## Summary

The external audit of the Council's Statement of Account is undertaken by BDO.

BDO were presented with the draft financial statements (including the Pension Fund accounts) on 30<sup>th</sup> July 2021 and the draft accounts were published by the end of July 2021 in line with the Accounts and Audit Regulations 2015.

The 2015 Regulations require that the final approved accounts are published no later than 30<sup>th</sup> September of the financial year immediately following the end of the financial year to which the statement relates.

BDO advised Audit Committee in July 2021 that they were not able to commence the audit until September, it was therefore not possible for them to conclude their audit in line with the statutory deadline.

BDO presented a draft completion report to Committee in December 2021 and again in February 2022.

Audit Committee in February 2022:

- approved, subject to there being no material amendments, the Statement of Accounts for 2020/21 and recommended that they be signed by the Chairman and the Executive Director of Resources (Statutory 151 Officer) on behalf of the Council.
- delegated to the Executive Director of Resources (Statutory 151 officer) the ability to make necessary amendments to the statement of accounts, in so far as there is no material impact on the General Fund, based on any subsequent findings of the External Auditor.

Not material impacts have been found since the last update provided to Committee and this report provides an update on the factors that are delaying the sign off of the council's 20/21 Accounts.

The final Statement of Accounts, including the Pension Fund accounts, will be published on the council's website once BDO have provided their Audit Opinion for inclusion in the Statement of Accounts.

## Officers Recommendations

- 1. That the Committee note the measures that the government is taking to help tackle audit delays and the impact on audit deadlines.**
- 2. That the committee notes the factors that are delaying the sign off of the council's 2020/21 Statement of Accounts.**

### 1. WHY THIS REPORT IS NEEDED

- 1.1 Under Section 151 of the Local Government Act 1972- "...every local authority shall make arrangements for the proper administration of their financial affairs". Additionally, in accordance with International Standard on Auditing (ISA) 260, the external auditor is required to issue detailed reports on matters arising from the audit of the council's accounts and pension fund accounts.
- 1.2 On 22 November 2021, DLUHC wrote to S151 Officers noting the government's concerns at the increasing delays to the completion of local audits. Further to that, DLUHC wrote to S151 Officers on 18 January 2022 to provide an update on action the government is taking to help tackle these delays. The full package of measures can be found in the background papers to this report and the key measures are shown below:
  - providing councils with £45m additional funding over the course of the next Spending Review period to support with the costs of strengthening their financial reporting and increased auditing requirements;
  - strengthening training and qualifications options for local auditors and audit committee members;
  - reviewing whether certain accounting and audit requirements could be reduced on a temporary basis, where these are of lesser risk to councils; and
  - extending the 2021/22 audit deadline to 30 November 2022, and then 30 September until 2027/28.

- 1.3 The extension of the audit deadline for 2021/22 to 30 November 2022 will be reflected in BDO's Audit Planning Report for 2021/22. The Audit Planning Report for 2021/22 was expected to be presented to this Committee in June 2022 but the delay in the signing off of the 2020/21 accounts has delayed the production of the 2021/22 Audit Planning Report.
- 1.4 There is also an on-going issue relating to the reporting of infrastructure assets which has led to delays in local authority audits, principally for highways authorities. Further details and a description of the issue can be found in the background papers to this report.
- 1.5 CIPFA LASAAC (Local Authority (Scotland) Accounts Advisory Committee) and CIPFA's Accounting and Financial Reporting Forum have established a Task and Finish Group to assist with the resolution of this issue.
- 1.6 Following the advice of the Task and Finish Group, CIPFA LASAAC has proposed a temporary solution, including proposals to:
- confirm the accounting consequences of derecognition, i.e. that the effect on the carrying amount is nil (on the presumption that replaced parts are fully depreciated)
  - temporarily adapt the code to remove the reporting requirements for gross historical cost and accumulated depreciation
  - provide extra guidance on how depreciation may be applied for infrastructure assets
- 1.7 The CIPFA LASAAC Local Authority Code Board have announced an urgent consultation on temporary proposals to update the Code of Practice on Local Authority Accounting in the United Kingdom to address the issue. The consultation ends on 14th June 2022 and confirmation of the Code amendments and guidance is expected to be issued week commencing 20th June.
- 1.8 This temporary solution will allow CIPFA LASAAC to consult on a longer-term solution later in the year.

## **2. REASONS FOR RECOMMENDATIONS**

- 2.1 In order that the Council can meet its legal obligation to produce audited financial statements.

## **3. ALTERNATIVE OPTIONS CONSIDERED AND NOT RECOMMENDED**

- 3.1 Not applicable

## **4. POST DECISION IMPLEMENTATION**

- 4.1 Not applicable

## **5. IMPLICATIONS OF DECISION**

### **5.1 Corporate Priorities and Performance**

- 5.1.1 Review of reports made under International Standard on Auditing (ISA) 260 are an

integral part of corporate governance. This is in line with The Barnet Plan – which sets out four priorities for the council as below:

- Clean, safe and well run – a place where our streets are clean and anti-social behaviour is dealt with so residents feel safe. Providing good quality, customer friendly services in all that we do.
- Family friendly – creating a Family Friendly Barnet, enabling opportunities for our children and young people to achieve their best.
- Healthy – a place with fantastic facilities for all ages, enabling people to live happy and healthy lives.
- Thriving – a place fit for future, where all residents, businesses and visitors benefit from improved sustainable infrastructure & opportunity.

5.1.2 The Annual Statement of Accounts are the primary means by which the Council is held to account for the stewardship of its resources.

## 5.2 **Resources (Finance & Value for Money, Procurement, Staffing, IT, Property, Sustainability)**

5.2.1 The Statement of Accounts shows the financial position of the council as at 31 March 2021.

## 5.3 **Social Value**

5.3.1 None in the context of this decision

## 5.4 **Legal and Constitutional References**

5.4.1 Section 151 of the Local Government Act 1972 requires that “...*every local authority shall make arrangements for the proper administration of their financial affairs*”.

5.4.2 The Council is a public authority that is subject to the audit of its annual accounts by an external auditor. The Local Audit and Accountability Act 2014, Part 5 specifies the conduct of local audit.

5.4.3 Part 3, regulation 9 of the Accounts and Audit Regulations 2015 requires that the statement of accounts must be considered by a committee or full council and approved by a resolution of that body. The accounts must then be signed by the person presiding at the meeting. The Section 151 officer must then reconfirm on behalf of the authority that they are satisfied that the statement of accounts presents a true and fair view of the financial position of the authority and its income and expenditure for that year.

5.4.4 The 2015 Regulations require that the final approved accounts are published not later than 30th September of the financial year immediately following the end of the financial year to which the statement relates. The audit did not commence until September 2021 and it was therefore not possible for it to be concluded in line with the statutory deadline.

5.4.5 International Standard on Auditing (UK and Ireland) 260 deals with the auditor’s responsibility to communicate with those charged with governance in an audit of financial

statements. A link to the website containing ISA 260 can be found in the background papers to this report.

5.4.6 Article 7 of the Council’s Constitution details the functions of the Audit Committee and include *“To review and approve the annual statement of accounts and consider the external auditor’s report to those charged with governance on issues arising from the audit of the accounts”*.

## 5.5 Risk Management

5.5.1 A positive external audit opinion on the council’s Statement of Accounts plays an essential and key role in providing assurance that Barnet’s financial risks are managed in an environment of sound stewardship and control.

5.5.2 There are no key risks relating to the production, audit or publishing of the Statement of Accounts identified in the Council’s risk register however, delays to the completion of audits does create a risk in that any issues identified cannot be addressed and resolved in a timely manner.

## 5.6 Equalities and Diversity

5.6.1 Accurate financial reporting is important to ensure the management of resources to enable the equitable delivery of services to all members of the community, to reduce the differential impact of the services received by all of Barnet’s diverse communities and to ensure compliance with the council’s duties under the 2010 Equality Act.
