Summary of Work Undertaken

- 1.7 Local Pension Boards were established to ensure that staff and participating employers can have sight and influence the management of the pension fund. The role of the Board is to help the Council to ensuring the effective and efficient governance and administration of the fund. The Board achieves that role through reviewing the decisions made by the Committee and officers and the performance of appointed service providers, in particular the administrator, WYPF. The Board applies a wide range of experiences that enable them to probe management's plans and outcomes.
- 1.8 The follow items have been considered by the Local Pension Board since 4 February 2021:

Recommendations and Comments to the Pension Fund Committee

- 1.9 The Local Pension Board can bring any recommendations or observations concerning the governance, management and administration of the fund to the attention of the Pension Fund Committee or Council. The Comments of Board Members is therefore request, such comments would then feature in the reporting process to the Pension Fund Committee and Full Council reports.

Board Training

- 1.9 Members are required to attend meetings and training sessions during the year. Training is important to ensure the Board, as a whole, have the appropriate skills, knowledge and understanding to support the Scheme in running effectively. Members complete annual training needs assessments which are used to identify knowledge gaps that are addressed either through internal training or external training e.g. attendance at CIPFA organised events. As detailed in 1.15 below, four CIPFA training events were attended by at least one Board Member.
- 1.10 Local Pension Board Members are required to complete the Pensions Regulator (TPR) toolkit. The Board should note that the only the newly appointed Member is yet to complete this. It is expected that this will be completed soon.

Key Areas 2021/22

- 1.11 The Local Pension Board raised several concerns that are set out below:
- a) The outsourced administrator changed to West Yorkshire Pension Fund on 31 October 2020. The Board have monitored the progress of the new provider and have noted in meetings an improved performance. However, a backlog of data improvement issues and progress is being monitored by the Board.
 - b) Areas of Non-Compliance – the Board has not noted any areas of non-compliance during the year. However, members are encouraged to make comment in respect to this.

Attendance at meetings by Scheme advisors is not charged against the Board's budget although if the Board were to commission additional work, this will be reflected in their expenses. The external support provision has been reduced to £10,000 (prior years £25,000) as more in line with the Board's potential requirements and absence of any previous spending.
