Summary

The Pension Fund Committee is a decision-making body responsible for the operation of the Pension Fund. It is a priority to ensure that the Pension Fund Committee members have access to sufficient training opportunities so that they can meet their duties.

Officers Recommendations

The Pension Fund Committee is invited to note the training options available

The Pension Fund Committee are invited to:

- 1) collectively commit to undertake the mandatory training; and
- 2) endeavour to undertake the recommended training.

- 1.1 The London Borough of Barnet Pension Fund is governed by the Pension Fund Committee, scrutinized by the Local Pensions Board with support of Officers, advisors and outsourced administrators.
- 1.2 The Pension Fund Committee is a decision making body responsible for the operation of the Pension Fund, ensuring it is governed and administered effectively and is financially sustainable.
- 1.3 The Local Pension Board is an oversight body with no direct decision making powers. The Local Pension Board's primary role is to review decisions made by the Pensions Committee and hold the Committee to account. The Local Pension Board includes member and employer representation.
- 1.4 The Local Pensions Board has a regulatory duty to keep their knowledge and understanding up-to-date and to document their training. There is no direct Regulatory requirement for the Pensions Fund Committee to undertake training beyond what is required as an elected member.
- 1.5 Issues surrounding the Pension Fund are complex and financially significant to the Council. To make effective decisions it is important that Committee members feel empowered to ask the right questions of Officers and advisors.
- 1.6 It is a priority that the Pension Fund Committee members have access to sufficient training opportunities so that they can meet their duties.
- 1.7 To deliver on this priority we have identified 'mandatory' training – this is training that we expect Pension Fund Committee members to undertake to enable them to perform their duties (note that this is not Regulatory requirement) and 'recommended' training, which will further develop Committee members' skills.

5. IMPLICATIONS OF DECISION

5.1 Corporate Priorities and Performance

5.1.1 Good knowledge and understanding of the Pension Fund will improve overall governance and operational effectiveness of the Pension Fund.

5.2 Resources (Finance and Value for Money, Procurement, Staffing, IT, Property, Sustainability)

5.2.1 Provision of Hymans' LOLA portal has a modest annual license fee.

5.3 Social Value

5.3.1 The Public Services (Social Value) Act 2012 came into force on 31 January 2013. It requires people who commission public services to think about how they can also secure wider social, economic and environmental benefits.

5.3.2 Before they start the procurement process, commissioners should think about whether the services they are going to buy, or the way they are going to buy them, could secure these benefits for their area or stakeholders.

5.3.3 The Act is a tool to help commissioners get more value for money out of procurement. It also encourages commissioners to talk to their local provider market or community to design better services, often finding new and innovative solutions to difficult problems.

5.3.4 There are no specific social value issues arising out of this report, however membership of the Pension Fund ensures the long-term financial health of contributing employees on retirement.

5.4 Legal and Constitutional References

5.4.1 There are no legal references.

5.4.2 The Council's Constitution – Article 7 – includes within the responsibilities of the Pension Fund Committee the appointment of various service providers. Monitoring is an essential element of the appointment and re-appointment process.

5.5 Risk Management

5.5.1 Risk management is central to the LGPS; which are in themselves risk management tools, managing the risk that future employer income streams will be able to meet future pensions liabilities by creating a reserve from which future liabilities will be met.

5.5.2 The Committee relies on its service providers and good performance from these will help to avoid problems.

5.6 Equalities and Diversity

5.6.1 Pursuant to the Equality Act 2010, the Council is under an obligation to have due regard to eliminating unlawful discrimination, harassment, victimisation and any other conduct that is prohibited by or under the Act; advancing equality of opportunity between persons who share a relevant 'protected characteristic' and those who do not share it; and fostering good relations between persons who share a relevant 'protected characteristic' and persons who do not share it. The 'protected characteristics' are: age, disability, gender reassignment, pregnancy, and maternity, race, religion or belief, sex and sexual orientation.
