1.	8	<p>Mr Aaron Theseira</p> <p>Bell Lane NW4 2AR Hendon</p>	<p>I am asking the Committee to review delegating powers to the Director of Highways and Transport. The Committees powers have simply gone to his head.</p> <p>He has shown a disregard to the Committees statutory responsibilities and appears to have not grasped the spirit of the Committee to make residents lives better.</p> <p>For the safety of school children, I and other residents have been fighting the location of the Bell Lane zebra crossing.</p> <p>This has been pushed through by the Director without due process. There is also a campaign of overzealous double yellow line marking having lost sight of residents' needs.</p>
