

Many residents in the area have young children or are elderly. They will be woken or disturbed as the site empties after midnight, effecting their wellbeing.

I hope that you will not allow this licencing extension to go ahead.

Dear Elisabeth Hammond & Licensing Officers

Ref : URGENT ATTENTION – Re Camdinians Football Club Variation Application -
? Burtonhole Close London NW7 1AN

Dear Sirs

1/ As you can see from the photos I must ask for **a Site visit to my Home & Club** soonest as I am the most affected neighbour (Google Earth Photos from aprox) 2012 with **my own Bedroom & outside Patio 70 Feet from the Bar & Raised drinking terrace originally put up without**

planning permission (I could easily throw a cricket ball from my patio)

The back of the bar has an outside door where empty bottles are thrown into the bin next to my bedroom

2/ I must please ask for an extension to the time limit of next Wednesday 9 Feb 2022 to submit my full objection ?

3/ I must ask for a Formal Full Review of the License held by the club for Use , Music & Alcohol (in view of the continuing changes and complaints over the years)

Dec 2006

I bought my home adjacent to this Cricket club and for several years it was only used as just weekend Cricket & Sports (little Football) in an extremely quiet & rural Green belt area (No night use and no noise) and no problem

Aprox 2010

The very generous licensing hrs were applied for around this period during summer hols with just a sign on front door but 100 meters behind gates & add in local paper which of course no one knew about to object.

However this was not initially a problem under the new/old management as they had few evening functions and limited hours same as a pub (which is what it should be) and at a lower volume.

This amount of use of course they could of course choose to change at any time unless reviewed ?

2011

They cut down 70-85 mature tree & brought in 100's of full 8 wheel tipper truck's delivering free soil without any planning application & Car park was enlarged seven fold

I advised Barnet & local papers & preservation societies and Barnet forced them to stop (and they then put in a "Retro Planning Application") No one thought the raised terrace would be used for evening events rather than just watching sports

2013

See attached my letter re retro planning application were I actually praised some of the management changes to get things right and at that time we got on well and their future plans were within reason or so they told me ?

However is no longer the case as in the last 9 Years things have just escalated in what you might call creep

It is no longer just a Sports & Social Club but seeking to become a full blown Evening/Weekend exertainment Hire Venue/Destination money earner 7 days a week with live music including Sundays open to the Public and into the early hours where I have had to call Barnet Noise Control on numerous occasion up till 03.00 in the morning despite the license finishing earlier. The police have also had to attend in the past.

The Problems are totally related to evening Commercial Events NOT Sports

1/ The existing hours are just way to generous much longer than even a pub and were given without thought as at that time there were no objections as no one knew about the application !

2/ The ambient noise here at the end of a lane is Nil except for cows and birds with no passing traffic so any sound is amplified

3/ You must realise that it's Difficult to get so many objections as there are only around 10 houses + a farm nearby but we can all still expect to live in peace ? and an Englishman's home is his castle.....etc

4/ There is no power cut "**Noise Limiting Devices**" as in other venues this includes Bass which as you know travels further (although this does not help with shouting)

5/ It's use and disturbance is linked to the drinking hours given (way too long at present) & whether or not double doors are to be shortly fitted and used ? front & rear to contain music & shouting noise when inadvertently opened.

Previously there was no outside drinking area except the lower field so no people outside unless interested in actually watching the sports

6/ The Bar now opens directly onto the raised decking outside and adjacent to my Patio & Bedroom .

6/ After last drinks are served the noise still continues with parties, car doors ,shouting outside the building around the cars into the street and fields with no supervisor or security

7/ There are no self-closing double doors to contain sound so in the summer only one door has to be open to allow out the Music & Shouting in a very very quiet & Silent area , A/C is obviously insufficient or non-existent ?

8/ The evening events rarely have anything to do with a Sports club and I can't use my own patio or go to bed at a normal time when these are being held in the evenings !

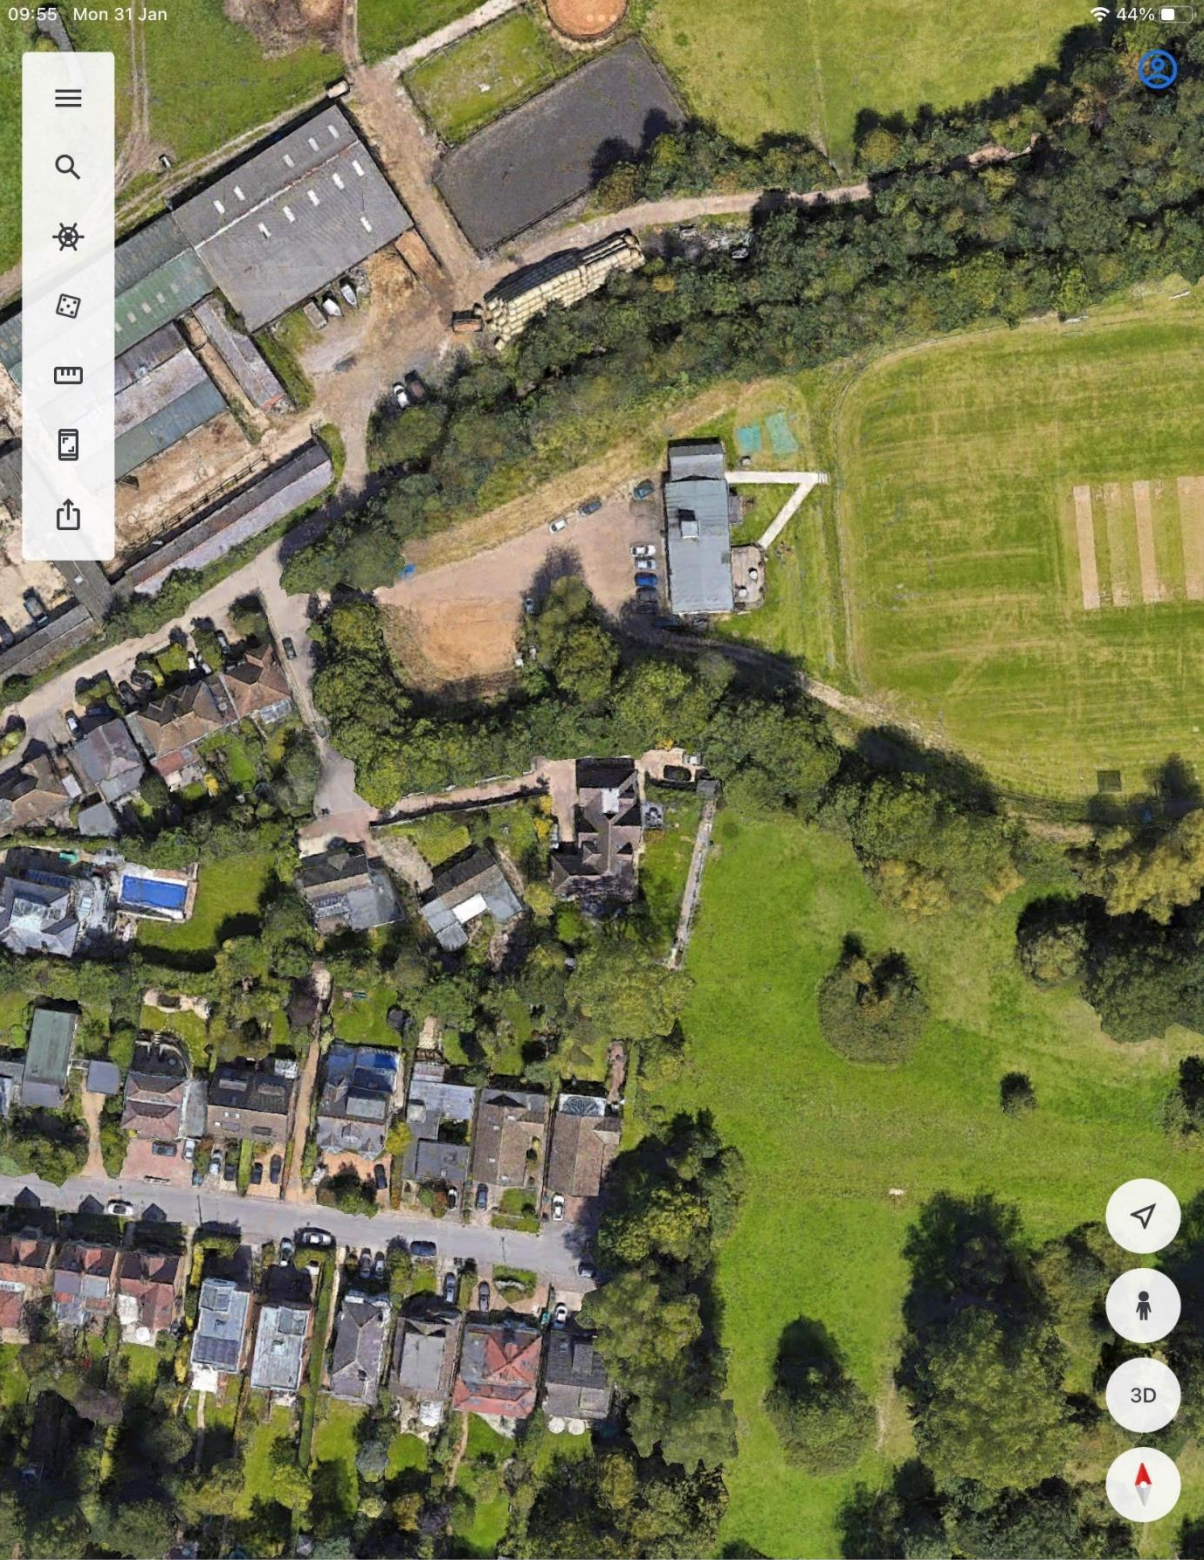

9/ Despite being given signs to be considerate of neighbours non are in use

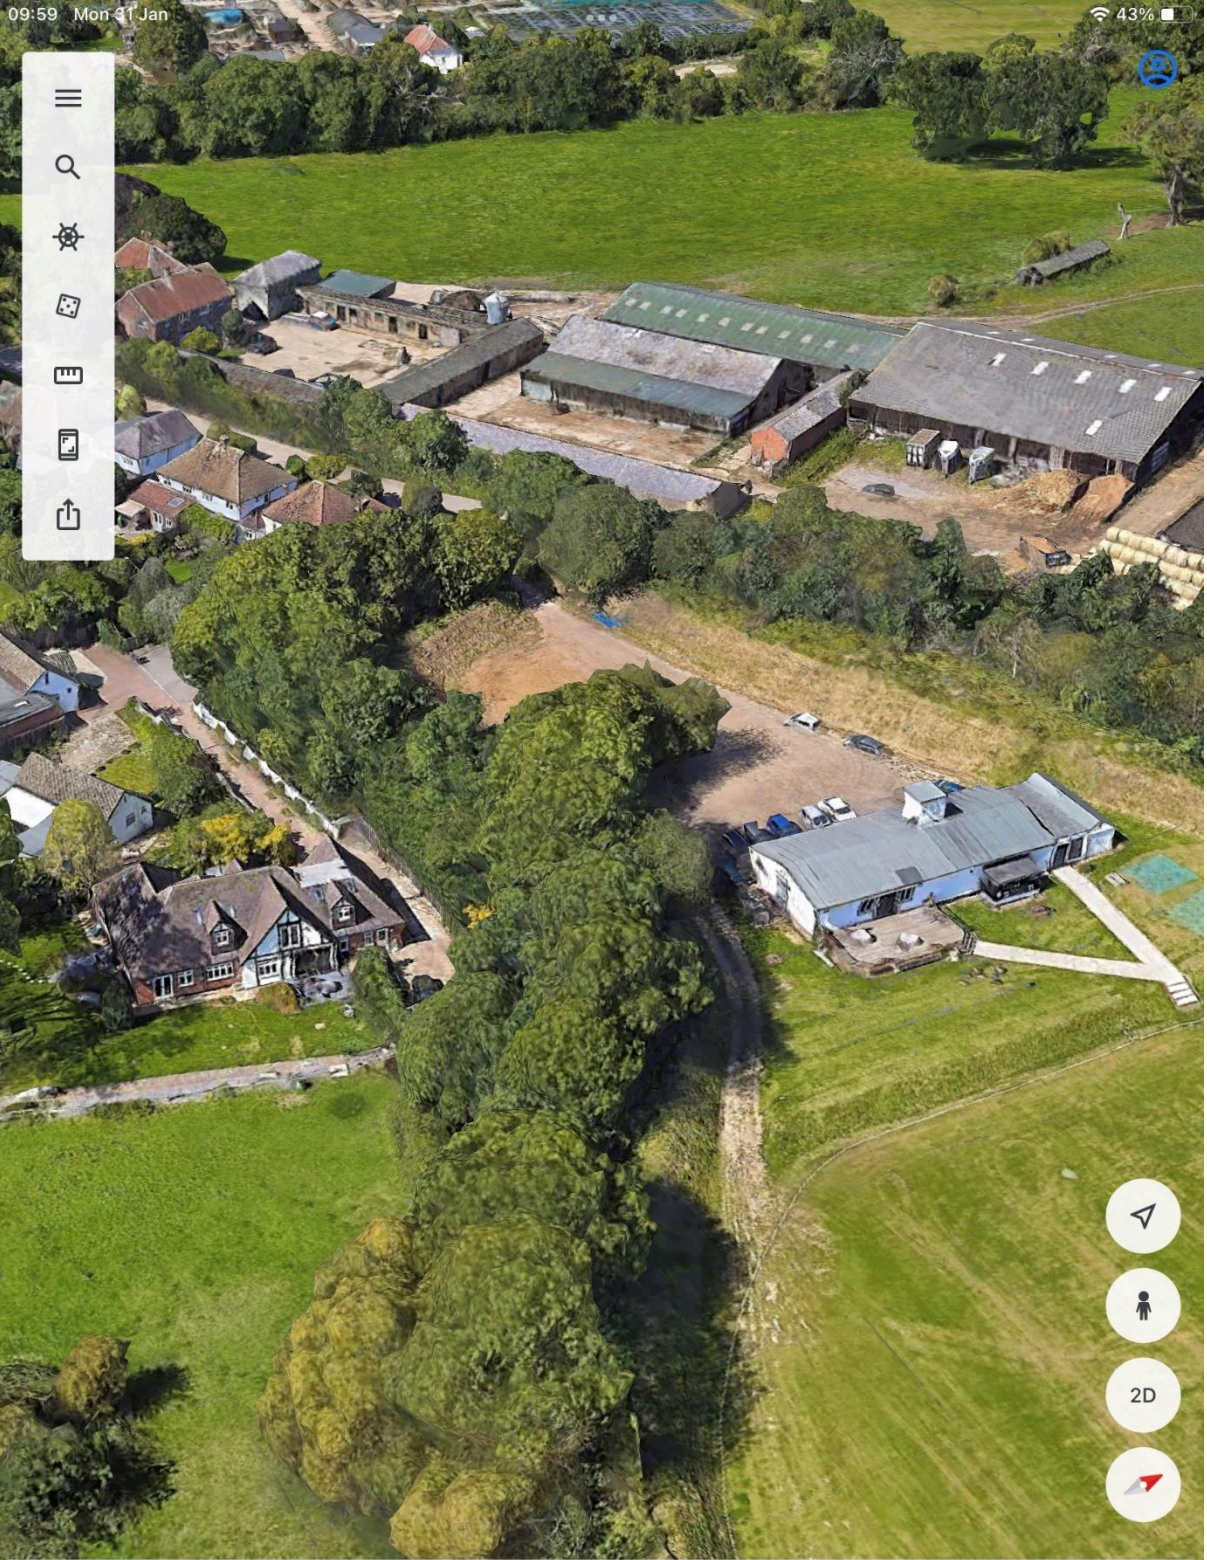

2022

Outside Seating/Tables has now been added for 104 people (used to be 10) + Standing + Marquee's + 80 seated indoors or 100 standing + Outside music + Invitation to Public welcome Access weekends /evenings ++++ far far bigger and longer hours than my local pub !

This is no longer just a Sports & Social Club at all !

YOUR REF H/03817/13

Dear Mr Robinson

Ref: Old Camdenians Football & Cricket Club NW7 1AS (retro planning application)

I am one of the very few neighbours and also directly affected as my bedroom is 50 Feet from the club house in what is of course a very,very quiet sparse special area of London & Green belt/Conservation etc.

I enclose a copy of the most recent exchange of emails with your planning dept, who have to date done a great job when made aware of the situation.

As you may know the previous management caused the existing problems and fortunately the new management (Which are actually the original long ago management now back in the hot seat) are now trying to put things in order.

The main changes (Caused by original management) have been – The Loss of trees/The Enlarged car park/ The Issue of Extension of drinking license hrs / The raised level of soil with wood Decking on top at rear of clubhouse and attached to the bar/ The Earth bund

1/ The Trees mostly already gone so little can now be done except perhaps a few more saplings

2/ The enlarged car park except for more car door noise this makes little difference in fact is better now as less cars trying to park outside where there is **absolutely nil** parking spaces

3/ The licensing hrs were applied for couple of years back during summer hols with just a sign on door 100 meters behind gates & add in local paper which of course no one knew about to respond.

However this was only a problem during the period of the old management who used this facility to extreme thereby involving numerous noise control out of hours registered evening calls etc.

However this has not recently been a problem under the new management as they have recently had fewer evening functions and limited hours same as a pub (which is what it should be) and at a lower volume.

This amount of use of course they could of course choose to change at anytime unless reviewed ?

This very late license was the wish of the Old management to turn the club into something that it was not suitable but now under new management these times are no longer needed. There is also already another club in the area that can cater for this type of use The Middlesex Sports Club near the Garden Centre & nursery

4/ The raised level outside club + new wood decking area

This is a new outside raised drinking area (connected with the license) built on top of a new raised mound of soil and paving adjacent to my back garden & 50 feet from my Bedroom. It's use and disturbance is linked to the drinking hours given (to long at present) & whether or not double doors are to be shortly fitted front & rear to contain music & shouting noise when inadvertently opened.

Previously there was no outside drinking area except the lower field so no people outside unless interested in actually watching the sports

If the existing license & new raised outdoor drinking area where used to there full it would cause a big problem !!

5/ The earth bund boundary

This is a brilliant idea and has gone leaps and bounds to protect the near neighbour's privacy from noise & disturbance.

However, after all the changes including 100's of 8 wheel tippers of soil

The bund build now seems to have very recently just stopped and of course just short of the boundary between my house and the clubhouse which of course is the **most critical area ?**

Yours Sincerely

Mr George Maile

Dear George

We are working remotely still and I will most likely not be able to attend the office until the middle of next week. If you have extra information that wish to add to your representation please email it to me or licensingadmind@barnet.gov.uk before **9th**

February as this is the last date of the consultation period. The photos you have provided will be included in the hearing paperwork pack that will be available to all attendees and the Licensing Sub-Committee panel ahead of the hearing.

Regarding your earlier email, As you have made a valid representation, you will be invited to attend the hearing where you will be given 5 minutes to discuss your representation and make any points regarding the application that you wish the panel to know. Details of the hearing date and time will be sent out in due course following the end of the consultation period.

In terms of visiting your home, this can really only be done by a Noise officer when you are experiencing issues in terms of noise nuisance. Can I suggest you speak to the out of hours team on 07958 513 459 when you are being disturbed by the premises, their hours are shown below. Should you wish to speak to an officer during the working week, the Noise telephone number 0208 359 7995.

	Noise out of hours service
Friday	20:00 - 03:00
Saturday	12:00 – 02:30
Sunday	10:00 – 00:30

The variation hearing will be ample opportunity for residents who made valid representations to express their concerns, amid any issues they are experiencing with the premises, to the Licensing Sub-Committee, which is made up of Barnet ward Councillors. The premises licence holder will also be present at the hearing, giving the committee scope to ask the licence holder questions regarding resident's concerns. The committee may be minded not to grant the variation and/or impose further conditions on the licence to ensure the best possible outcome for all parties.

There is not sufficient cause for the Licensing authority to consider a review of the licence at present. However, a Review application can be submitted by the public or any other interested party for example, a Responsible Authority recognised under the Licensing Act 2003, such as the Noise team. Although, please bear in mind that for a Review to be considered, there would need to be substantial cause for concern regarding the premises. It may be advisable should you wish to go down that route, that you obtain the support of the Noise team, who can submit a Review request on your behalf.

Hi Elisabeth !

Thank you for coming back

Yes that's more or less what I personally dropped at your office although more important I dropped multiple copies of my letters & Photos attached so that all of the people on the panel could have their own clear copies of both.

I am having difficulty seeing the date this license was originally granted and would be grateful if you could confirm ?

My wife died unexpectedly in June 2011 and just after I went away with my kids for a break I think the license may have been granted this summer of 2011 without any local objections due to the fact that the Notice was on the club front door 50yds behind the gates

The Barnet officers at the time April 2012 was Nick Elsley (Principle Barnet Valuer) Nick.Elsley@barnet.gov.uk

He was concerned at that time in April 2012 to determine the actual use of the land, either a sports club that holds the occasional function or a hire venue that hosts the occasional sports team I fear it and the income is now going quickly in the later direction and with a license given by Barnet to do this 7 days a week and until the early hours , Next they will ask for Live Music Outside !!!

Your Tree officer at the time was “Andy Tipping” who may be interested that none of the 400 replacement trees promised at the time ever got planted.

I am writing to strongly object to the application to Extend the alcohol licensing hours and to extend the hours for live and recorded music entertainment at Old Camdenians.

I live close to this venue and the noise both from the music and of the people leaving the venue at midnight possibly with a little too much alcohol consumption would be intolerable. In addition it would render the area more vulnerable to petty crime and worse. In addition the noise from the cars leaving at this late hour would be very intrusive.

I would ask you to carefully consider the implication of this application and take into account all of the above.

Dear Sir/Madam,

I wish to comment/appeal against the application to extend the alcohol licensing hours and to extend the hours for live and recorded music entertainment at Old Camdenians.

This is a residential area and the noise levels at night are already bad enough without any extension. The noise of music, car revving reverberates around the area keeping adults and children awake at nights.

I live near the top of Eleanor Crescent and the noise always extends up there.

Licensing hours should be kept to a minimum.

Yours faithfully

Helen Green

Hi

I am afraid I cannot find a reference for this application anywhere but saw a note on a lamppost and I wish to object to this request for extended hours by Old Camdenians Sports & Social Club, Burtonhole Close, NW7.

Despite a finishing time of 23.00 currently, noise, loud voices and use of expletives by people as well as cars revving and banging doors continues well after that time given people just start to exit at that point. This creates not only a noise nuisance but a fear for your own safety as people who clearly have been drinking (as the licence requests) make their way home with any regard for others. The noise reverberates in the this area as does the foul and threatening language used – something that will only get worse with extended hours.

Hence I wish to object to the proposal and believe it should be turned down.

A concerned neighbour

Dear Sirs

I am writing to object to the extension of the alcohol licence and the licence for live and recorded music at this Club from 22.00 hours until midnight on Friday, Saturday and Sunday nights.

My house is directly opposite the entrance to the Club car park. When parties or functions are held at the Club in the evenings, I usually hear noise coming from the Club, and also from people leaving, often shouting in the street outside my house, car doors slamming and car engines revving. This can carry on for an hour or more after the end of the licence period.

On occasion there has been drunken behaviour. Last night, Saturday 29 January, the behaviour of teenagers at a party in the Club was so bad that police were called and there were three police vehicles and about eight police officers in the road outside my house until nearly 11 p.m.. Dozens of youngsters were milling around in the street, shouting and squealing, propping themselves up on the wall of my house etc.

If the licenses were extended until midnight it could result in this type of nuisance going on until 1 a.m. for three nights a week, which is completely unacceptable in a quiet residential neighbourhood.

Please let me know the result of this application.

Re: Old Camdenians Sports & Social Club NW7 1AS

Dear Licensing Team

I would like to object to the above application for increased hours in the supply of alcohol until midnight on Friday to Sunday and for the corresponding increase in the permitted music and entertainment times. My objection is on the following basis:

1. The acoustics of the Totteridge Valley are very peculiar and we currently hear the sounds produced by this venue as though it was happening in our own garden. An extension of the permitted hours until midnight will cause a serious noise nuisance to us and to our neighbours past "normal" licensing hours, which is not fair in this quiet semi-rural neighbourhood.
2. The current "end time" of events at the venue is 11.00. By the time that party-goers and others who hire the premises finish and actually leave it is often closer to midnight. We hear cars revving and tyres screeching and people on-foot shouting (and not infrequently other drunken behaviour). If the permitted alcohol and entertainment times are extended to midnight, this will take place nearer to 1am. Again, this is unacceptable and unfair to residents of the quiet neighbouring roads.
3. As explained above, the application for extended hours will, I am convinced, increase disorder and public nuisance and if, as quite likely, it results in increased alcohol consumption, it will also threaten public safety as the drunk drivers drive home.

I have no objection to the change of name.

Yours faithfully,

Karen Hatchett

Good evening

We understand that the above club is applying for an extension to their licensing arrangements until 0000, midnight .

This will mean that clients and customers will not leave the premises until nearer 0100 am.

This will create an increase noise and probable public nuisance / disorder into the early hours in our semi rural quiet location, which I trust you will agree is not acceptable.

Yours sincerely

I am against for extended licenses for above .

Personally I am objecting:: noise nuisance : drunk and disorderly people at early hours in the morning.

Parking and loud music .

Also I feel sorry for the Lady living alone at 46 as she already had a fair share of loud music and idiots screaming and shouting at all hours .

Also I am a builder and I always parked my van in the close and it been broken into twice and had my tools stolen and I am sure all related to the ones that come to the club .

A big NO for alcohol license to be extended .

Dear Elizabeth,

Camdenians Sports and Social Club, Burtonhole Close, NW7

I am writing as the owner and resident at xxxxx, xx Burtonhole Close, London, NW7 xxx and on behalf of my partner at the same address.

I object to the recent application to vary (extend) the licencing hours at the Club.

The location is a suburban residential area unsuitable to the extension of licence extension (and in fact unsuitable for the current licence).

We have experienced repeated noise from music and associated activity that has caused me to request attendance by Environmental Health on a number of occasions. Subsequently I discover that concerning consideration of the renewal / extension of a licence, merely making the phone call to Environmental Health may be insufficient as far as evidencing nuisance is concerned - I mention it now, therefore.

I know that the police have also visited the area in connection with spill-over into the streets of vehicles and people.

Since the original licence has been granted the car park has become flood-lit and additional to a standing area, seating is to be installed on a terraced area to accommodate over 100 people.

Had I known about it I would have objected to the original application. I understand it was posted in a place that complied with the law but which was in practice unseen by many if not most who would be affected.

Best Wishes,

Nick Breakspear (and Hanna Sierzputowska)

CORRECTED EMAIL - please disregard earlier version.

Dear Sirs

I am writing on behalf of my wife Yvonne Catherine Saville and myself to object to an application to extend the alcohol licensing hours, and to extend the hours for live and recorded music (amplified and non-amplified) entertainment at Old Camdenians.

My wife and I live at xx Hillview Road, Mill Hill, NW7 xxx which is situated at the crossroads with Burtonhole Lane, close to the Old Camdenians premises. At present we suffer from noise nuisance caused by patrons of the Old Camdenians Sports & Social Club when they depart from the premises when the club closes. This noise consists of shouting, laughing, loud conversations in the street (i.e. Burtonhole Lane) as well as the starting and revving of car engines. Often this goes on for a considerable time after closing time, as no doubt the customers continue their conversations in the street and do not disperse promptly. The customers tend to dawdle, and so the noise goes on for some considerable time. This happened again last Saturday 29th January.

In the interest of neighbourliness we do not complain about this but put up with it with the hours as they are at present. However, it would be very different if the hours are extended and that would create a really significant nuisance. I would imagine that the residents of those houses in Burtonhole Lane situated between the cross roads and the club premises would really be affected badly in that eventuality, but even our house, which is situated about 200 metres from the club premises are adversely affected.

I would also mention the acoustics of the Totteridge Valley are unusual in that sounds in the valley are magnified. The consequence of this is that conversation in the street appears to be taking place very loudly, nearer to our house than it actually is. Sometimes I think these people are in our garden, but of course this is an illusion. Likewise Mill Hill Cricket Club is quite a distance from our house, and yet because of the magnification of sound in the Totteridge Valley, we can hear every ball being bowled. This makes the nuisance from the Old Camdenians even greater, so it would be a real nuisance if the hours of the club were extended. However, we would be quite content to leave the house as they are without making further complaint.

We therefore ask that the licensing hours are not extended.

Yours faithfully,

Norman and Yvonne Saville

Re. Old Camdenians Sports and Social Club, Burtonhole Close, NW7

Dear Sirs

I am writing to comment / object to the application for the Old Camdenians Sports and Social Club Extended Licensing application.

I am objecting on the following grounds:

I believe that an extended licence will be a threat to public safety with drivers leaving the premises late and in the dark (yes drinking and driving, there is no other way of accessing this venue).

I believe that an extended licence will be a public nuisance, this is a very quiet area and traffic reverberates through the surroundings. Equally during the summer when doors are open at night the nuisance from the noise will be unbearable.

It is a peculiarity of the valley that the acoustics allow every sound to be magnified, I often look out expecting to see sports events taking place at the club in my back garden.

**** Warning External Email ****

To whom it may concern,

I am a local resident on Hillview Road, NW7, and my back garden, and indeed our bedrooms, point towards the above venue.

I would like to register my objection to any extension of the current licensing hours for the following reasons:

- The existing hours already mean that the local neighbourhood is subject to unnecessary noise (public nuisance), antisocial behaviour from departing guests, on foot and in vehicles, (crime and disorder, public safety) and regularly disturbs to the sleep of my children (protection of children from harm).
- By any measure, the existing establishment falls foul of what I understand to be licensing objectives; any extension therefore would also not meet these objectives and represent a significant deterioration, especially as it means this noise would be expected to occur between midnight and 1 a.m.
- In particular, this is inconceivable to even consider on a Sunday where local residents have work and school on the following morning.

This is a residential area and does not need late night drinking venues and I strongly urge you to refuse the above application.

Many Thanks

As a close neighbour I wish to object to the above application for an extension. The amplified music played at this venue is already very intrusive at weekends, especially in warmer weather when the sound carries a long distance. The extension to midnight would be very disturbing and constitute a public nuisance. The participants are likely to linger long beyond midnight and be very rowdy on departing via these quiet country lanes. They already do so often exhibiting loud drunken behaviour. This creates disorder and constitutes a threat to public safety. For these reasons it would be very unsafe to grant the application.

Dear Sirs,

The back of my house is in Burtonhole Lane and I believe the Old Camdenians Sports & Social Club in Burtonhole Close have applied to extend both the hours for music entertainment both live and recorded (amplified and non-amplified). They also wish to extend their alcohol licensing hours from 10 pm to midnight on Fridays, Saturdays and Sundays.

We can all already hear the music which is very loud in our gardens from across the fields in the evenings and I am very worried that if these later hours are extended we will be bombarded not only with noise but we will have cars racing up Burtonhole lane well after midnight often with people who are either drunk or have taken any form of drugs. We are also worried that crime will rise from allowing this extension.

Please think of us and the people who live near this Club and deny their application.

Thank you,

Mrs. S. Salik.
