

EAST AREA COMMITTEE

29 June 2022

Additional Officer Responses:

Article 3 of the Council's Constitution, Section 3.5, sets out how issues and petitions can be determined by the Area Committees, including:

- Instruct that an appropriate named officer contact the resident within 20 working days to provide an additional response and that this response be published in the meeting documents available on the website.

At the meeting of the East Area Committee on 29 June 2022, for those issues/petitions whereby the Committee requested an additional Officer response, the responses are captured in the table below.

Item	Issue/ Petition:	Additional response:
6 a)	Petition: Traffic Calming Measures, Investigation, and Maintenance of Hampden Way Carriageway, N14	<p>A working group was set up earlier this year to undertake an in-depth review of Hampden Way, the review included:</p> <ol style="list-style-type: none"><i>1. The work will include gully connections & a gully outlet replacement</i><i>2. Ground Penetration Radar surveys</i><i>3. GeoTech Surveyors site inspection</i><i>4. Core testing</i><i>5. Speed and traffic survey</i> <p>We have received the report which includes various recommendations, these are being reviewed. Following the recommendations, and through assigned funding, Engineers have been tasked with developing a design including a detailed communication plan for residents and Ward Members.</p>

		A detailed briefing will be shared with Ward Members in due course on our recommendations and proposals, and a wider communication will be provided to residents according.
6 b)	Petition: Decoy Avenue Road Safety	A Road Safety & Parking request was raised by Cllr Cohen, this has been approved and officers will programme the speed survey which includes point of origin/destination to track vehicle movement.
6 c)	Petition: Hervey Close	A Road Safety & Parking request was raised by Cllr Houston, this has been approved and officers will programme the speed survey which includes point of origin/destination to track vehicle movement.
7 a)	Issue: Traffic Castle Road	Officers confirm further to our response a Road Safety & Parking scheme has been approved to review the concerns raised in this location. The surveys will be programmed by Highway Engineers in September when schools return to ensure the full impact of the issues faced are captured in the results. The presentation provided at committee will be shared with the scheme owner for their information.
